The Animated Movie

A Screenplay By:
Cameron Tevis

FADE IN

EXT. BATTLE PLANET - DAY

Dust fills the air in a barren desert wasteland.

As the dust settles, two figures stand motionless as they face off against one another other.

Craters lace the surface of the planet from their battle.

A battle-ravaged SUPERMAN is out of breath but keeping his guard up against an equally battle-ravaged and out of breath Super Saiyan GOKU.

SUPERMAN

We've been at this for hours. Ready to give up yet?

Goku forces a small smile.

GOKU

Not a chance.

SUPERMAN

It's only... a matter of time before my friends find me.

GOKU

I'm sure my friends are on the way too... but until then...

Superman drops into a battle stance as Goku charges at him in attack position.

CUT TO:

EXT. DCU - METROPOLIS CITY - DAY

The well-known Daily Planet and Lexcorp buildings join other skyscrapers as they create the Metropolis skyline.

The streets below are teeming with life.

SUPER:

"METROPOLIS 8 HOURS AGO"

BOOM! An explosion rocks one of the buildings.

Near the explosion is a battle already in progress. SOLOMON GRUNDY, a hulking, pale-white, zombie, walks out of the damaged building.

WONDER WOMAN attacks Solomon, but he backhands her and sends her flying into another building, with so much force the building starts to topple over.

GREEN LANTERN descends from the sky.

GREEN LANTERN

I got this, no problem!

With his power ring, he creates a green construct that catches the building and keeps it from falling on the fleeing civilians below.

From the sky, MARTIAN MANHUNTER puts his hands to his temples and tries focusing to gain psychic control of Solomon Grundy.

MARTIAN MANHUNTER

(whispering)

Nothing. It's as if his mind is blank. There is nothing to control.

Solomon Grundy yells ferociously as he throws a piece of the destroyed building at Martian Manhunter. He's hits in the stomach and falls to the ground.

CYBORG steps around the corner and blasts Solomon Grundy in the back with his White Noise Cannon. SKREE!

It knocks Solomon down, but he immediately gets back up, turns around and smashes both fists into the asphalt road. It cracks the earth under Cyborg's feet causing him to fall.

From out of nowhere a red blur soars in and knocks Solomon Grundy's head to the side, causing him to fall to the ground.

Solomon looks up from the ground and sees that SUPERMAN has arrived.

SUPERMAN

I don't want to hurt you. Stop this...
Now!

Solomon grabs a parked car and tosses it at Superman.

Superman dodges it with ease, then looks at Solomon and shakes his head with disappointment.

Superman flies straight for him and with a single, thunderous, lightning fast punch, Superman knocks Solomon Grundy out.

He lays unconscious at Superman's feet. Cyborg and Martian Manhunter approach Superman.

MARTIAN MANHUNTER

Excellent timing.

CYBORG

I'll say.

Wonder Woman walks up to them as Green Lantern comes in for a landing.

GREEN LANTERN

I was just about to do that.

CUT TO:

INT. DCU - LEXCORP - DAY

LEX LUTHOR looks down at the battle from his office atop the skyscraper.

LEX LUTHOR

(whispering)

Of course... Superman. Always Superman.

He continues looking at them below.

LEX LUTHOR (CONT'D)

As I predicted, your powerful, new stranger couldn't defeat Superman.

LORD UNITY (O.S.)

He was never meant to defeat Superman.

Lex Luthor turns around to look at a ghost-like, non-corporeal form of a hooded, elderly and frail, LORD UNITY.

LORD UNITY (CONT'D)

He was merely meant to draw Superman out so I could lock onto his body signature for the transfer.

(beat)

I brought Solomon Grundy here as proof that I have the technology to transport beings across the Multiverse.

LEX LUTHOR

I've had dealings with parallel universes before. Am I supposed to be impressed?

Lex Luther takes a seat at his desk.

LORD UNITY

Not at all. But, perhaps, I have persuaded you to help me with my plan.

Lex leans back in his chair.

LEX LUTHOR
You're saying if I do this, I'll be
able to get anything I want?

LORD UNITY
We both will.

Lex narrows his eyes as he looks suspiciously at Lord Unity. He turns his chair around to look out the window again as he contemplates the possibilities.

A moment later he turns back around to look at Lord Unity.

LEX LUTHOR
Fine. The potential for what you're
offering is too good to pass up.
But let's be clear, I don't trust
you, so I'll be watching you very
closely.

LORD UNITY
Of course.

LEX LUTHOR
What are the orbs called again?

LORD UNITY
They are known as...

CUT TO:

EXT. DBZU - ROSHI ISLAND

KRILLIN and YAMCHA spar each other on the beach of a small island with only a single house built on it.

LORD UNITY (O.S.)
...Dragonballs!

Krillin attacks Yamcha.

KRILLIN
Hyah!

Yamcha blocks it, then smiles.

YAMCHA
Nice one Krillin!

VEGETA (O.S.)
You can't be serious!

Krillin and Yamcha stop sparring and look up in the sky as VEGETA comes in for a landing.

VEGETA (CONT'D)

Don't tell me you weaklings are training. Buu is already dead. Besides, you could never defeat him no matter how hard you tried.

Krillin and Yamcha, both look disappointed that he's arrived.

KRILLIN

Nice to see you too Vegeta. We know Buu's dead. We're training for the World Martial Arts Tournament.

Vegeta tilts his head back in laughter.

VEGETA

The World Martial Arts Tournament? After all that we've seen you still compete in that nonsense?

Krillin raises an eyebrow and tauntingly replies.

KRILLIN

Goku's entering ya' know? He's training in the Capsule out back.

Vegeta's eyes widen with shock.

VEGETA

What? Kakarot's training... now?

Vegeta runs to the back of the house and stops dead in his tracks when he sees a Training Capsule from Capsule Corp.

VEGETA (CONT'D)

Where did this come from?

Just then, BULMA walks out the back door of the house carrying a pitcher of lemonade.

BULMA

Goku, I brought you some...

She's shocked and knows she's caught when she sees Vegeta, standing there with Krillin and Yamcha.

BULMA (CONT'D)

Oops.

Vegeta's temples throb as he becomes enraged.

Yamcha and Krillin try to keep from laughing.

VEGETA

You brought it here? But why? Why didn't you tell me?

Bulma knows she's caught and doesn't even try to make up a good excuse.

BULMA

Goku asked for it... after, I made some modifications of course. Now, it maxes out at 100,000x's Earth Gravity.

VEGETA

100,000Xs?

Vegeta rushes over to the capsule to look in a small window. With Vegeta's back to them, Bulma gives Yamcha and Krillin a look of death that quickly ends their laughter.

Vegeta's eyes widen with shock at what he sees.

CUT TO:

INT. DBZU - TRAINING CAPSULE

Inside the Capsule, GOKU, with his black hair, is doing one-fingered, hand-stand, push-ups.

A digital panel on the interior dashboard of the Capsule reads '50,000 G'.

GOKU

999, 1000, 1001...

CUT TO:

EXT. DBZU - ROSHI ISLAND

An angry VEGETA walks past BULMA, KRILLIN and YAMCHA to the front of the Capsule.

VEGETA

Oh, no you don't, Kakarot!

Vegeta hits the access panel that opens the Capsule's latch.

The digital panel counts down backwards so fast, it's illegible, until it finally stops at zero G's and beeps.

The quick shift in gravity catches Goku off guard and he throws himself into the ceiling, then falls back to the floor.

GOKU

Ow!

Goku rubs his head to rub out the pain from hitting it so hard.

Light rays enter the capsule as the latch opens. Goku gets a big smile on his face when he sees Vegeta walk in.

GOKU (CONT'D)

Oh, hi Vegeta!

Goku stands up just as Vegeta starts waiving his fist in angry protest at Goku.

VEGETA

I know what you're doing Kakarot!
You're trying to get stronger than
me!

Goku walks towards the controls of the Capsule and passes Vegeta with a smile on his face.

GOKU

I thought I already was.

Vegeta's temples throb with anger, he clenches his fists tight. He turns to Goku with a fist raised as Goku fidgets with the controls.

VEGETA

What did you just say?

Goku smiles and waives his hands for Vegeta to calm down.

GOKU

I'm kidding Vegeta. I'm just training
for the World Martial Arts Tournament.
What's the big deal?

Vegeta gets close to Goku.

VEGETA

Stop it Kakarot! You know as well
as I do, it will come down to the
two of us.

Goku looks surprised.

GOKU

I didn't even know you were entering.

VEGETA

I am now. I will not let you beat
me. Move over, I'm training too.

Bulma, Yamcha and Krillin watch as Goku and Vegeta wrestle for the controls of the Capsule Corporation training system.

KRILLIN

Those two.

Bulma shakes her head, then looks at Krillin and Yamcha.

BULMA

This is why I didn't want to tell
Vegeta. I knew he'd act like this.

FADE TO:

INT. LORD UNITY'S SPACE STATION

Lex Luthor materializes, on a small space station above an alien planet. He's wearing his green battle armor.

Lord Unity's non-corporeal form fades in.

LEX LUTHOR

Where are we?

Lord Unity looks at Lex.

LORD UNITY

My space station. We're in a universe
somewhere between yours and the
Dragonballs'.

(beat)

Your battle armor was unnecessary.

LEX LUTHOR

Yes, well, I don't know you and I
like to be prepared for anything.
Now, why are we here?

Lord Unity goes to the large window overlooking a planet below.

With Lord Unity's back turned, Lex takes the opportunity to activate something on his forearm control pad.

LORD UNITY

It is here that we shall trap the
most powerful beings from each of
the two universes.

Lord Unity turns back to Lex.

LORD UNITY (CONT'D)

They will act as a tether to their
planets as well as supply us with
the vast amounts of energy needed to
temporarily mesh the two universes
into one. During that time you will
be able to seek out the Dragonballs.

LEX LUTHOR

Why don't you just transport me to that dimension?

LORD UNITY

The only way the Dragon can fulfill your wish is if you are part of the same dimension. Trust me.

Lex walks up to the window and looks out.

LEX LUTHOR

I don't trust anyone.

LORD UNITY

Good policy, but this is the only way. You do this and we will each have our wish. I will get my physical body back and you... you can have anything you desire.

Lex looks back at Lord Unity.

LEX LUTHOR

I desire quite a lot.

LORD UNITY

Then we should begin.

CUT TO:

INT. DCU - THE CIRCUS - MAXIMUM SECURITY DETENTION FACILITY

Green Lantern walks down a hall next to STEVE TREVOR. Superman, Cyborg, Martian Manhunter, and Wonder Woman follow close behind.

GREEN LANTERN

Thanks for letting us lock him up here for now, Steve.

Steve nods.

STEVE TREVOR

Not a problem GL. I'm just glad I could help.

GREEN LANTERN

With OA destroyed we don't currently have dependable science-cells. This is probably the only facility that can hold someone like him.

Steve looks over and sees Wonder Woman and Superman exchanging romantic smiles.

Annoyed, Steve looks back at Green Lantern.

STEVE TREVOR
Any idea where the monster came from?

GREEN LANTERN
We're not sure, but we think...

WONDER WOMAN (O.S.)
Superman!

Everyone turns around and sees Superman disappearing.

WONDER WOMAN (CONT'D)
What's happening to him?

Before anyone can do anything, Superman is gone. They all exchange looks of worry.

CUT TO:

INT. DBZU - TRAINING CAPSULE

Vegeta throws a high kick into the air while Goku stretches. The digital display reads '50,000 G'.

VEGETA
Hi-yah!

Goku looks over at Vegeta.

GOKU
Before you came in, I was just about to max it out at the full 100,000x Earth gravity. But, we can keep it here so you can handle it Vegeta.

Vegeta turns to Goku with a scowl on his face.

VEGETA
I can handle anything you can Kakarot... and more!

Vegeta walks to the controls and pushes some buttons. The digital display jumps up to '100,000 G'.

Vegeta turns back around.

GOKU
That's more--

Vegeta is shocked to see Goku disappear right before his eyes.

VEGETA

Kakarot?!

CUT TO:

EXT. DBZU - THE WORLD OF THE KAIS

A worried and panicked SUPREME KAI, runs up to a calm and meditating OLD KAI.

SUPREME KAI

Goku's Ki just disappeared! What does that mean Old Kai? Has Goku died?

Unfazed, Old Kai slowly opens his eyes and looks at the panicked Supreme Kai.

OLD KAI

I'm not sure what it means. But, he can't just be dead, even in death we would still feel his energy here.

SUPREME KAI

Shall I go and see what I can find out?

Old Kai looks down at a crystal ball.

OLD KAI

Not yet. Let's wait and see what happens first. We should give the others a chance to find out what has happened before we meddle.

INSERT CRYSTAL BALL

The crystal ball shows KRILLIN and YAMCHA sparring.

FADE TO:

EXT. BATTLE PLANET - DAY

Superman materializes on a desolate planet.

SUPERMAN

Wha--?

Confused and suspicious, he looks back and forth.

He sees that the surface of the planet is tiled as far as the eye can see. In the far off distance, he sees mountains but nothing else.

SUPERMAN (CONT'D)

(whisper)

Ok? This is weird. Where am I?

He flies up to get a better view. The tiled surface goes on for miles.

Looking down, he finally sees the ends of the tile. It forms a massive fighting ring.

SUPERMAN (CONT'D)

What's that supposed to be?

Superman tries to fly higher, but he hits a red force field.

He touches the barrier.

SUPERMAN (CONT'D)

Some kind of force field?

He punches and punches with everything he has but just can't break through it.

SUPERMAN (CONT'D)

What's this thing made of?

Suddenly, Superman stops when he hears something with his super hearing.

SUPERMAN (CONT'D)

Hmm?

He flies like a rocket towards the sound.

CUT TO:

EXT. BATTLE PLANET - DAY

Goku appears down on the surface caught in mid sentence.

GOKU

...like it Vegeta... Huh?

He looks back and forth, confused. Then he looks up and sees Superman coming in for a landing. Goku immediately smiles and waves at him.

GOKU (CONT'D)

Hi, I'm Goku.

Superman smiles at Goku's enthusiasm.

SUPERMAN

Well, you're a friendly one. I'm Superman.

Goku's eyes widen and he gets a huge cheesy smile.

GOKU

Wow, I've never felt Ki energy like yours before! You must be really strong.

Superman is taken aback.

SUPERMAN

You can sense that?

GOKU

Oh yeah, for sure. I'm impressed!

They shake hands.

SUPERMAN

Eh... Thank you. That's a powerful grip you have, you must be pretty strong yourself.

Goku smiles.

SUPERMAN (CONT'D)

Do you know where we are?

Goku scratches his head as Superman looks around again.

GOKU

Nope. I have no idea.

Goku and Superman look up as large holographic monitors appear in the sky above them. Lord Unity appears on screen.

LORD UNITY

Welcome Kal-El and Kakarot... or should I say Superman and Goku?

Goku and Superman look at each other with confused looks.

LORD UNITY (CONT'D)

I am Lord Unity. Due to your enormous power levels, I have chosen the both of you to participate in a battle to determine who is the strongest in the Multiverse.

Superman looks back at Goku.

SUPERMAN

Do you know who this guy is?

GOKU

Never seen him before.

SUPERMAN

Me neither, but he certainly seems to know us.

Superman steps forward.

SUPERMAN (CONT'D)

I'm sorry. I don't know who you think you are, but we're not going to just fight each other for your entertainment.

GOKU (O.S.)

I don't know...

Superman looks back at Goku.

GOKU (CONT'D)

I think it sounds kind of fun.

Superman gets a dumbfounded look on his face.

LORD UNITY

You don't understand. This fight will determine the very fate of your planets as well.

(beat)

The winner will get to see their friends and family again. But, the loser's planet will be destroyed.

Goku and Superman look at each other then back up at Lord Unity.

LORD UNITY (CONT'D)

But as an added incentive, if I feel you are giving me the show I believe you can and there is a clear and decisive victor, then I will allow both of your worlds to survive.

GOKU

That doesn't sound too bad.

Superman can't believe Goku seems okay with it.

SUPERMAN

You can't be serious?

LORD UNITY

However, if I feel either of you are pulling your punches in anyway, or simply biding your time, I will not hesitate to destroy both of your worlds.

Superman's eyes narrow with concern.

LORD UNITY (CONT'D)

So, you can either, let both die,
save one by simply fighting one
another or give me your absolute
best, and have the opportunity to
save both worlds. The choice is
yours.

Superman turns to Goku.

SUPERMAN

We have to get out of here somehow.

Goku looks disappointed.

GOKU

Okay.

Goku puts his hand on Superman's shoulder and with his other hand he puts his index finger to his forehead.

GOKU (CONT'D)

Hold on, were going for a ride.

Superman shakes his head.

SUPERMAN

No. I've already tried flying out of
here. There's a force field
surrounding the planet.

GOKU

I'm going to teleport us out of here
with my Instant Transmission.

Goku closes his eyes.

Superman anticipates something is about to happen. He waits and waits until finally, he looks back at Goku.

SUPERMAN

Is something supposed to happen?

Goku opens his eyes and takes his hand off of Superman and laughs from embarrassment.

GOKU

It's not working. I guess we're stuck
here.

As they both look back up at the monitors, Lord Unity starts laughing.

LORD UNITY

As you can see, there is no way off this planet. You know your choices. I suggest you make one immediately. The sooner you realize that it's in your best interests to fight, the safer your worlds will be.

Superman steps forward with clenched fists.

SUPERMAN

How do we know you will keep your word?

LORD UNITY

You don't, but you really have no choice.

Superman sneers then looks back at Goku.

SUPERMAN

Looks like we have to humor him...

Goku gets excited and smiles.

GOKU

Alright!

Superman is baffled by how excited Goku is.

SUPERMAN

...at least until we can figure something else out...

CUT TO:

INT. DCU - WATCHTOWER: SPACE STATION ABOVE EARTH

Green Lantern and Wonder Woman lead Martian Manhunter, and Cyborg down the halls of the new Watchtower in orbit.

SUPERMAN (V.O.)

...Or give my friends time to find us.

Green Lantern looks distressed.

GREEN LANTERN

Ah man, really? Do we have to go to him?

WONDER WOMAN

If anyone can find Superman, it's him.

Green Lantern looks up at the sky and raises his hands to emphasize his dislike.

GREEN LANTERN

There's gotta be another way. The guy is such a downer.

WONDER WOMAN

How? You said your ring couldn't detect Superman.

Wonder Woman looks back at Cyborg and Martian Manhunter.

WONDER WOMAN (CONT'D)

Manhunter can't locate him telepathically and Cyborg's checked every frequency and media outlet available.

She looks back at Green Lantern.

WONDER WOMAN (CONT'D)

We have nothing. He's our last chance.

Wonder Woman stops at a closed door. Green Lantern looks exasperated.

GREEN LANTERN

I get it. I get it. Ugh... Figures, I'd finally have a chance to come back to Earth after all this time and I have to see...

The Watchtower doors open and at the head of the council table sits BATMAN.

GREEN LANTERN (O.S.) (CONT'D)

...Batman.

CUT TO:

EXT. DBZU - ROSHI ISLAND

Vegeta rushes over to Krillin and Yamcha. Bulma is sunbathing on the beach in her bikini.

They can tell Vegeta is distressed.

KRILLIN

What is it Vegeta?

VEGETA

Kakarot! He's gone! He disappeared.

Krillin and Yamcha don't even care and go back to training.

KRILLIN
Okay, thanks Vegeta.

VEGETA
Didn't you hear me?

Yamcha hides his mouth from Vegeta and whispers to Krillin.

YAMCHA
(whispering)
I'd probably disappear too if I got
stuck training with Vegeta.

Krillin holds back laughter, but Vegeta heard and scowls in anger.

VEGETA
This is not a joke! It wasn't his
Instant Transmission, it was something
else.

This gets everyone's attention and they walk over to Vegeta.

KRILLIN
Okay, calm down. What do you mean
'he disappeared'?

VEGETA
We were training and then I saw him
just disappear.

Krillin looks up at the sky and closes his eyes. Moments later he opens his eyes and looks at everyone.

KRILLIN
Now that you mention it. I don't
feel Goku's energy at all. Something
must be wrong.

VEGETA
That's what I've been trying to tell
you.

KRILLIN
We should go to the Watchtower, maybe
Piccolo knows something.

YAMCHA
Good idea, Krillin.

Bulma starts getting dressed. She has her shirt over her head so she can't see.

BULMA
Wait for me guys.

She pulls her shirt down and sees that they are already in the air flying off.

She stomps her foot into the ground, out of anger.

BULMA (CONT'D)

I said wait!

She pulls out a Capsule case.

INSERT CAPSULE CORP CASE

She opens the case and sees six different capsules. She selects a capsule and pulls it out.

BULMA (CONT'D)

Oh no, you're not leaving me behind this time!

BACK TO SCENE

She throws the capsule towards the ground. It pops open with a small burst of smoke. When the smoke clears, there sits a new air bike with a separate bike suit.

BULMA (CONT'D)

Hah! Instant air-bike.

CUT TO:

INT. LORD UNITY'S SPACE STATION

Lex Luthor sits at the control desk near the large window overlooking the planet. The non-corporeal Lord Unity stands next to him.

The desk area has numerous monitors. Each monitor he looks at has images of Goku and Superman on them.

Lex looks closely at Goku, then shakes his head.

LEX LUTHOR

You can't be serious. That guy is the strongest in their universe? He won't last five minutes against Superman.

LORD UNITY

I think you'd be surprised. He might even be stronger.

Lex looks back at Lord Unity.

LEX LUTHOR

I doubt that.

Lex looks back at the monitors, then back at Lord Unity.

LEX LUTHOR (CONT'D)

I'll give this to you though... you certainly know how to motivate Superman.

LORD UNITY

Come. Now that we have them out of the way it's time for Phase 2.

Lex follows as Lord Unity walks away from the control desk.

CUT TO:

INT. DCU - WATCHTOWER

Batman sits silently at the council table. Green Lantern, Cyborg, Martian Manhunter and Wonder Woman sit at the table as well, watching him, waiting for answers.

BATMAN

And you're sure it wasn't a Boom Tube? Or some other technology we've seen before?

Cyborg looks at Batman.

CYBORG

The energy signature left behind was close to a Zeta Beam. But it wasn't a Zeta Beam. My sensors have never picked up anything like it before.

BATMAN

And it just happened to take the most powerful being on the planet? It...

Batman is interrupted as the entire Watchtower starts shaking violently.

GREEN LANTERN

What the hell's happening?

They rush to the control room where monitors line the Bridge next to a large window that overlooks Earth.

WONDER WOMAN

It's getting stronger, whatever it is!

Batman sits at a monitor to collect information.

BATMAN

Whatever it is, it's happening all over the planet.

Green Lantern and Cyborg see a huge energy wave coming straight for the Watchtower and take a step back in awe.

GREEN LANTERN

It must be coming from that... whatever that is.

(beat)

Get down!

Green Lantern protects the whole team in a green bubble, ring-construct in case the wave destroys the Watchtower.

The wave engulfs the entire Watchtower, but they quickly realize it isn't causing any damage.

CYBORG

We're okay! I'm not getting any radiation readings or anything. It passed by harmlessly.

Green Lantern releases them from the protective barrier.

WONDER WOMAN

But, what is it and where's it going?

Batman looks at the monitors again.

BATMAN

It's going to hit Earth!

Earth is engulfed in the wave.

BATMAN (CONT'D)

We have to get down there, now!

Everyone follows Batman as he rushes to a teleporter.

CUT TO:

EXT. DBZU - WATCHTOWER

PICCOLO and DENDE stand at the edge of the tower and look around when they suddenly see Krillin, Yamcha and Vegeta flying towards them.

DENDE

It's Krillin!

Dende waves.

KRILLIN

Hey Dende!

All three land on the tower then Piccolo walks up to them.

PICCOLO

You must be here because of Goku.

KRILLIN

You felt his energy disappear too?
What does it mean?

DENDE

We don't know. I spoke with Master
Kai as well, even he doesn't know.

Bulma finally arrives, suited up, on her air-bike.

BULMA

I told you guys to wait!

Piccolo sees here arriving and face-palms.

PICCOLO

Oh, great. What is she doing here?

After landing, Bulma marches over to the group pointing her
finger at Piccolo.

BULMA

I don't want to hear it Piccolo! I
may not have any powers, but if
something's happened to Goku then
I'm going to help.

The Watchtower starts shaking so violently that Bulma falls
to the ground at Piccolo's feet.

BULMA (CONT'D)

What's happening?

Piccolo, Vegeta and Krillin look up and see that the sky
starts changing colors.

KRILLIN

Did somebody summon the Eternal
Dragon?

Dende closes his eyes.

DENDE

No. It's definitely not Shenron.
(beat)
I don't know what this is.

Dende's eyes flicker open in terror.

DENDE (CONT'D)
 Something's happening! The world,
 it's... changing!

CUT TO:

EXT. DCU AND DBZU COMBINED - METROPOLIS

The Justice League, including Batman, Cyborg, Green Lantern, Martian Manhunter and Wonder Woman beam down to the planet's surface.

BATMAN
 Spread out! We need to...

Martian Manhunter suddenly yells out and grabs his head in agony. He falls to his knees from the immense pain.

MARTIAN MANHUNTER
Ahh!

Batman rushes to help him.

BATMAN
 What's wrong? What's happening to
 you?

MARTIAN MANHUNTER
 So... many minds...

Martian Manhunter looks up at Batman as the pain finally begins to subside.

MARTIAN MANHUNTER (CONT'D)
 So many minds, it's as if millions
 of people just appeared. It was like
 an explosion in my head.
 (beat)
 I just need a moment.

Green Lantern holds up his ring as it glows bright.

GREEN LANTERN
 He's right. My ring says the
 population just increased
 dramatically, it practically doubled
 in an instant.

CYBORG (O.S.)
 Um... guys? You need to see this!

The Justice League turn and see the Metropolis skyline, but it looks nothing like it once did.

Martian Manhunter finally gets back on his feet to look as well.

The skyline is now an amalgamation of what it once was, with the rounded dome-top buildings found in the Dragonball Z universe.

GREEN LANTERN

What happened to Metropolis?

Batman looks at Cyborg and Green Lantern.

BATMAN

We need to figure out how extensive whatever's happening is. Cyborg, do a sweep of all media and anything else you can find. Lantern, contact the Corps to see if this is happening anywhere else.

Cyborg immediately gets a response.

CYBORG

I'm definitely getting weird reports from all over the world. There's widespread panic, but one nation is getting addressed by its leader to remain calm, but...

INSERT HOLOGRAM

He projects a small hologram showing a cat in a suit wearing glasses, it's KING FURRY.

CYBORG (O.S.) (CONT'D)

...he looks like a cat.

BACK TO SCENE

WONDER WOMAN

What?

Green Lantern gets a holographic message from SALAAK and KILOWOG, of the Green Lantern Corps, on his ring.

INSERT RING HOLOGRAM

SALAAK addresses Green Lantern.

SALAAK

Yes, we are getting reports from all over the universe. The universe's population seems to have doubled in size, but we have no idea how.

BACK TO SCENE

GREEN LANTERN

Thanks Salaak. Look into it and keep me posted if you find anything. I'll look on my end. Jordan out.

Cyborg looks at a small monitor on his forearm.

CYBORG

The new additions to the population have the same energy signature that was left when Superman vanished.

BATMAN

That means it's connected.

CYBORG

There's something else. There seems to be seven, new, very distinct signals all across the planet.

The Justice League look at Cyborg's holographic image. It shows an image of the globe with seven points blinking on different areas of the planet: South America, Russia, Scotland, Australia, Metropolis, Kansas countryside and a small island in the middle of the ocean.

Batman looks at the other team members.

BATMAN

It's the best lead we've got. Where's the closest signal coming from?

Cyborg looks at Batman.

CYBORG

Here, in Metropolis.

CUT TO:

EXT. BATTLE PLANET - DAY

Goku stretches as Superman stands there and looks at him, confused.

SUPERMAN

What are you doing?

GOKU

I'm stretching. Need to be ready if I'm going to defeat you.

Superman raises his eyebrow.

SUPERMAN
You're taking this well.

Goku stands straight up and looks at Superman with a smile.

GOKU
This is gonna be fun!

SUPERMAN
You can't be serious?

Goku drops into a fighting stance.

GOKU
Oh, yeah. You ready?

SUPERMAN
I guess. You start. I don't want to hurt you.

Without hesitation Goku charges Superman.

Goku lands a powerful, thunderous, right-punch across Superman's face.

Superman's head barely turns to the right from the impact.

Goku shakes his hand in pain and Superman lifts an eyebrow, unfazed, but surprised.

GOKU
Ow! Ow! Ow!

Goku blows on his knuckles.

SUPERMAN
You didn't even hesitate.

Goku holds his right hand with his left and rubs out the pain.

GOKU
If this is all we have to do to save our worlds, then I say let's give 'em a show.

Superman sees the logic, but is still shocked at the willingness of this seemingly harmless person.

SUPERMAN
I guess.

GOKU

I can sense how powerful you are
Superman, I knew you could handle my
attack. I just didn't realize how
hard you are.

SUPERMAN

So, if you really want to do this,
how can we do this without hurting
you? That was a powerful punch and
all, but...

Superman raises his hands implying he is much stronger.

GOKU

Don't worry about me, I can handle
it.

Goku smiles.

GOKU (CONT'D)

But, it's obvious I'll have to take
this up a notch.

Goku squats down a little and clenches both fists. His body
starts glowing.

GOKU (CONT'D)

Raa!

Energy engulfs Goku and creates a crater underneath his feet.

Goku's thick black hair shoots straight up and turns to a
golden color.

The energy pushes Superman back as he holds up his hands to
block the intense, blinding light radiating from Goku.

SUPERMAN

What?

The light and energy subsides and Superman looks in awe at
Goku's new, Super Saiyan appearance.

Goku's black hair is now golden and pointing straight up,
his black eyes have turned bluish-green and his body glows
with a golden aura. Small, electrical currents course
throughout his body and hair.

GOKU

Now, let's try that again.
(beat)
I suggest you be ready this time.

Goku charges at Superman and Superman drops to a defensive position.

GOKU (CONT'D)

Ah!

Goku lands a thunderous punch that shakes the very foundation of the planet.

Superman goes flying back from Goku's powerful punch.

Superman hits the ground hard, leaving a long impact crater and shattering dozens of tiles on the way.

Superman rubs his chin.

SUPERMAN

Okay... That one hurt. He's definitely stronger than I thought.

Superman looks up and sees Goku charging in for another attack.

Superman moves quickly and Goku punches the ground, shattering the earth and making an even bigger crater.

Superman flies above the ground to see the destruction Goku's punch left behind.

Superman can't believe how powerful Goku is. He seemed so innocent and carefree he never guessed Goku could be like this.

Superman looks back when he realizes Goku is behind him.

GOKU

Hi!

SUPERMAN

What? How did you--?

Goku swings to hit Superman, but Superman ducks and instinctually hits Goku in the stomach with an elbow.

Superman is panicked when he sees Goku flying back into the ground.

SUPERMAN (CONT'D)

Oh, no! It was a reflex!

Goku hits the surface, but immediately looks up from the crater with a big smile on his face.

GOKU
That was a great hit! I knew you
were strong!

Superman is shocked to see that Goku isn't even fazed.

SUPERMAN
(whispers)
Who is this guy?

CUT TO:

EXT. DBZU - WORLD OF THE KAIS

Old Kai sits and looks at his crystal ball while, an anxious,
Supreme Kai stands over him.

SUPREME KAI
What's happened out there? Everything
is so different.

OLD KAI
Hm. Our universe appears to have
joined with another universe somehow.
(beat)
Strange, but I've seen something
like this once before... a long time
ago.

Supreme Kai looks worried.

SUPREME KAI
I'd better get down there and see if
they need any help.

Old Kai holds up his hand to stop the Supreme Kai.

OLD KAI
No. We must wait and see the cause.
If it's what I believe it is, then
we'll need Goku. We need to find out
what's happened to him first.

Supreme Kai nods reluctantly. Then he looks around.

SUPREME KAI
Wait, if our universe joined with
another one, why didn't anything
change here? Wouldn't our world change
as well?

Old Kai plays with his mustache as he ponders the question.

OLD KAI
I'm not sure.

FADE TO:

EXT. DEEP SPACE - ORBIT OF PLANET OA

Debris from a destroyed planet floats aimlessly in space.

OLD KAI (V.O.)
Maybe there is no parallel planet in
their universe..

In the floating debris, a piece of the Citadel of the Guardians of the Galaxy floats by with a clear image of the Green Lantern Corps logo on it.

OLD KAI (V.O.) (CONT'D)
...or perhaps it was destroyed.

CUT TO:

EXT. DCU - METROPOLIS CITY - NIGHT

Lord Unity accompany's Lex Luthor as he looks around the newly transformed city of Metropolis.

LEX LUTHOR
This better be temporary. I liked my
Metropolis how it was.

LORD UNITY
I assure you it is. Now, you said
your suit has already picked up the
Dragonballs energy signature?

Lex looks at his forearm display.

LEX LUTHOR
Yes, I've already located all seven.
Like I said, I like to be prepared
for everything. It should actually
be..

INSERT MUSEUM SIGNAGE

They look up and see they've reached the Metropolis Historical Museum. It's closed for the evening, but a large banner reads 'Check Out Our New Gem & Mineral Exhibit!'

LEX LUTHOR (O.S.) (CONT'D)
...in there.

BACK TO SCENE

Lex Luthor blasts the doors open, sending glass and debris flying into the entrance walkway.

Lex and Lord Unity walk in and look around.

LEX LUTHOR (CONT'D)

It has to be here somewhere.

CUT TO:

EXT. DCU - METROPOLIS CITY

Cyborg looks at his scanner as he leads Batman, Green Lantern, Wonder Woman and Martian Manhunter to the entrance of the museum.

They see that the entrance has been destroyed.

CYBORG

Whatever's leaving the energy signature, it's in there.

GREEN LANTERN

Looks like it broke its way in.

Batman takes the lead and enters the dark museum.

BATMAN

Which way?

Cyborg points him in the right direction.

CYBORG

This way.

CUT TO:

INT. MUSEUM

Lex Luthor holds the Dragonball up and examines it closely. A display case nearby is shattered and filled with other precious stones.

LEX LUTHOR

Such a small thing. How can this be as powerful as you say?

BATMAN (O.S.)

Luthor!

Lex and Lord Unity turn and see Batman, Martian Manhunter, Wonder Woman, Cyborg, and Green Lantern approaching.

LEX LUTHOR

Time to leave!

Lex Luthor and Lord Unity beam out of the museum just as the Justice League reaches them.

MARTIAN MANHUNTER

They're disappearing, just like Superman!

CYBORG

The signal disappeared with them.

Batman looks at the display case.

BATMAN

At least we know we're on the right track.

(beat)

You said there were six more signals?

CUT TO:

EXT. GUATEMALA, CENTRAL AMERICA - DAY

A plane flies over South America.

CUT TO:

INT. BULMA'S PLANE - DAY

Bulma pilots the plane with the Z-Fighters, Piccolo, Vegeta, Yamcha and Krillin, piled in it. Piccolo and Vegeta look irritated at what little space they have to move around in.

KRILLIN

It's a good thing you brought your Dragon Radar, Bulma. We might need to call Shenron to fix this mess.

BULMA

I've been around you guys long enough to know to always keep it handy.

(beat)

The signal is coming from down there.

Beneath the plane is the Temple of Tikal.

The plane lands vertically, a safe distance away from the Temple.

The Z Fighters exit the plane. Bulma leads them as they look around. She looks at her Dragon Radar as she walks.

BULMA (CONT'D)

It looks like it might actually be
in the Temple itself.

CUT TO:

INT. LORD UNITY'S SPACE STATION

Lex Luthor looks closely at the monitors which have images
of the Justice League on them. The largest monitor shows the
Batwing flying next to Green Lantern and Martian Manhunter.

LEX LUTHOR

How did they catch on so quickly?

Lord Unity looks at Lex.

LORD UNITY

Perhaps they discovered the Dragonball
signals.

LEX LUTHOR

If that's the case then we had better
hurry.

Lex looks at the controls on the dashboard.

LEX LUTHOR (CONT'D)

We may need help in procuring the
rest of the balls before the League
does. I'm going to need you to show
me how this machine works.

CUT TO:

EXT. GUATEMALA, CENTRAL AMERICA - TEMPLE OF TIKAL - DAY

The Z Fighters, including Piccolo, Yamcha, Krillin, Vegeta
and Bulma look up and see the Batwing with Martian Manhunter
and Green Lantern coming in for a landing.

KRILLIN

Who's that?

After the Batwing lands, the canopy opens and Batman, Wonder
Woman and Cyborg exit the plane.

Krillin immediately notices Cyborg's cybernetics.

KRILLIN (CONT'D)

That one looks like one of Dr. Gero's
Androids. They could be Red Ribbon
Army! If so, then they're after the
Dragonball.

Cyborg's amplified hearing enables him to hear Krillin.

CYBORG

I assure you, we are not with any
army.

Vegeta steps forward aggressively.

VEGETA

Who cares who you are? The Dragonball
is ours.

Cyborg raises his hands to calm Vegeta down and let him know
he doesn't mean them any harm.

CYBORG

Calm down. We don't even know what a
Dragonball is.

(beat)

We'll get out of your way once we
get what we came for.

Vegeta raises a clenched fist near Cyborg's face.

VEGETA

You'll get out of my way now or I'll
blast you all.

Wonder Woman steps in front of Cyborg. She towers over Vegeta.

WONDER WOMAN

There's no need for threats little
man. Please, just calm down.

Vegeta refocuses his anger on her instead of Cyborg.

VEGETA

Little man? How dare you speak to
the Prince of all Saiyans like that!

Wonder Woman gets serious.

WONDER WOMAN

I said... calm down. Do not make me
restrain you.

Vegeta sees her lasso and laughs.

VEGETA

Hah! Restrain me? Don't make me laugh
woman!

Krillin knows Vegeta is being an ass and face-palms.

VEGETA (CONT'D)

Get out of my face woman, before I shove that rope up your...

KRACK! Wonder Woman punches Vegeta with a solid left that sends him flying.

Krillin and Yamcha can't believe their eyes.

Wonder Woman stands over Vegeta as he starts getting back on his feet. Ironically, she has the very pride that pisses her off about him.

WONDER WOMAN

Woman? I am an Amazonian Princess. Daughter of Queen Hippolyta, and no man talks to me like that.

VEGETA

I don't know why I can't sense your energy level, but it doesn't matter. Woman or not, that was a mistake you'll soon regret.

Vegeta goes Super Saiyan, his black hair goes golden and his eyes turn bluish-green. Wonder Woman covers hers eyes from the blinding light.

VEGETA (CONT'D)

Ra!

Vegeta punches Wonder Woman, sending her back into Cyborg and knocking them both down.

Krillin grabs Bulma and pushes her towards the Temple and away from danger.

KRILLIN

We gotta get you out of here Bulma!

Cyborg and Wonder Woman get back on their feet. Cyborg sees Krillin and Bulma making a run for the temple.

CYBORG

They're heading for the signal!

Wonder Woman and Vegeta stare each other down.

WONDER WOMAN

I got this, go!

Krillin looks back and sees Cyborg running after them, he yells at Bulma.

KRILLIN

You go get the Dragonball, I'll hold
him off.

Krillin runs back towards Cyborg.

CYBORG

Stop, I don't want to hurt you.

Cyborg raises his arm as it morphs into the White Noise
Cannon.

With Krillin's speed, he jumps up and kicks the cannon a
different direction.

KRILLIN

Funny, I couldn't tell with you
pointing a gun at me.

Yamcha tries to help Krillin by making a run at Cyborg.

YAMCHA

I'm coming Krillin!

Green Lantern flies over.

GREEN LANTERN

Where do you think you're going?

Green Lantern picks Yamcha up with a ring construct around
his waste to restrain him.

Fortunately for Yamcha, his arms are still free, so Yamcha
immediately puts his hands together and starts saying
'Kamehameha'.

YAMCHA

Kaaa-Meh-Haa-Meh...

Green Lantern looks confused.

GREEN LANTERN

What are you saying?

YAMCHA

...Haaaa!

Suddenly, a massive energy wave comes shooting out of Yamcha's
hands.

It forces Green Lantern to release him and put up a ring
construct shield to deflect the blast.

GREEN LANTERN

Whoaa!

Yamcha lands safely on the ground.

Batman has taken off on his own somewhere.

While Wonder Woman and Vegeta fight and Green Lantern and Yamcha fight, Martian Manhunter glances over and sees Piccolo in the distance.

Piccolo, is wrapped in his white cape and turban and just watches as the others fight. Manhunter only sees his green face from afar.

MARTIAN MANHUNTER

(whispers)

It can't be! Is he...?

Martian Manhunter approaches Piccolo and talks to him telepathically.

MARTIAN MANHUNTER (CONT'D)

(telepathically)

Are you a Martian?

Piccolo has a surprised look on his face, then realizing his mind was invaded, Piccolo becomes enraged.

PICCOLO

Stay out of my head!

Piccolo swings to punch at Manhunter, but Manhunter phases out and the punch goes right through him like air.

Gaining the advantage after the swing, Manhunter becomes solid again, grabs Piccolo and puts him in a Full Nelson.

MARTIAN MANHUNTER

Stop this!

PICCOLO

Get off of me!

Piccolo breaks free and slams his head backwards to smash into Manhunter's nose.

Vegeta attacks Wonder Woman, but she blocks his punches with her bracelets.

But then, Vegeta lands a solid punch to her face.

She wipes blood from her lip and looks at it and becomes even more enraged. She cracks him in the face with a solid punch of her own.

Then she uses her lasso to catch him by the wrist and slams his body into the ground with earth-shaking ferocity.

Wonder Woman stands over what looks like an unconscious Vegeta.

WONDER WOMAN
Have you had enough?

Vegeta looks up and smiles. He pulls the lasso off his wrist.

VEGETA
I'm just getting started woman.

He charges towards her.

VEGETA (CONT'D)
Ra!

CUT TO:

INT. TEMPLE OF TIKAL

Inside the temple, Bulma finds the Dragonball with her radar.

BULMA
There it is!

She picks it up, but is startled when Batman yells at her from behind.

BATMAN (O.S.)
Put it down... Now!

She turns and sees the Dark Knight glaring down on her. She looks terrified.

BATMAN (CONT'D)
What does Lex Luthor want with that?

She's scared, but knows they need the ball.

BULMA
Wh-who? W-we... need this.

Batman looks down at her with analyzing eyes.

CUT TO:

EXT. GUATEMALA, CENTRAL AMERICA - TEMPLE OF TIKAL - DAY

Cyborg throws Krillin back with a blast from his White Noise Cannon.

Krillin lands on his feet and immediately counterattacks. He raises his hand up in the air and a disc of light forms.

KRILLIN
Destructo Disk!

Krillin fires it but Cyborg dives out of the way and fires another energy blast at Krillin. Krillin dodges it.

Green Lantern captures Yamcha in another construct, this time restraining his arms.

Piccolo and Martian Manhunter are ferociously fighting each other.

Wonder Woman and Vegeta are going, earth-shaking blow for earth-shaking blow.

Vegeta takes a step back.

VEGETA
I have never seen a woman as powerful
as you before. You would've made a
great Saiyan warrior.
(beat)
It's almost a shame I have to kill
you.

WONDER WOMAN
Keep talking little man.

They charge at each other again.

Batman and Bulma run out of the temple shouting at the others.

BATMAN
Stand down.

BULMA
Guys stop!

Krillin and Cyborg stop and look over at them. Martian Manhunter and Piccolo untangle and give each other distance. Green Lantern looks over, but keeps Yamcha in his ring construct.

Everyone has stopped and yet the Earth continues to tremble as Vegeta and Wonder Woman continue to trade impressive blows.

Batman and Bulma look over and see them still fighting. Batman looks closely at Vegeta's fighting style with interest.

Batman and Bulma finally yell at them again.

BULMA (CONT'D)
Stop it this instant Vegeta!

BATMAN

Wonder Woman! I said stand down!

Vegeta and Wonder Woman stop, but stay in their defensive positions as they reluctantly look back at Batman and Bulma.

BATMAN (CONT'D)

We have information you both may want to hear.

Batman approaches them as Vegeta and Wonder Woman relax their stances. They still glare at one another with contempt.

CUT TO:

EXT. GUATEMALA, CENTRAL AMERICA - TEMPLE OF TIKAL - DAY

Krillin, Yamcha, Piccolo and Vegeta are gathered with Martian Manhunter, Green Lantern, Cyborg and Wonder Woman as Batman and Bulma talk.

BULMA

So, you guys are trying to collect the Dragonballs but you don't even know what they are? Or what they can do?

BATMAN

We didn't realize we were chasing... Dragonballs, until we got here.

Green Lantern tries his best to hold back laughter.

GREEN LANTERN

She said Dragon balls? Ha!

Batman shoots Green Lantern a look that shuts him up quick. Cyborg addresses Bulma.

CYBORG

We thought whatever was leaving that signal had something to do with our friend vanishing... and caused whatever happened to the planet.

Bulma looks at Batman.

BULMA

Our friend vanished as well. But, the Dragonballs aren't responsible for any of it.

(beat)

They could be the solution though.

BATMAN

How so?

BULMA

If you collect all seven balls, you can summon the Eternal Dragon, Shenron, and he'll fulfill any two wishes you desire.

CYBORG

That explains what Lex wants them for.

Cyborg looks at Krillin.

CYBORG (CONT'D)

Lex Luthor is an evil, greedy man. Not exactly the kind of person you'd want to get their wish fulfilled.

KRILLIN

Then maybe we should split up, so we can collect them before he can. There are 10 of us and only one of him.

FADE TO:

EXT. BATTLE PLANET - DAY

The entire fighting ring is destroyed. Goku and Superman look battle-ravaged. Their clothes are tattered and they are panting from being out of breath.

Goku smiles.

GOKU

Isn't this exciting?

SUPERMAN

Exciting? I can't stand violence and I hate the thought of hurting anyone.

GOKU

I knew you were holding back. I don't want to hurt anyone either, but isn't it exciting to see who the best is? To know you can really let loose and to test your skill for fun against someone that isn't just trying to kill you? Fighting isn't always about hate. It can be about skill and competition too.

Superman tilts his head in contemplation.

SUPERMAN

I never thought of it like that.
But, I can't go all out, if I do,
people can get hurt.

GOKU

I can tell from your Ki you're a
good person Superman, but I promise
you, there's no reason to hold back
with me.

Superman thinks about it.

SUPERMAN

Actually, I have wondered just how
far I could push myself. I've never
actually done before.

(beat)

And you think you can handle it if I
go all out?

Goku lights up with enthusiasm.

GOKU

Are you kidding? I'm excited to see
what you can do!

(beat)

Besides, this is a chance to save
both of our worlds.

MATCH CUT:

INT. LORD UNITY'S SPACE STATION

Goku and Superman continue their conversation on a monitor.

SUPERMAN

Okay, but only if you promise you'll
let me know if I go too far.

GOKU

Deal! Ready?

SUPERMAN

Ready?

Goku and Superman charge at each other as Lex Luthor watches
the monitors.

LEX LUTHOR

As you can see, Superman has his
hands full. But, the rest of the
Justice League are trying to collect
the orbs as well.

Lex turns around and sees BLACK ADAM, DEATHSTROKE, SOLOMON GRUNDY, and SINESTRO.

LEX LUTHOR (CONT'D)

That's where you come in.

FADE TO:

EXT. GUATEMALA, CENTRAL AMERICA - TEMPLE OF TIKAL - DAY

Batman, Cyborg and Bulma are huddled together working on something. Krillin is suspicious of the League members and stays close to guard Bulma.

BULMA

It's a good thing I had these extra components with me.

Vegeta, with his black hair again, and Wonder Woman stare each other down, while Green Lantern stares at Bulma's butt and Yamcha gawks at Wonder Woman.

Piccolo and Martian Manhunter converse. Martian Manhunter is very curious about Piccolo, but Piccolo exhibits very little interest in Manhunter.

MARTIAN MANHUNTER

You said you have regenerative abilities as well?

PICCOLO

Yes.

MARTIAN MANHUNTER

It amazes me we can have such similar abilities, and yet you're not Martian.

Bulma looks down on their project with a big smile.

BULMA

That should do it! Man, I'm good!

Batman, Cyborg and Bulma get everyone's attention. Yamcha and Green Lantern are standing by one another.

BATMAN

Okay everybody, we managed to put together 3 more of Bulma's Dragon Radars. We're going to split up into pairs.

GREEN LANTERN AND YAMCHA

(in unison)

Dibs on the hot chick!

Green Lantern and Yamcha look at each other, surprised.

An irritated Batman gives them both a stern look.

BATMAN

I'll pick the teams. Since I don't know you people, I want someone from each of our universes paired up.

(beat)

Lantern, you and your new best friend there, take one of the radars.

Batman points at Piccolo and Martian Manhunter.

BATMAN (CONT'D)

You two take one.

Batman looks back at Krillin and Cyborg.

BATMAN (CONT'D)

Cyborg you can detect the Dragonballs, so you take Krillin.

Vegeta steps forward, aggressively.

VEGETA

And who are you to decide?

Batman fearlessly looks at Vegeta.

BATMAN

You're partner, that's who.

An aggravated Vegeta looks at Batman.

VEGETA

What? You can't be serious?

BATMAN

There's no one else.

Batman looks at Wonder Woman near Vegeta. She's still glaring at him, just waiting for him to do something stupid.

BATMAN (CONT'D)

I'm certainly not pairing you with Wonder Woman. I don't need the two of you killing each other while Lex is collecting the other Dragonballs.

Krillin and Bulma both speak up.

KRILLIN

Good idea.

BULMA

Mm-hmm.

Vegeta starts walking away from the group.

VEGETA

I'll go alone. I won't waste my time
with the weakest among you.

BATMAN

Wait!

Vegeta looks back, amazed at Batman's audacity.

VEGETA

What did you just say to me?

Batman gets in Vegeta's face.

BATMAN

Somehow you can sense people's power
levels, right? Except, I heard you
say, for some reason you can't sense
Wonder Woman's. Did it ever occur to
you that perhaps it's different in
this universe? And that, perhaps
I'm much more powerful than I appear?

(beat)

I am with these people for a reason.

Vegeta narrows his eyes as he considers the possibility.

BATMAN (CONT'D)

Now, I have the last radar, so you
can either join me or you can stay
here on your own.

Vegeta crosses his arms.

VEGETA

Fine.

Batman looks at Bulma.

BULMA

Bulma, use your Dragon Radar and
take Wonder Woman with you, she'll
protect you.

(beat)

Now let's go everyone.

CUT TO:

EXT. BATTLE PLANET - DAY

Goku throws a reverse elbow, but Superman blocks it with both hands.

Superman flies backward to give himself some distance from Goku.

SUPERMAN

You know, I usually just depend on my strength, but you're not only strong, you're an amazing fighter as well.

GOKU

Thanks!

Goku flies into the air in front of Superman.

SUPERMAN

It's a good thing Batman showed me some techniques, otherwise I don't know how well I'd be doing against someone like you.

Goku smiles.

GOKU

I still feel like you're holding back though. Don't. I still got a few tricks left myself.

Superman smiles.

SUPERMAN

I'm beginning to see why you find this so exhilarating.

The massive monitors appear in the air again and interrupt their battle. Lord Unity addresses the two of them.

LORD UNITY

Excellent. But, I'm quite aware of both of your power levels and I can see you are both still holding back.

(beat)

If you intend for both of your worlds to survive, then I suggest you end the warm-up round.

Superman's smile fades into a scowl. He addresses Goku while still staring at the monitors.

SUPERMAN

As fun as this is, we can't just keep being pawns in his game.

GOKU

You said yourself that you have friends out there that'll be looking for you right?

Superman looks back at Goku.

SUPERMAN

Yeah.

GOKU

So do I. If you trust them as much as I trust mine, then the best thing we can do is buy them time to find us.

Superman considers Goku's words carefully.

SUPERMAN

Hmm. Agreed.

Goku looks at Superman and smiles.

GOKU

Then let's really entertain them.

Goku starts charging up again. He yells as he gets more power.

GOKU (CONT'D)

Ah!

Goku's hair grows in length.

Superman has to cover his eyes again as the light becomes blinding.

Moments later, the light subsides and now Goku is a Super Saiyan 3.

His golden hair passes the small of his back and his eye brows have disappeared.

SUPERMAN

How many changes do you have?

Goku charges Superman with a smile.

Their hands interlock as Goku pushes Superman back towards the ground.

Superman manages to stay on his feet when they hit the ground together. But, the energy creates a massive crater beneath them.

CUT TO:

EXT. THE HIGHLANDS OF SCOTLAND

Cyborg and Krillin fly side-by-side over plush, mountainous highlands as they try to locate the third Dragonball.

Cyborg looks over at Krillin.

CYBORG

I wanted to apologize.

Krillin looks back at cyborg.

KRILLIN

For what?

CYBORG

You were right back there. I shouldn't have pointed my White Noise Cannon at you before we tried talking.

KRILLIN

It's okay. With everything that's happened, I was on the defensive too. Besides, Vegeta wasn't exactly friendly. I'm just glad you're on our side, that cannon of yours packs a punch. And I've seen some pretty powerful stuff.

CYBORG

Are all of your friends as powerful as you are?

KRILLIN

With how fast everything happened, we don't even have most of our friends with us, but most of them are more powerful than me actually, especially Goku and Vegeta... not that Vegeta's really a friend or anything. To be honest, I think I'm way over my head most of the time.

Cyborg nods understandingly.

CYBORG

Tell me about it. I'm pretty new to the Justice League, so I'm just a
(MORE)

CYBORG (CONT'D)
rookie, but I can tell you, some of them are really powerful. Especially Superman, our friend that disappeared.

KRILLIN
Our friend that disappeared, Goku, is the most powerful in our group too. That's gotta mean something, right?

CYBORG
With Lex involved, you can bet it does.

BEEP! Cyborg's computer alerts them a Dragonball is near. He looks at his forearm radar.

CYBORG (CONT'D)
It's down there somewhere.

They land in, what looks like a particularly mountainous area. Krillin looks around.

KRILLIN
Great. It could be anywhere down here.

As they climb a hill with Cyborg in the lead, Krillin looks at Cyborg's cybernetics.

KRILLIN (CONT'D)
So, what's with the cybernetics anyway?

Cyborg stops and looks down, almost embarrassed of how he looks.

CYBORG
It's... a long story.

Krillin feels guilty.

KRILLIN
I'm sorry. I should've minded my own business.

Cyborg looks back at Krillin.

CYBORG
No, it's fine.

Cyborg holds up his hand and looks at his own cybernetics.

CYBORG (CONT'D)

It's just, for the longest time they made me feel less like a human and more like a monster. Not just physically, but like I lost the thing inside of me that made me who I was. Ya' know?

Krillin puts his hand on Cyborg's shoulder.

KRILLIN

Well, I think they're pretty cool and you seem like a great guy to me Cyborg. You don't always have to be human to be the most human... you know what I mean?

Cyborg has a shy, bashful smile on his face.

CYBORG

Thanks Krillin.

They start walking again.

CYBORG (CONT'D)

To be honest, I think my cybernetics actually helped me find my place in the world, by helping the others in the League.

KRILLIN

My wife said something similar. She's actually an Android ya' know? And I wouldn't trade her for the world.

Cyborg stops dead in his tracks.

CYBORG

Your wife's an android?

Krillin looks back at him with a smile.

KRILLIN

Yep... and we even have a kid together now too.

CYBORG

How did you two...

Krillin raises an eyebrow.

KRILLIN

That's also a long story.

Suddenly, a boulder smashes into Cyborg and Krillin. It shatters on impact and knocks them both down.

Cyborg and Krillin pick themselves up off the ground.

CYBORG

You okay?

KRILLIN

Yeah. What the heck happened?

CYBORG

He happened.

Cyborg points behind Krillin. Krillin looks back and sees Solomon Grundy, pulling another massive boulder out of the ground to throw at them. He yells as he pulls the rock from the ground.

SOLOMON GRUNDY

Ra!

CUT TO:

EXT. SOMEWHERE ABOVE THE INDIAN OCEAN - NIGHT

Piccolo and Martian Manhunter fly through dark and cloudy skies. It looks as if a storm is coming. They locate a small island and land on it to search for the fourth Dragonball.

Manhunter is intrigued by Piccolo.

MARTIAN MANHUNTER

You said there are others, like you,
on this planet... Namek?

Piccolo looks at Martian Manhunter.

PICCOLO

Yes, but only a handful.

MARTIAN MANHUNTER

Why don't you live among them?

Piccolo is prideful and looks away.

PICCOLO

They're a peaceful people, I'm a
fighter. I don't really belong.

Manhunter looks up towards the sky and closes his eyes. He envisions what he believes to be a perfect life.

MARTIAN MANHUNTER

Peaceful, on a world to call your own?

(beat)

Sounds like paradise. What I wouldn't give to be among my people like that.

Piccolo looks at him.

PICCOLO

Then why aren't you?

Manhunter looks back at Piccolo, then down at the ground with a solemn expression.

MARTIAN MANHUNTER

They all died, a long time ago.

Piccolo looks away as he considers his own past.

PICCOLO

I know what it's like to be alone. For the longest time I thought I was the only one of my kind as well. I was very surprised when I discovered the others.

Piccolo looks back at Manhunter.

PICCOLO (CONT'D)

Perhaps one day, you too will be surprised.

MARTIAN MANHUNTER

Perhaps. Still, until that day, I wouldn't mind seeing Namek.

BEEP! BEEP! BEEP! Piccolo looks at the Dragon Radar as it blares at him.

INSERT DRAGON RADAR.

The Dragon Radar alerts them that they are very close.

PICCOLO (O.S.)

Look around, it should be here somewhere.

BACK TO SCENE

Piccolo soon finds it in the sand.

PICCOLO (CONT'D)

Got it!

Suddenly lightning bolts pierce, both, Martian Manhunter and Piccolo right through their chests.

Both of their bodies fall to the ground, fried to a crisp and the Dragonball rolls out of Piccolo's fried hand.

Another hand reaches to pick it up. BLACK ADAM stands over both of their fried bodies and holds the Dragonball close to his face to get a better look at the orb. Lighting surrounds him as if he is living energy.

BLACK ADAM

So, this is a Dragonball?

(beat)

I see now why Luthor wants it. It truly is a jewel worthy of a god.

CUT TO:

EXT. RUSSIA - DAY

The Batwing flies over the icy mountains of Russia.

Batman pilots, while a grumpy Vegeta sits in the passenger seat with his arms crossed, anxious to find the fifth Dragonball.

VEGETA

This is ridiculous, why don't we just fly there?

BATMAN

We didn't have the resources to build another Dragon Radar. We could only program the Batwing's computer to locate the Dragonballs.

After an awkward silence, Batman looks over at Vegeta.

BATMAN (CONT'D)

I've never seen someone go head to head with Wonder Woman like that and come out without a scratch.

Vegeta looks out the passenger side window.

VEGETA

She's a weakling, just like the rest of you.

Batman looks forward again as he flies the plane.

BATMAN

We both know that's not true, but
there's power and then there's skill.
I know a skilled fighter when I see
one and you're an exceptionally
skilled fighter.

Suspicious of the compliment, Vegeta looks at Batman.

BATMAN (CONT'D)

I also know you would be even better
if you could control your anger.

Vegeta looks forward again.

VEGETA

Oh, shut up!

BEEP! The computer dashboard of the Batwing alerts them a
Dragonball is near.

BATMAN

We're here.

The Batwing makes a vertical landing. They exit and silently
walk around the icy terrain.

Batman sees the Dragonball frozen in a wall of ice.

BATMAN (CONT'D)

Is that it?

VEGETA

Yes.

Vegeta pushes his way passed Batman.

VEGETA (CONT'D)

Move. I'll get it.

Suddenly, something small and red flies down and buzzes around
Vegeta's head like a annoying insect.

VEGETA (CONT'D)

What is this?

Vegeta waves his hand to shoo it away.

VEGETA (CONT'D)

Get away from me!

The RED LANTERN RING speaks to him.

RED LANTERN RING

Vegeta of the planet Vegeta, you
have great anger in your heart.

Batman's eyes widen because he knows what it is.

BATMAN

Don't let it touch you!

VEGETA

I said, get away from me!

Vegeta quickly blasts the red ring into ashes.

SINESTRO (O.S.)

You really should not have done that...

Batman and Vegeta turn around and see SINESTRO as he descends
from the sky like an angel of darkness.

SINESTRO (CONT'D)

...had you accepted the ring, you might
have actually had a fighting chance.

CUT TO:

EXT. KANSAS - WHEAT FIELDS - DAY

Bulma flies Wonder Woman over wheat fields in a plane she
had stored in her Capsule pack. They search for the sixth
Dragonball.

Wonder Woman examines the Dragon Radar then looks at Bulma.

WONDER WOMAN

You said you invented this Dragon
Radar device?

BULMA

Yes I did. Man, it feels like a
lifetime ago.

Wonder Woman reaches for the Capsule pack on the dashboard.

WONDER WOMAN

And the technology that houses this
plane in these tiny capsules?

Bulma looks over at Wonder Woman.

BULMA

Actually, my dad invented that, but
I do run the company.

Wonder Woman looks at Bulma again.

WONDER WOMAN

It is an honor to stand by such an accomplished woman. You would be a welcome addition to the sisterhood of Paradise Island.

Bulma has a baffled look on her face.

BULMA

Um, I'm not sure what that means, but thanks... I think.

BEEP! The Dragon Radar alerts them that a Dragonball is near.

BULMA (CONT'D)

Sounds like we're here.

Bulma lands the plane vertically near the wheat fields. They exit the plane and while holding the Dragon Radar, Bulma leads Wonder Woman.

Bulma looks to her left.

BULMA (CONT'D)

It should be over in this direction.

As they walk, Bulma looks over at Wonder Woman.

BULMA (CONT'D)

I know you don't like him much, but Vegeta's not really as bad as you think.

Wonder Woman's blood starts boiling.

WONDER WOMAN

That little man! How do you all put up with him?

BULMA

I admit he has a rough exterior and can be a little hot headed sometimes.

Bulma looks up at the sky with a giddy, smitten expression.

BULMA (CONT'D)

But, he has to be that way. He has to be prideful and confident at all times... after all he is a Prince.

Wonder Woman's eyes widen with worry.

WONDER WOMAN

Oh, no. Don't tell me that the two
of you..?

Bulma tilts her head, squints one eye and shrugs her shoulders
to reluctantly confirm.

Wonder Woman face-palms.

WONDER WOMAN (CONT'D)

No! How can a woman of such great
intellect lower herself to such a
man?

Bulma gives Wonder Woman a serious look.

BULMA

I'll have you know, he is very loyal
and extremely ambitious.

(beat)

He just leaves a bad first impression
because he's a little... abrasive.

CUT TO:

EXT. RUSSIA

Sinestro looks down on Batman and Vegeta from the air.

Batman is in a fighting stance, but Vegeta stands there
casually with his arms crossed. He has a smirk on his face.

VEGETA

Well, well, well, what do we have
here? Another weakling who thinks
he's a warrior?

Sinestro ignores the comment and holds out his hand.

SINESTRO

The orb is mine. You have one chance
to hand it over and leave while you
still can.

Batman looks at Vegeta, as he glares up at Sinestro.

BATMAN

We need that Dragonball. Do you think
you can handle him alone while I get
it?

Vegeta tilts his head back as he laughs out loud.

VEGETA

Please! Don't make me laugh.

Vegeta looks at Batman.

VEGETA (CONT'D)

I am a real warrior, I prefer to
fight alone. You would just get in
my way.

Vegeta looks back at Sinestro. Batman cracks a small smile. He knew prideful Vegeta would fall for that manipulation.

Vegeta steps forward to face Sinestro.

Batman uses a small laser to start melting the ice and reach the Dragonball.

VEGETA (CONT'D)

I'm sorry to tell you, we will be
taking the Dragonball for ourselves.

Vegeta smirks.

VEGETA (CONT'D)

But, unlike you... I won't be giving
you a chance to leave.

Sinestro, unfazed and un-intimidated looks down at Vegeta.

SINESTRO

Well then, you have been warned.

From out of nowhere, a yellow ring-construct that looks like an alien anvil of sorts, crashes down to crush Vegeta.

Sinestro looks forward and sees Vegeta moved so quickly that he evaded the ring-construct and is already in the air ready to attack.

But to Vegeta's surprise, Sinestro immediately captures him in a yellow, bubble ring-construct.

VEGETA

What?

Sinestro slams the bubble with Vegeta still inside it into the ground with so much force it shatters the ice and ground below.

Vegeta looks to be unconscious in a massive crater.

CUT TO:

EXT. KANSAS - WHEAT FIELDS -DAY

Bulma walks through the wheat fields, looking at the ground as she walks.

BULMA

Of course. It can never just be easy.

INSERT DRAGONBALL

The Dragonball lays on the ground tucked in the stalks of wheat.

BULMA (O.S.) (CONT'D)

Oh, wow! There it is!

BACK TO SCENE

Bulma holds the Dragonball up in the sky.

BULMA (CONT'D)

Wonder Woman! I found it!

Bulma is terrified when she realizes a sword is at her neck.

BULMA (CONT'D)

Wha--?

She looks over and sees DEATHSTROKE.

DEATHSTROKE

Now, be a good girl and hand that over.

Bulma squeezes her eyes closed and shrieks at the top of her lungs.

BULMA

Help!

Deathstroke tilts his head as he looks at her. He's amazed at the pair of lungs on her.

He shakes it off.

DEATHSTROKE

Shut up!

She keeps on screaming as loud as she can.

He's had enough and he draws his sword back to strike with a killing stroke.

DEATHSTROKE (CONT'D)

I said... Shut. Up!

He slashes down at her, but, CLANG, Wonder Woman deflects his sword with one of her bracelets.

Wonder Woman punches him across the face causing Deathstroke to take a couple steps back.

Bulma opens her eyes when she realizes she's still alive.

BULMA

Hm?

WONDER WOMAN

Deathstroke? What are you doing here?

Deathstroke keeps a safe distance while he composes himself.

DEATHSTROKE

I'm here for the orb.

WONDER WOMAN

But you're a mercenary, what would you...

Wonder Woman has a look of realization on her face.

WONDER WOMAN (CONT'D)

Luthor hired you!

DEATHSTROKE

Sorry, I don't divulge the identities of my clients. Bad for business.

Deathstroke points his sword at her.

DEATHSTROKE (CONT'D)

Now, hand it over.

Wonder Woman drops into a defensive position.

WONDER WOMAN

You'll get it over my dead body.

DEATHSTROKE

If you insist.

Deathstroke charges towards her with his sword ready to strike.

CUT TO:

EXT. THE HIGHLANDS OF SCOTLAND

Krillin and Cyborg dive for cover behind different rocks as another boulder thrown by Solomon Grundy comes crashing down.

Cyborg peaks out from behind his rock and fires a shot from his White Noise Cannon. SKREE!

Solomon Grundy takes the blast, but it just angers him further.

SOLOMON GRUNDY

Gra!

Solomon Grundy tosses another boulder at Cyborg.

Cyborg takes cover as the boulder smashes on the rock giving him cover. He stays down and leans against another rock.

CYBORG

Watch out Krillin, this guy is powerful!

Krillin peaks out from behind his rock.

KRILLIN

I see that.

Krillin sniffs the air. SNIFF, SNIFF.

KRILLIN (CONT'D)

And he smells terrible too. I haven't smelled anyone that that bad since I fought Bacterian.

Cyborg gets out from behind the rock to fire again. SKREE!

CYBORG

Makes sense, I think he's a zombie. How did you beat Bacterian?

Krillin has a funny look on his face, embarrassed to answer.

KRILLIN

Actually... I farted on him.

Cyborg is so dumbfounded and unsure he heard that correctly that he completely drops his guard and looks over at Krillin without even taking cover.

CYBORG

What? You've gotta be kidding..

Cyborg is hit and knocked to the ground by another boulder. Krillin's eyes widen.

KRILLIN

Are you okay?

Cyborg composes himself and dives behind the rock again.

CYBORG

Yeah, just caught me off guard.

(beat)

Um, I don't think that tactic will work against this guy Krillin.

Cyborg sees Krillin run out from cover and towards Solomon Grundy.

KRILLIN

I'm going to try something else. You get the Dragonball.

CYBORG

Right! Be careful!

CUT TO:

EXT. SOMEWHERE ABOVE THE INDIAN OCEAN - NIGHT

Black Adam flies through the rain storm over a small batch of islands. The waves in the ocean are chaotic.

In the air, up ahead in the distance, there's a silhouette of a man.

BLACK ADAM

What's this?

KRA-KOOM! Black Adam stops when lightning flashes and reveals that the silhouette ahead, is a fully regenerated Piccolo.

PICCOLO

You didn't really think it was going to be that easy did you?

Then, Black Adam looks back and sees that the Martian Manhunter is behind him now as well. He too, is fully regenerated.

Black Adam is surrounded, with Manhunter on one side and Piccolo on the other, but he simply smirks.

BLACK ADAM

Come then.

(beat)

If you are so determined to die.

Without hesitation, Piccolo punches Black Adam across the face, just as lightning flashes nearby.

Black Adam quickly punches Piccolo back across the face with such power that it sends him into one of the small islands below.

Black Adam quickly spins around and reverse kicks Martian Manhunter in the stomach, sending him back.

Lightning starts shooting out around Black Adam, even from out of his eyes. He's about to strike them both with lightning attacks again.

Piccolo looks up from the island and braces himself for Black Adam's assault.

PICCOLO

Look out! He's going to fire again!

But, to Piccolo's surprise, Black Adam suddenly grasps at his head in agony.

BLACK ADAM

Argh!

A baffled Piccolo looks over at Martian Manhunter. Manhunter has both hands to his own temples. He has Black Adam in a psychic hold.

PICCOLO

Hurry, I can't hold him much longer,
his mind is too strong.

Piccolo quickly puts his right index and middle finger to his forehead and powers up.

PICCOLO (CONT'D)

Special... Beam...

Piccolo unleashes a massive energy beam from his two fingers when he points them at Black Adam.

PICCOLO (CONT'D)

Cannon!

The blast knocks Black Adam out of the sky.

He falls to the same island as Piccolo. When he hits the ground he leaves a massive impact crater.

Martian Manhunter quickly flies down to the surface.

Piccolo and Martian Manhunter find Black Adam unconscious with the Dragonball lying next to him.

MARTIAN MANHUNTER

He won't stay out for long.

Piccolo picks the Dragonball up.

PICCOLO

Let's get this to the others.

CUT TO:

EXT. KANSAS - WHEAT FIELDS -DAY

KLAANG! Wonder Woman catches Deathstroke's sword with her bracelets by crossing her wrists together when he attempts a killing, downward stroke.

While holding the sword, she turns her body and kicks him in the stomach, forcing him to let go of the sword.

Bulma is in the background and she looks scared, until she remembers her capsule pack. She quickly pulls out a capsule.

Wonder Woman jumps on top of Deathstroke and starts punching his face, hit after hit after hit.

Deathstroke manages to get a solid hit in that knocks Wonder Woman to the ground.

With Wonder Woman on her back, Deathstroke grabs his sword.

While holding the sword with both hands, Deathstroke goes to impale Wonder Woman while she's still down.

Suddenly, Deathstroke is electrocuted. ZZTT! Electricity courses throughout his body, causing him to tense up everywhere and drop his sword.

DEATHSTROKE

Argh!

Wonder Woman quickly seizes the moment and punches Deathstroke out with a solid punch to the chin.

With Deathstroke unconscious, Wonder Woman looks up and sees Bulma holding a big ass gun. Bulma smiles proudly as the barrel of the gun smokes.

BULMA

I started keeping this bad boy in one of my capsules.

Bulma looks down at Deathstroke's smoking, unconscious body.

BULMA (CONT'D)

You know, for not liking Vegeta, you sure do remind me of him.

Wonder Woman glares at a smiling Bulma.

WONDER WOMAN

Don't ever say that again. I'm nothing like him.

BULMA

I don't know, you almost seemed to enjoy that. Vegeta loves...

WONDER WOMAN

Ah! Don't.

Bulma chuckles.

CUT TO:

EXT. AUSTRALIAN OUTBACK

Lex Luthor and Lord Unity appear on the planet's surface and begin searching for the seventh Dragonball.

LEX LUTHOR

It should be here somewhere.

Lex finds the Dragonball in an ostrich nest.

LEX LUTHOR (CONT'D)

That was easy.

Lex looks back over at Lord Unity. Lord Unity is uninterested because he is looking at his hands and shaking his fingers.

LORD UNITY

It's finally working!

He gets a maniacal grin on his face.

LORD UNITY (CONT'D)

I'm becoming flesh! At last!

Lex looks concerned.

LEX LUTHOR

What are you talking about? I thought we needed all seven Dragonballs for that to happen.

Lord Unity looks at Lex Luthor with a look of absolute evil.

LORD UNITY

That's what I wanted you to believe.

He laughs maniacally.

CUT TO:

EXT. SKY ABOVE THE AUSTRALIAN OUTBACK

Green Lantern and Yamcha fly side-by-side over the Outback as they, too, search for the seventh Dragonball.

Green Lantern looks over at Yamcha.

GREEN LANTERN

Tell me about that girl, Bulma? She's hot.

Yamcha shakes his head. Then looks back at Green Lantern.

YAMCHA

Forget about her. She's hot and super smart, but believe me, she's high maintenance. I know, I used to date her.

(beat)

Besides, she's with Vegeta now.

Green Lantern looks forward again.

GREEN LANTERN

Figures... girls always go for the bad boy.

YAMCHA

Yeah, they do.

(beat)

What about that girl with the tiara and rope? You two ever..?

Green Lantern laughs.

GREEN LANTERN

Nah. Not for lack of trying though. She's the exception to the rule. She only dates boy scouts like Superman. Definitely not into bad boys.

YAMCHA

That's too bad, but probably love Goku then... but Goku's married.

BEEP! The radar alerts them that the Dragonball is near.

YAMCHA (CONT'D)

It should be down there.

They land and Yamcha looks at the Dragon Radar with confusion.

YAMCHA (CONT'D)

The signal just disappeared.

Green Lantern sees a silhouette of someone crawling and moaning on the ground up ahead.

GREEN LANTERN

Over there!

They rush over and Green Lantern realizes it's LEX LUTHOR that's crawling and looking at the ground.

GREEN LANTERN (CONT'D)

Luthor!

While still looking at the ground, Lex replies with a frail voice.

LEX LUTHOR

Quickly... where's Batman?

Lex Luthor finally looks up. His looks as if he's aged 100 years. He's crawling because he is so frail and weak.

GREEN LANTERN

What the? Luthor?

LEX LUTHOR

Batman?

GREEN LANTERN

He... he's not here.

LEX LUTHOR

(weakly)

Then... we're doomed. Unity... he's going to kill everyone.

CUT TO:

EXT. THE HIGHLANDS OF SCOTLAND

Solomon Grundy throws a backhand, but Krillin jumps so high he avoids it.

KRILLIN

No you don't!

(beat)

Destructo Disk!

Krillin throws his Destructo Disk while still in the air. The disk cuts Solomon Grundy's arm off.

SOLOMON GRUNDY

Rarg!

Krillin lands on the ground and smiles.

KRILLIN

Yes!

Grundy picks his arm up off the ground and Krillin watches as the arm reattaches itself.

KRILLIN (CONT'D)

Ewww, gross!

CYBORG comes back holding up the Dragonball.

CYBORG

I got it!

Krillin sees Cyborg, while ducking from another swing by Solomon Grundy.

KRILLIN

Great! Get your cannon ready, we'll do it together! On my mark.

Krillin jumps over to Cyborg and puts his hands together to launch a Kamehameha wave.

KRILLIN (CONT'D)

Ka-me-ha-me... Now! ...Ha!

Cyborg fires his cannon and Krillin fires his Kamehameha Wave simultaneously, the combined power is a massive energy blast that knocks Solomon Grundy down.

They stand over Grundy's unconscious body. Cyborg concentrates on incoming reports through his comm-unit.

CYBORG

That won't stop him... but we have to regroup with the others. I'm getting weird reports from all over the world. People everywhere are dying from sudden aging.

Krillin looks up at Cyborg with fear in his eyes.

KRILLIN

There's something else. I can feel an immense dark energy growing.

CUT TO:

EXT. SKY ABOVE THE AUSTRALIAN OUTBACK

Yamcha and Green Lantern look down at the aged, frail Lex Luthor as he tries to stand up.

GREEN LANTERN
What happened to you Lex?

LEX LUTHOR
There's no time, I told you, I need
Batman. He's the only one of you
intelligent enough to help.

Green Lantern and Yamcha look at each other. Green Lantern
shakes his head as he looks back at Lex.

GREEN LANTERN
Well gee, thanks for the compliment
Lex. But, I already told you he's
not here. Now come on, let me help
you up.

Green Lantern reaches out his ring hand to help Lex Luthor.

Lex grabs Green Lantern's hand with both hands and his eyes
widen as he looks at the ring.

LEX LUTHOR
Your ring! You can make anything
with it right? Can you make something
based on my specifications?

Green Lantern helps him up, but then pulls his hand away.

GREEN LANTERN
Yes, but why would I ever help you,
Lex?

The aged, frail Lex looks at Green Lantern.

LEX LUTHOR
Because I know where Superman is.

Then he looks at Yamcha.

LEX LUTHOR (CONT'D)
As well as your friend.

CUT TO:

EXT. RUSSIA

Batman retrieves the Dragonball from the ice. Sinestro walks
towards Batman with his hand out.

SINESTRO
Now Batman, hand it over or face the
same fate as your friend.

VEGETA (O.S.)

Is that it?

Sinestro turns around and sees VEGETA walking towards him.

VEGETA (CONT'D)

Did you really think an attack like that would stop me? You'll have to do better than that.

SINESTRO

Fine.

Sinestro creates a massive bat type construct and cracks Vegeta in the face with it.

Vegeta smirks as he wipes blood away from his lip. Sinestro raises an eyebrow. He realizes he can't underestimate this opponent.

VEGETA

My turn.

Vegeta powers up to Super Saiyan mode. His black hair goes golden and his eyes turn bluish-green.

VEGETA (CONT'D)

Now you die! Raa!

Vegeta charges Sinestro.

Sinestro manages to build a ring construct shield in time to absorb the powerful blow. Vegeta's punch shatters the construct.

Sinestro takes to the air and Vegeta quickly follows.

From the high ground, Sinestro fires energy bursts at Vegeta, but Vegeta knocks them to the side as he approaches.

Explosions lace the sky near Vegeta, then Vegeta fires his own energy bursts.

VEGETA (CONT'D)

Galick Gun!

Sinestro puts up a shield that absorbs the Galick Gun attack.

Vegeta moves in, right behind his own energy attack and punches the shield. It sends Sinestro flying back, towards the ground.

He barely stops himself from smashing into the ground. He looks up and sees Vegeta flying towards him in attack position.

CUT TO:

INT. LORD UNITY'S SPACE STATION

Green Lantern, Yamcha and Lex Luthor appear on the Space Station. Lex Luthor has his arm over Green Lantern's shoulder for support.

YAMCHA

Looks like it worked.

LEX LUTHOR

Of course it worked, it was my plan.
Now, help me over to the control panel.

Green Lantern looks at Yamcha and rolls his eyes.

YAMCHA

Good thing Vegeta isn't here, I doubt this place would be big enough for both of your egos.

Green Lantern holds back laughter as he helps the frail Lex to the control panel.

While placing Lex in the chair, Green Lantern and Yamcha notice the monitors. Each monitor shows a different Dragonball. Krillin and Cyborg have one, Wonder Woman and Bulma have one, Martian Manhunter and Piccolo have one.

GREEN LANTERN

What is all this?

Then, he sees that Batman has one, with Vegeta and Sinestro battling nearby.

GREEN LANTERN (CONT'D)

Is that Sinestro?

Green Lantern looks closer at the one with Vegeta and Sinestro.

GREEN LANTERN (CONT'D)

We better get down there! Vegeta's going to need our help.

Yamcha looks over at Green Lantern non-chalantly and starts shaking his head.

YAMCHA

Are you kidding? Vegeta would probably try to kill us for interfering. Trust me, he can hold his own.

Green Lantern relaxes and looks at the monitor again.

GREEN LANTERN

I gotta say, I'm having mixed feelings about this one.

Yamcha chuckles, then he and Green Lantern see another monitor with Superman and Goku fighting. Goku is in the air.

YAMCHA

Hey! That's Goku, but who's that he's fighting?

GREEN LANTERN

That's Superman!

Goku goes to set up a Kamehameha wave.

GOKU

Ka-me-ah-me...

CUT TO:

EXT. BATTLE PLANET - DAY

From the sky above, Goku unleashes a massive Kamehameha Wave at Superman on the ground below.

Impact craters lace the surface from their fight.

GOKU

...Ha!

Superman crosses his arms and takes the blast head on.

Goku charges down after Superman as Superman charges Goku in a game of chicken.

As they both land a punch at the same time, the force creates a tidal wave of destruction, leaving them in the center of a massive, grand crater.

MATCH CUT:

EXT. RUSSIA

Sinestro and Vegeta are on the ground with their hands interlocked. They are both trying to push the other back.

Batman is in the background trying to see, but the light coming from both Vegeta and Sinestro is blinding.

Vegeta kicks Sinestro in the ribs causing them to release their grip.

Sinestro creates a construct that comes straight up from the ground and nails Vegeta right in the chin with devastating force, sending his head backwards.

They charge each other again, but suddenly, both Vegeta and Sinestro, are struck by a powerful energy blast.

They hit the ground hard and leave a trail on impact.

While still on the ground, Vegeta and Sinestro shake it off and look up and see Lord Unity descend from the sky.

RESTORED LORD UNITY is no longer non-corporeal, he is fully physical. Worst of all, he is no longer frail and old, his youth has been restored. He is muscular, much larger and very evil.

LORD UNITY
Give me the Dragonball.

Batman starts aging just from being near Lord Unity. He looks at his hands as they start shaking from being so frail.

BATMAN
What?

Vegeta and Sinestro stand up and look up at Lord Unity. They don't age since they are not human.

SINESTRO
It seems we will have to finish this
another time.

Vegeta looks at Sinestro and smirks.

VEGETA
Count on it.

Sinestro and Vegeta charge after Lord Unity, together.

Lord Unity waves his hand, sending an energy wave at Sinestro and Vegeta which hurls them back into the ground.

Lord Unity continues to walk towards Batman and holds out his hand.

LORD UNITY
The Dragonball.

Batman looks over Lord Unity's shoulder.

BATMAN

I think you already have your hands full.

Lord Unity turns his head back to see what Batman's referring to. His eyes widen with surprise.

LORD UNITY

Wha--?

Lord Unity sees Cyborg and Krillin leading reinforcements. They brought EVERY DC HERO and DRAGONBALL Z WARRIOR from both Universes, with the exceptions of Superman, Goku, Yamcha and Green Lantern.

CYBORG

I'd back away from Batman if I were you!

Lord Unity turns to face them all. He grins.

LORD UNITY

You have simply saved me the trouble of hunting you all down one by one.

(beat)

Shall we begin?

From out of nowhere, Wonder Woman charges in and nails Lord Unity in the face, knocking his head to the side.

Bulma rolls her eyes and talks to herself.

BULMA

Oh no, you're nothing like Vegeta. Mm-hmm. Right.

Lord Unity turns his head back to face Wonder Woman. He smiles.

LORD UNITY

The others might not be able to detect your power level since you are a goddess, but I know how powerful you are.

(beat)

And it's nothing compared to me now.

He makes a simple hand gesture that creates an energy blast that knocks Wonder Woman back, hurling her into the oncoming swarm of heroes, knocking some of them down with her.

The standing heroes all charge Lord Unity, while Cyborg rushes to Batman's side.

CYBORG
Batman! Are you okay?

BATMAN
I'm fine... I just...

Batman disappears right before Cyborg's eyes.

CYBORG
No! Not again!

CUT TO:

INT. LORD UNITY'S SPACE STATION

Batman appears on the Space Station and sees Green Lantern, Yamcha and an even older, frail Lex Luthor sitting at the control panel.

BATMAN
Lex! What did you do?

LEX LUTHOR
There's no time for details Batman.
I scanned his technology with my
suit and Green Lantern was able to
recreate the remote teleportation
device to get us here.

Batman is surprised to hear the fear in Lex Luthor's voice.

LEX LUTHOR (CONT'D)
I tried changing the universes back,
but it's permanent, Unity lied about
everything. He means to suck the
life force from every human being
from both universes.

Batman walks closer to Lex.

LEX LUTHOR (CONT'D)
Each life he takes will make him
grow stronger, unless you can stop
him.
(beat)
You must get all the Dragonballs and
wish for everything to be restored.

Batman holds out his hand.

BATMAN
Fine, then give me the last ball.
You have it.

LEX LUTHOR

Unity took it, he has it... you must...
argh!

Lex grasps at his chest as he has a heart attack. Batman looks in silence as Lex Luthor dies.

CUT TO:

EXT. RUSSIA

Wonder Woman is knocked to the ground again and sees the many human heroes that have already lost their lives to Unity.

Sinestro and Vegeta are in the air firing energy blasts at Lord Unity, but he just absorbs them.

SINESTRO

Nothing is getting through.

As Lord Unity walks forward, many of the human heroes fall down at his feet and die from old age. The stronger he gets, the faster he sucks the life out of the humans.

Unity fires energy blasts up in the air at Sinestro and Vegeta. They dodge the blasts with their amazing speed.

Krillin, is looking very old and has fallen to his knees near Unity, but he still reaches out to try and stop him.

KRILLIN

I... won't let... you...

Cyborg watches in horror as Krillin falls dead at Unity's feet.

CYBORG

Krillin!

Cyborg fires a shot from his White Noise Cannon, but it doesn't do anything to Unity. Cyborg's human side looks very, very old. He would already be dead if he wasn't partially cybernetic.

Unity makes a hand gesture and Cyborg's cybernetic body shatters into pieces, which deactivates his life support systems, thus killing him.

Sinestro and Vegeta continue their efforts to make a dent from the sky. But, while up in the air Vegeta looks down at the ground and sees BULMA lying there. She looks old. Vegeta's eyes widen.

VEGETA

Bulma!

Vegeta flies down to her and falls to his knees to hold her. Frail and old, she looks up at him. She puts her hand on his cheek.

VEGETA (CONT'D)

Bulma, no!

Vegeta's eyes start to water.

BULMA

I... love...

His jaw drops in disbelief as her hand falls, lifeless, as she dies in his arms.

VEGETA

Bulma? No... no...

He looks up in the air and yells at the top of his lungs.

VEGETA (CONT'D)

No!

INSERT RED RING

On the ground, the Red Lantern ring begins to reform itself.

BACK TO SCENE

From the sky, Sinestro sees the ring fly towards Vegeta again. Vegeta is still holding Bulma.

SINESTRO

(whisper)

The ring!

Vegeta notices the ring as it buzzes around his head.

VEGETA

Huh?

Sinestro yells down at Vegeta.

SINESTRO

Take the ring, it will give you more power than you can imagine!

VEGETA

(whisper)

Power?

The RED LANTERN RING slides on Vegeta's right middle finger.

RED LANTERN RING

Vegeta of the Planet Vegeta...

Vegeta goes full on Red Lantern. He yells as dark red, corrosive and flammable blood spews out of his mouth like a rabid dog.

RED LANTERN RING (CONT'D)

...You have Great Anger in Your Heart.

In a rage, Red Lantern Vegeta flies at Lord Unity like a comet.

He punches Lord Unity across the face with a powerful right hand, knocking Unity's head to the side.

With his left, Vegeta, punches Unity in the stomach.

Vegeta takes to the air. Holding his ring-hand, wrist with his left hand, Vegeta fires a massive energy blast at Unity.

Vegeta looks down from the sky at the massive explosion engulfs Lord Unity.

As if his rage has been satiated, Vegeta lands next to Wonder Woman and Sinestro.

To everyone's surprise, Lord Unity steps out of the fire.

LORD UNITY

There is no one that can stand against me.

(beat)

Not even you!

Unity makes a hand gesture that hurls Red Lantern Vegeta into the ground.

CUT TO:

EXT. BATTLE PLANET

Explosions riddle the surface of the barren planet. So much dust is flying everywhere that only small silhouettes can vaguely be seen.

Goku can be heard somewhere in the dust.

GOKU

Ka-me-ha-me-ha!

Goku sends his Kamehameha Wave down. It clears the dust in a funnel of air as it descends.

Superman flies up the funnel at Goku like a comet while evading the Wave blast.

Superman nails Goku in the stomach with both fists.

Goku slams his elbow into Superman's back to stop him from advancing.

Superman flips over and fires his heat vision at Goku, but Goku evades it in the air.

Superman quickly follows that attack with his freeze breath. He blows his freeze breath at Goku and freezes him mid-air.

Encased in ice, Goku plummets to the ground, but right before impact, Goku charges up and breaks free from the ice.

GOKU (CONT'D)

Ra!

CUT TO:

INT. LORD UNITY'S SPACE STATION

Batman sits at the control desk and stares at the monitors showing Superman and Goku fighting. The remaining monitors show all the other heroes being killed by Unity. Yamcha looks at the monitors over Batman's shoulders.

BATMAN

I've never seen Superman in a fight like this. He's not holding back. Goku's power is unbelievable.

YAMCHA

I was thinking the same thing about Superman.

Green Lantern walks back in and heads towards Yamcha and Batman. Yamcha looks over at Green Lantern, but Batman stares at the fight on the monitors.

GREEN LANTERN

I don't know what it's made of, but even my ring can't penetrate the barrier surrounding that planet.

(beat)

We'll have to figure out another way to get Superman out of there.

Batman turns towards Yamcha and Green Lantern.

BATMAN

We need to hurry, I'm getting weaker. Unity's power must reach us even here.

YAMCHA

I've felt it too.

Green Lantern holds up a fist and looks at his ring.

GREEN LANTERN

I thought my ring would protect me,
but I'm feeling fatigued myself.

Batman looks back at the controls of the space station.

BATMAN

I may be able to get Superman and
Goku out of there if I can figure
out these controls. But, it'll take
some time.

Yamcha looks at Batman.

YAMCHA

Well, I can't just stand around here
while our friends are getting killed
on Earth.

GREEN LANTERN

I agree. We're heading back to help.
Try and hurry, Batman, we're going
to need them.

BATMAN

Here, take this.

Batman hands Green Lantern the Dragonball.

BATMAN (CONT'D)

If you can get the other one, we'll
have all seven. If the wishes work
like they say, you might be able to
fix things on your end.

GREEN LANTERN

Right.

Yamcha goes up to Batman and hands him something.

YAMCHA

Give 'em these when you see them.
From the looks of it they're gonna
need 'em.

Batman looks at what Yamcha handed him and tilts his head in
confusion.

YAMCHA (CONT'D)

Just trust me. It's very important.

Batman nods, then watches as Green Lantern and Yamcha start
to disappear.

BATMAN

Good luck.

GREEN LANTERN

You too.

CUT TO:

EXT. RUSSIA

Sinestro has chain ring-constructs coming out of the ground and holding the wrists of Lord Unity to keep his hands down at his sides.

Wonder Woman punches Unity in the face, knocking his head to the right.

Still raging, RED LANTERN VEGETA fires a massive energy blast from his red ring.

The blast lands, knocking Lord Unity's head back again.

Yamcha and Green Lantern appear on the surface of the planet.

Wonder Woman, Sinestro and Red Lantern Vegeta are engaged in battle with Lord Unity in the distance.

Yamcha looks at his hand and sees that he's aging fast.

YAMCHA

It's happening much faster now that we're close.

GREEN LANTERN

Then, let's take that parasite down fast.

Green Lantern and Yamcha join the others on the front line. They each fire a blast.

Lord Unity simply looks up and smiles.

LORD UNITY

Enough!

Lord Unity claps his hands together in front of him and it sends an energy wave that knocks all the heroes back.

CUT TO:

INT. LORD UNITY'S SPACE STATION

Batman has aged so much that he had to remove his cowl just to see. He's fidgeting with the controls of the space station.

BATMAN
(whisper)
That's got to be it.

He talks into the microphone.

BATMAN (CONT'D)
Superman can you hear me?

CUT TO:

EXT. BATTLE PLANET - DAY

On the planet below, a battle-ravaged Goku is still fighting with a battle-ravaged Superman.

Goku charges in for another attack, but Superman notices the monitors come back on and holds out his hand to stop Goku.

SUPERMAN
Goku, wait! Look!

They look up and see an aged Batman on the monitors.

SUPERMAN (CONT'D)
You're voice. Bruce, is that you?

BATMAN
It's me Clark.

Superman has a worried look on his face.

SUPERMAN
What happened to you?

BATMAN
Lex made a deal with an entity known as Lord Unity.

Superman gets angry.

SUPERMAN
Lex! I should've known! Where is he?

BATMAN
He's dead Clark. He was double crossed.

Superman looks down, unsure of his feelings on the matter.

CUT TO:

INTERCUT BETWEEN THE BATTLE PLANET AND LORD UNITY'S SPACE STATION

Batman talks to the monitors.

BATMAN

But, this Lord Unity... he's killed almost everyone else. We can't stop him Clark.

On the planet Goku and Superman stare at the monitors.

SUPERMAN

Can you get us out of here?

BATMAN

The shield should go down in 3, 2, 1...

The red barrier around the planet dissolves.

BATMAN (V.O.) (CONT'D)

Now!

Batman talks into the mic.

BATMAN (CONT'D)

I'll beam you up here.

GOKU

I got it.

END INTERCUT BETWEEN THE BATTLE PLANET AND LORD UNITY'S SPACE STATION

Batman turns around and sees Goku with one hand on Superman's shoulder and the other hand pointing his index finger at his own forehead.

GOKU

Now I know for sure it was the force field that was preventing my Instant Transmission.

Superman rushes to Batman's side.

SUPERMAN

Are you okay?

BATMAN

Nevermind me, you must hurry.

Batman looks over at Goku and holds out his hand to give him something.

BATMAN (CONT'D)

These are for you. From Yamcha.

Without revealing what it is, Goku looks down in his hand and a light smile comes to his face.

GOKU

Good ol' Yamcha. Thank you.

Batman looks over from his chair at Superman who has dropped to one knee to look him over.

BATMAN

You're on your own this time, I won't be making it.

SUPERMAN

No! Don't say that. You can make it. You just have to hold on Bruce.

Batman smiles lightly as he looks at his best friend.

BATMAN

You always were naive Clark.

Before Superman can say another word, Batman hits a button on the control panel. Goku and Superman start to disappear.

SUPERMAN

No! W...

With Goku and Superman gone, Batman loses the last bit of strength he has. His hand falls to the side of the chair, dropping the remote on the ground.

He begins wheezing as he breathes, then his head falls forward as he dies in the chair.

FADE TO:

EXT. RUSSIA

Goku and Superman appear on Earth with Superman in mid-sentence.

SUPERMAN

...ait!!

Goku and Superman look down at the ground in horror as they see all the dead bodies sprawled out all over.

Everyone they know and love lay dead on the ground.

They see Piccolo, Martian Manhunter, aged versions of Green Lantern, Krillin and Bulma.

Cyborg is in pieces and his human side of his face looks aged. Plus, hundreds more from both universes, lay dead.

They hear a battle behind them and turn to see Red Lantern Vegeta still fighting Lord Unity.

GOKU

It's Vegeta!

With Sinestro on the ground, grasping his stomach, trying to stay conscious, Red Lantern Vegeta is the last man standing.

Vegeta fires an energy blast from the air that Unity absorbs.

Unity fires his own shot at Vegeta.

LORD UNITY

Die!

Vegeta hits the ground hard, next to Sinestro who finally succumbs to his wounds. Goku looks scared for his friend.

GOKU

No! Vegeta!

Vegeta's body lies in the rubble, motionless. The red ring flies off his hand and up into the air.

RED LANTERN RING

Red Lantern Vegeta, deceased. Seeking replacement.

Superman and Goku rush over to the battlefield. Superman immediately sees Wonder Woman lying on the ground, motionless.

SUPERMAN

Wonder Woman! No!

Superman flies over to Wonder Woman and discovers that she's dead.

Superman hugs onto her.

SUPERMAN (CONT'D)

No...

Goku faces off with Lord Unity while guarding Superman as he holds Wonder Woman.

Goku is no longer the carefree happy-go-lucky guy. He's pissed off at the death and destruction that Lord Unity has caused.

GOKU

How could you? These were our
friends... our family!

(beat)

I'm gonna make you pay for what you've
done here!

Superman looks up with an angry scowl. His eyes glow red as if his anger cannot be contained any longer and is trying to come out through his heat vision.

SUPERMAN

No! We are going to make you pay!

CUT TO:

EXT. THE WORLD OF THE KAIS

Supreme Kai's eyes widen and he smiles, he turns and looks at Old Kai, but Old Kai is focused on his crystal ball.

SUPREME KAI

Goku's back! I can sense his energy...
and someone is with him. Someone
who's Ki is as incredible and pure
as Goku's. They'll stop Lord Unity
for sure.

Old Kai looks closely at an image of SUPERMAN next to GOKU, poised for battle, on his crystal ball.

OLD KAI

Perhaps. But even they might not be
enough.

Supreme Kai smiles confidently.

SUPREME KAI

How can you say that? We know how
strong Goku is and now he has a friend
to help him. They'll be unstoppable.

OLD KAI

I have seen this Lord Unity before.
He is a monster from another
dimension.

Old Kai looks at Supreme Kai.

OLD KAI (CONT'D)

It took all of the Kais to stop him
before and even then we were barely
able to.

He looks back at his crystal ball.

OLD KAI (CONT'D)

Our universe's population is much greater now than it was back then. I can't even imagine how powerful he has become this time.

Fear shoots through the Supreme Kai.

CUT TO:

EXT. RUSSIA

Lord Unity laughs as Goku and Superman stand before him.

LORD UNITY

I've either killed or absorbed the life energy of everyone from both of your worlds.

(beat)

I am invincible. Not even the two of you can stop me now!

SUPERMAN

We'll see about that.

Superman steps forward with a fist up in anger.

Goku holds out his hand to stop Superman before he charges off.

GOKU

Superman, wait... eat this.

INSERT SUPERMAN'S HAND

Superman looks in his hand and sees a senzu bean.

GOKU (O.S.) (CONT'D)

They're called Senzu Beans.

BACK TO SCENE

GOKU (CONT'D)

It'll restore any strength you've spent on our fight.

They both eat one and Superman is shocked as he feels the rush of restored strength.

SUPERMAN

Whoa! I definitely feel better. Thank you.

Goku looks at Superman.

GOKU

You can thank Yamcha.

Superman and Goku are both angry for once and charge Lord Unity together.

Superman gets a solid hit in. Unity laughs even as his head gets jerked to the side.

Then, Goku gets a solid hit in. Lord Unity continues to laugh.

LORD UNITY

I already told you...

(beat)

I am invincible!

Lord Unity throws both arms out to the side, launching an energy blast that sends Goku and Superman flying back into the ground like rag dolls.

Lord Unity starts laughing as he looks at the two on the ground in front of him.

LORD UNITY (CONT'D)

It's a shame I can only absorb humans and not your powers as well. But then again, I'm already nothing short of a god.

As Superman tries to get up, Unity blasts him again, smashing him back into the ground.

From the ground, Goku puts his index finger to his forehead and starts to disappear with his Instant Transmission.

Goku re-appears right behind Lord Unity, but Lord Unity anticipated the move and elbows Goku right in the stomach.

Goku falls to Unity's feet holding his stomach.

Superman fires his heat vision and cold breath in unison, to divert Unity's attention from Goku. The attack does little damage to him.

Lord Unity grabs Goku and hurls him at Superman.

They go flying back hundreds of yards, creating an impact trail.

Unity waves his hand that sends a massive energy wave at them, creating a massive explosion that engulfs Superman and Goku.

Lord Unity looks up as all his victims lay all over the ground. He holds up his hands victorious and laughs maniacally.

LORD UNITY (CONT'D)
This universe is mine!

CUT TO:

EXT. WORLD OF THE KAIS

Old Kai and Supreme Kai stare closely at the crystal ball as they watch Goku and Superman try to get up off the ground.

Supreme Kai is horrified at how bad of shape Goku and Superman are already in.

SUPREME KAI
I can't believe it.

OLD KAI
It's as I feared, Lord Unity has just absorbed too many humans.
(beat)
What I don't understand is, if he's already absorbed every human in both universes, how is he still getting stronger?

Supreme Kai looks at Old Kai with a distressed look.

SUPREME KAI
Is there any chance Goku and Superman can still defeat him?

Old Kai plays with his mustache as he considers the possibilities.

OLD KAI
With all the power he's acquired, neither Goku nor Superman will be able to beat him alone.

Old Kai looks at Supreme Kai.

OLD KAI (CONT'D)
Hmm... but maybe together.

Supreme Kai gets a wide eyed smile.

SUPREME KAI
Yes, then I will go immediately!

CUT TO:

EXT. RUSSIA

Superman and Goku finally get back on their feet from Lord Unity's last attack.

SUPERMAN

You okay?

GOKU

Yeah. Man, that was a powerful attack.

Superman looks at Goku.

SUPERMAN

This isn't working. He just seems to be getting stronger. Any ideas how we can take him down?

Goku looks down at his hands, trying to determine if his Spirit Bomb attack would work.

GOKU

I don't know. I can't even make a Spirit Bomb strong enough since he killed everyone.

SUPREME KAI (O.S.)

Wait!

Goku and Superman turn around and see Supreme Kai flying towards them.

SUPREME KAI (CONT'D)

Wait, I have an idea.

SUPERMAN

Who's that?

Goku gets wide-eyed and smiles.

GOKU

Supreme Kai, you came to help?

Supreme Kai catches up and lands next to Goku and Superman.

SUPREME KAI

I'm afraid I wouldn't be much use against such an opponent, Goku.

Superman, Goku and Supreme Kai look over at Lord Unity as he starts laughing.

LORD UNITY

A single Kai? You've failed then,
Kai! 12 billion human lives have
given me more than enough power to
defeat a dozen Kais. You cannot defeat
me!

Supreme Kai steps forward.

SUPREME KAI

You're right Unity, I could never
defeat you.

Superman and Goku stand behind Supreme Kai. But, Superman
looks at Supreme Kai.

SUPERMAN

We're not going to just give up.

GOKU

Never.

Supreme Kai looks back at Superman and Goku.

SUPREME KAI

Of course not. I came to bring you
these.

He holds up two dangling earrings. Goku's eyes widen again.

GOKU

Potara Earrings!

Superman looks at Lord Unity. Lord Unity looks back at the
trio with an arrogant smile.

SUPERMAN (O.S.)

Whatever those are, he certainly
doesn't look worried.

LORD UNITY

Try whatever you want Kai. You will
never take my body away from me again.

Superman looks at Supreme Kai.

SUPERMAN

What does he mean by that?

SUPREME KAI

Lord Unity cannot be killed, he's an
immortal. But, if you can take his
power away, he loses his corporeal
form and becomes nothing but a
harmless, intangible spirit being.

SUPERMAN

I wasn't planning on killing anyone,
but it's good to know I don't have
to hold back.

Goku looks at Superman.

GOKU

Neither one of us does, but that
still might not be enough.

Goku reaches for a Potara Earring from Supreme Kai.

GOKU (CONT'D)

But, with these, we can defeat him...
together. It's permanent, but it's
our only chance.

As Goku places one on his left ear.

GOKU (CONT'D)

Take one and pinch it over your right
ear lobe.

Superman reaches for the other one and pinches it over his
right ear lobe.

SUPERMAN

Now what?

Goku smiles as Supreme Kai quickly flies off to get to a
safe distance.

SUPERMAN (CONT'D)

Wait, where are you going? What do
we do now?

GOKU

Get ready for it.

Superman and Goku's bodies are suddenly slammed together.

SUPERMAN

What's happening?

GOKU

It's okay Superman.

Supreme Kai flies as fast as he can from them. Behind the
Supreme Kai, light starts to emit from Goku and Superman as
they start to ascend into the air.

There is a massive explosion of energy in the air, creating
a giant globe of light, easily 100 yards in diameter.

Supreme Kai looks back to see it. KRA-KOOOOM!!! The ice in the surrounding area melts away from the heat and even Lord Unity has to shield his eyes from the intense light.

LORD UNITY

Wha--?

The energy burst starts to subside and in its center floats a single silhouette of a new being.

The energy dissipates and there floats KAL-KAROT, a single being, comprised of both Superman and Goku.

Electrical currents course throughout his body.

Kal-Karot's outfit is Goku's Gi, in Superman's blue and the undershirt is red, with Superman's "S" on it. His hair is golden and cleaner cut than Goku's hair. He has Superman's curl, but the curl is much longer and pointing strait up from the energy.

Superman's cape attaches to Goku's wristbands, creating a wing-like appearance.

Kal-Karot smiles and clenches his fists as he feels the power course through his veins.

KAL-KAROT

This power! It's unbelievable.

Kal-Karot looks down at Lord Unity with a mischievous smile.

KAL-KAROT (CONT'D)

Alright!

Lord Unity narrows his eyes with concern. He immediately attacks with two energy blasts, one from each hand, but, they just bounce off the energy surrounding Kal-Karot.

Kal-Karot counter-attacks with lightning speed. He fires multiple energy blasts from each hand down onto Unity.

Lord Unity absorbs the energy blasts with a smirk and ascends into the air.

He punches his fists together which creates a massive energy burst that knocks Kal-Karot to the ground below.

Kal-Karot hits the ground, shattering the surface.

As Kal-Karot stands back up, he looks up and sees Lord Unity flying towards him in attack position.

LORD UNITY

Now, you're mine!

Kal-Karot takes to the air and rushes towards Unity.

They charge at each other and as they both land punches, it creates a massive crater in the planet.

Kal-Karot gets hurled back into the ground from the impact.

Lord Unity lands on the ground and sees Kal-Karot lying motionless in a crater.

Lord Unity, smiles, turns and walks towards a terrified Supreme Kai.

LORD UNITY (CONT'D)

Valiant last effort Kai. But, it wasn't enough.

(beat)

Now, to be rid of the Kais once and for all.

KAL-KAROT (O.S.)

Hey!

Lord Unity turns around and sees Kal-Karot standing up and smiling.

KAL-KAROT (CONT'D)

Where do you think you're going?
I'm not finished with you yet.

(beat)

That last attack did tickle a little bit though.

Lord Unity scowls.

KAL-KAROT (CONT'D)

I was wondering how you kept getting stronger after each attack. But, now I understand. The others all caused damage when they hit you, until they used energy blasts.

Kal-Karot starts walking confidently towards Lord Unity.

KAL-KAROT (CONT'D)

You've been absorbing the energy blasts.

(beat)

So... you think you can absorb everything?

Lord Unity has a nasty scowl on his face as Kal-Karot gets into the Kamehameha position.

KAL-KAROT (CONT'D)

Let's see if you can absorb this... Ka-me-ha-me... Haa!

Kal-Karot launches his attack. The Kamehameha Wave comes out of his hands like normal, but now a new Kamehameha wave comes out of each eye, replacing the heat vision, totaling in three massive, blinding waves, that all strike Lord Unity at once.

Lord Unity is in agony from the pain as his body begins to overload.

Lord Unity yells as the wave just keeps coming until he can no longer absorb anymore.

LORD UNITY

No!

BA-DOOOM! He explodes and his old, frail looking spirit is seen at the center of the explosion.

As the spirit disappears, Kal-Karot sees the last Dragonball fall to the ground.

KAL-KAROT

The Dragonball!

FADE TO:

EXT. RUSSIA

The seven Dragonballs are now lying on the ground at KAL-KAROT'S feet. Kal-Karot smiles at Supreme Kai.

SUPREME KAI

Now, with your two wishes, you can wish all your friends back to life and fix the Universe.

Kal-Karot raises both hands in the air.

KAL-KAROT

I summon the Eternal Dragon, Shenron, to make my wish come true.

The Dragonballs glow a different color and misty light emerges from each one. A different creature is formed from the mist of each Dragonball.

Red mist from one ball forms THE BUTCHER. The Butcher is a large, red, demonic looking bull.

Orange mist from another forms OPHIDIAN, a large, orange serpent.

Kal-Karot and Supreme Kai briefly look at each other, confused. They have never seen anything like this.

From another ball, yellow mist forms PARALLAX, a large, yellow creature that resembles a giant insect.

Green mist from another ball forms ION, a large, green creature that looks like a whale.

Blue mist emerges from another ball and forms ADARA, a large, blue birdlike creature.

Indigo mist emerges from the sixth ball and forms PROSELYTE, a large, indigo creature that looks like a squid with four tentacles.

And the seventh and final ball, violet mist emerge and forms THE PREDATOR, a pink creature that looks similar to a ferocious, meat-eating dinosaur.

The mist-like entities all soar up into the sky then they start swirling high in the sky and their mist begins to break up and reform into a single entity.

The mist solidifies into its new form as SHENRON THE ETERNAL DRAGON. His scales and talons are black but glisten like onyx. His underbelly, eyes, teeth, hair and whiskers are a pale white-silver that glistens like a pearl.

Supreme Kai and Kal-Karot are in awe.

Shenron, looks down on Kal-Karot and Supreme Kai from the air above.

SHENRON THE DRAGON

Choose your words carefully and I
will grant you any three wishes within
my power.

Kal-Karot looks at Supreme Kai.

KAL-KAROT

Three?

SUPREME KAI

It must be because the universe is
actually two universes. We somehow
get an additional wish. That means
you can wish yourselves back into
Goku and Superman.

Kal-Karot smiles, as he looks back up at the dragon.

KAL-KAROT

That's great! We wish for you to bring all of our friends back to life.

The dragon's eyes glow.

SHENRON THE DRAGON

As you wish.

Supreme Kai looks scared when he realizes all the heroes waking up are still old.

SUPREME KAI

Oh, no! We only restored their lives, not their youth.

KAL-KAROT

Simple solution, I'll just use the other wish.

SUPREME KAI

But what about you?

Kal-Karot looks back up at Shenron.

KAL-KAROT

It's not important.

(beat)

Shenron, can you restore everyone's youth to what it was days ago?

Shenron's eyes glow.

SHENRON THE DRAGON

Yes, it shall be done.

As the heroes begin waking up, youthful and healthy again, Batman teleports down.

KAL-KAROT

Batman! You're back!

Batman sees the Superman insignia on Kal-Karot's chest.

BATMAN

Superman?

Kal-Karot smiles at him.

KAL-KAROT

And Goku, but it's Kal-Karot now. How did you get here? Where's Lex?

BATMAN

When I woke up, Lex was already gone.
I set the space station to plummet
into the planet and then used the
remote device to beam me back.

All the heroes of both universes smile as they surround
Kal-Karot and Supreme Kai.

KRILLIN gestures for CYBORG to meet his wife, ANDROID 18,
MARTIAN MANHUNTER greets PICCOLO, WONDER WOMAN hugs BULMA
and YAMCHA and GREEN LANTERN shake hands.

The dragon waits patiently above them all.

Wonder Woman approaches Vegeta and holds out her hand.

WONDER WOMAN

We fought well together.

To Krillin and Bulma's amazement, Vegeta shakes her hand.

VEGETA

We did. You are a true warrior..

While shaking her hand he looks over at the others.

VEGETA (CONT'D)

Certainly more of a warrior than
these weaklings.

Krillin rolls his eyes.

KRILLIN

And Vegeta's back.

Shenron gets impatient now and interrupts the celebration.

SHENRON THE DRAGON

What is your last wish?

They all look up at the dragon.

KAL-KAROT

Right! The final wish!

Kal-Karot leans over when the Supreme Kai tugs on his Gi.

SUPREME KAI

Kal-Karot, after you restore the
universes, I don't know what will
happen to you since you are from
both now. You may not exist anymore.

Kal-Karot puts his hand on a sad Supreme Kai's shoulder to re-assure him.

KAL-KAROT

Thanks for the concern Supreme Kai,
but this has to be done.

Kal-Karot looks back at the dragon.

KAL-KAROT (CONT'D)

We wish for you to, please, restore
our two universes to how they were
before Lord Unity combined them.

SHENRON THE DRAGON

That is a difficult wish... But, it
shall be done.

The dragon's eyes glow.

The heroes from the DC Universe and the Dragonball Z Universe
wave goodbye to each other as they all fade away.

FADE TO:

EXT. DCU - METROPOLIS CITY

The DC Heroes, GREEN LANTERN, BATMAN, WONDER WOMAN, MARTIAN
MANHUNTER and CYBORG re-appear in Metropolis.

Green Lantern steps forward and sees the city skyline.

GREEN LANTERN

It's back to normal.

Wonder Woman starts frantically looking back and forth.

WONDER WOMAN

But, where's Superman?

A shadow comes over them and they all look up and see Superman
finally appear.

BATMAN (O.S.)

There he is.

Wonder Woman hugs Superman.

SUPERMAN

Hi.

While they hug, Cyborg looks at Green Lantern.

CYBORG

I'm gonna miss Krillin.

GREEN LANTERN

Yeah, I'm going to miss Yamcha, he would've made a great wing man.

Superman and Wonder Woman walk over to Cyborg and Green Lantern.

SUPERMAN

And Goku was really something else. He really showed me what fun I can actually have with my powers.

FADE TO:

EXT. DBZU - ROSHI ISLAND

The Dragonball Z heroes, GOKU, BULMA, YAMCHA, PICCOLO and VEGETA all appear. Yamcha steps forward to look out at the ocean and breathes in deeply to take in the fresh air.

YAMCHA

It's good to be home!

Krillin looks at Yamcha and Bulma.

KRILLIN

Man those guys were cool, especially Cyborg.

BULMA

I don't know, I think Wonder Woman was pretty amazing.

Bulma looks at Vegeta with a mischievous smile.

BULMA (CONT'D)

So Vegeta, how does it feel to get your butt kicked by a woman?

Yamcha and Krillin hold back laughter while Vegeta gets angry.

VEGETA

She did not beat me!

Goku steps over to Bulma and Vegeta.

GOKU

Or how about that red ring? Who would've thought you could get even meaner?

Vegeta turns his back and crosses his arms.

VEGETA

Bah! Potara earrings, red rings... I'm
a warrior, I don't need accessorizing.

As the others laugh, Goku looks up at the sky.

GOKU

(whisper)

When the universes separated,
Kal-Karot must've been split too.
But, I'll see you again Superman, so
we can find out who the best really
is.
