PAGE 1

PANEL ONE: Panoramic: Dust fills the air in a barren desert wasteland.

LEGEND: Somewhere. Now.

PANEL TWO: Panoramic shot zoomed in slightly. As the dust begins to settle, two figures stand motionless as they face one another. Craters from combat, lace the surface of the planet.

PANEL THREE: Zoomed in yet again. A battle-ravaged Superman faces off with a battle-ravaged Super Saiyan Goku. Both are out of breath.

SUPERMAN: Pant, pant, pant. We've been at this for hours... ready to give up yet?

GOKU: Pant, pant, pant... Not a chance.

PANEL FOUR: Superman looks at Goku.

SUPERMAN: It's only... a matter of time before my friends find me.

GOKU: I'm sure my friends are on the way too... but until then...

PANEL FIVE: Goku charges Superman, and Superman drops into a battle stance.

GOKU: Ahhhhh!

CAPTION (SUPERMAN): C 'mon guys...

PAGE 2 - 3 SPREAD

2 PAGE SPREAD: In the foreground, Vegeta and Wonder Woman are consumed with rage as they exchange Earth-trembling punches. Green Lantern (Hal Jordan) has a ring construct holding and squeezing Yamcha.

In the skies above, Piccolo and Martian Manhunter are entangled as they attack one another.

In the background, close to the entrance of the Temple of Tikal, Cyborg fires his cannon at Krillin, who dodges the blast. Bulma runs straight towards the entrance of the temple.

LEGEND: Guatemala, Central America

CAPTION (SUPERMAN): ...where are you?

KRILLIN: Hurry Bulma!

PAGE 4

PANEL ONE: DCU - Cityscape with the well-known Daily Planet and Lexcorp buildings, in view.

LEGEND: Metropolis. 8 Hours Ago.

PANEL TWO: An explosion rocks one of the buildings.

SFX: Ba-Doom!!!

PANEL THREE: Solomon Grundy backhands Wonder Woman and sends her flying into a wall.

SFX: Krashh!

WONDER WOMAN: Ukk!

PANEL FOUR: Green Lantern uses his ring to keep a building from falling on civilians running for their lives.

PANEL FIVE: Martian Manhunter tries focusing to gain control of Solomon Grundy.

CAPTION (MARTIAN MANHUNTER): Nothing. It's as if his mind is blank.

PAGE 5

PANEL ONE: Solomon Grundy throws a piece of the shattered road at Martian Manhunter, hitting him in the stomach.

SOLOMON GRUNDY: Raaa!

MARTIAN MANHUNTER: Ahh!

PANEL TWO: Cyborg blasts Solomon Grundy in the back with his White Noise Cannon.

SFX: SKREEEEEE!

SOLOMON GRUNDY: Hrkk!!!

PANEL THREE: Solomon turns around and smashes both fists into the ground. It cracks the earth under Cyborg's feet causing him to fall to the ground.

SFX: BOOOM! Krekkk!

PANEL FOUR: Solomon Grundy's head gets knocked to the side as a red blur flies past him.

SFX: Swoosh! Krak!

SOLOMON GRUNDY: Rrkk!

PANEL FIVE: Solomon looks up from the ground at his new opponent.

PAGE 6

PANEL ONE: Superman has arrived.

SUPERMAN: Stop this... Now!

PANEL TWO: Solomon tosses a car at Superman.

SOLOMON GRUNDY: Raaa!

PANEL THREE: Superman dodges it as he flies straight for Solomon.

PANEL FOUR: Superman hits Solomon with a powerful punch.

SFX: Ba-Doom!!!

PANEL FIVE: Solomon lays unconscious at Superman's feet. Green Lantern lands as Wonder Woman, Cyborg and Martian Manhunter approach Superman.

MARTIAN MANHUNTER: Excellent timing.

GREEN LANTERN: I was just about to do that.

PAGE 7

PANEL ONE: Lex Luthor looks down at the battle from his office atop the Lexcorp skyscraper.

CAPTION (LEX LUTHOR): Of course... Superman. Always Superman.

LEX LUTHOR: As I predicted, your powerful new stranger couldn't defeat Superman.

CAPTION (LEX LUTHOR): Good. I'm the one destined to kill Superman anyway. I'm the only one intelligent enough to see the threat that he is to this planet so I'll be the one that saves everyone from him.

LORD UNITY (o.s.): He was never meant to defeat Superman.

PANEL TWO: Lex Luthor turns around to look at a hologram-like image of Lord Unity (in his non-corporeal form). Lord Unity is a hooded, elderly man.

LORD UNITY: He was meant to draw Superman out so that I could lock onto his body signature for the transfer. And I brought Solomon Grundy here to prove to you that I have the technology to transport beings across the Multiverse.

LEX LUTHOR: I've had dealings with parallel universes before. Am I supposed to be impressed?

PANEL THREE: Lord Unity watches as Lex Luther takes a seat at his desk.

LORD UNITY: Not at all. But perhaps, I have persuaded you to help me with my plan.

LEX LUTHOR: You're saying if I do this, I'll be able to get *anything* I want?

LORD UNITY: We both will.

PANEL FOUR: Lex turns his chair around to look out the window again. Lord Unity is behind him.

CAPTION (LEX LUTHOR): I don't trust this... Lord Unity, but the potential for what he's offering is too good to pass up.

LEX LUTHOR: Fine... What are the orbs called again?

LORD UNITY: They are known as...

PAGE 8

PANEL ONE: DBZU – Krillin and Yamcha spar on the beach of a small island with one house on it.

LEGEND: Roshi Island

CAPTION (LORD UNITY): ...Dragonballs!

KRILLIN: Hyah!

YAMCHA: Nice one Krillin!

VEGETA (o.s.): You can't be serious!

PANEL TWO: Krillin and Yamcha stop training and look up in the sky. They see Vegeta coming in for a landing.

VEGETA: Don't tell me you weaklings are training. Buu is already dead. Besides, you could never defeat him no matter how hard you tried.

PANEL THREE: Both, Krillin and Yamcha, look disappointed that Vegeta has arrived.

KRILLIN: Nice to see you too Vegeta. We know Buu's dead. We're training for the World Martial Arts Tournament.

PANEL FOUR: Vegeta tilts his head back in laughter.

VEGETA: The World Martial Arts Tournament? Ha, ha, ha, ha!

PANEL FIVE: Krillin raises an eyebrow and tauntingly replies.

KRILLIN: Goku's entering ya' know? He's training in the Capsule out back.

PANEL SIX: Vegeta's eyes widen with shock.

VEGETA: What? Kakarot's training... now?

PAGE 9

PANEL ONE: Vegeta runs to the back of the house and stops dead in his tracks when he sees a Training Capsule from Capsule Corp.

VEGETA: Where did this come from?

PANEL TWO: Bulma walks out the back door of the house carrying a pitcher of water. She's shocked and knows she's caught when she sees Vegeta, Krillin and Yamcha.

BULMA: Goku I brought you some... oops.

PANEL THREE: Vegeta's temples throb as he becomes enraged. Yamcha and Krillin are in the background trying not to laugh.

VEGETA: You brought it here? But why? Why didn't you tell me?

PANEL FOUR: Bulma knows she's caught and doesn't even try to make up a good excuse.

BULMA: Goku asked for it... after, I made some modifications of course. Now, it maxes out at 100,000x's Earth Gravity.

PANEL FIVE: Vegeta rushes over to the capsule to look in the small window. With Vegeta's back to them, Bulma gives Yamcha and Krillin a look of death that causes them to stop laughing.

VEGETA: 100,000xs?

PANEL SIX: Close-up of Vegeta's eyes as they widen with shock at what he sees.

PAGE 10

PANEL ONE: Inside the Capsule, Goku (black hair mode) is doing one-fingered, hand-stand, push-ups. Vegeta is in the background, peeking through a little window. A digital panel on the interior dashboard of the Capsule reads '50,000 G'.

GOKU: 999, 1000, 1001...

PANEL TWO: An angry Vegeta walks past Bulma, Krillin and Yamcha to the front of the Capsule.

VEGETA: Oh, no you don't, Kakarot!!!

PANEL THREE: Vegeta hits the access panel that opens the Capsule's latch.

SFX: Click! Vreee!

PANEL FOUR: Close-up of the digital panel as the number display becomes illegible from counting down so fast.

SFX: tiktiktiktiktik!

PANEL FIVE: Close-up of the digital panel as the number now reads '0 G'.

SFX: Beep!

PANEL SIX: The quick shift in gravity catches Goku off guard and he throws himself into the ceiling.

GOKU: Whaaa!

SFX: Thuud!!

PAGE 11

PANEL ONE: Goku is on the ground now, rubbing his head to rub out the pain from hitting it so hard. Light rays enter the capsule as the latch opens.

GOKU: Owww!

PANEL TWO: Goku gets a big smile on his face when he sees Vegeta walk in.

GOKU: Oh, hi Vegeta!

PANEL THREE: Goku stands up just as Vegeta starts waiving his fist in angry protest at Goku.

VEGETA: I know what you're doing Kakarot! You're trying to get stronger than me!

PANEL FOUR: Goku walks towards the controls of the Capsule and passes Vegeta with a smile on his face. Vegeta's temples throb with anger, he clenches his fists tight.

GOKU: I thought I already was.

PAGE 12

PANEL ONE: Vegeta turns to Goku with a fist raised as Goku fidgets with the controls.

VEGETA: What did you just say?

PANEL TWO: Goku smiles and waives his hands for Vegeta to calm down.

GOKU: I'm kidding Vegeta. I'm just training for the World Martial Arts Tournament. What's the big deal?

PANEL THREE: Vegeta gets close to Goku. Goku looks surprised.

VEGETA: Stop it Kakarot, you know as well as I do it will come down to the two of us.

GOKU: I didn't even know you were entering.

VEGETA: I am now.

PANEL FOUR: Bulma, Yamcha and Krillin watch as Goku and Vegeta wrestle for the controls of the Capsule Training system.

VEGETA: I will not let you beat me. Move over I'm training too.

KRILLIN: Those two.

BULMA: *This* is why I didn't want to tell Vegeta. I knew he'd act like this.

PAGE 13

PANEL ONE: 3rd Universe - Lex Luthor materializes, on a small space station above an alien planet, wearing his battle armor. Lord Unity's non-corporeal form looks at Lex.

LEGEND: Lord Unity's Space Station. Unknown Universe.

LEX LUTHOR: Where are we?

LORD UNITY: My space station. We are in a universe somewhere between yours and where the Dragonballs are located... Your battle armor was unnecessary.

LEX LUTHOR: Yes, well, I don't know you and I like to be prepared for anything. Why are we here?

PANEL TWO: Lord Unity goes to the large window which overlooks a planet below. With Unity's back turned to Lex, Lex takes the opportunity to activate something on his forearm control pad.

SFX: Click.

LORD UNITY: It is here that we shall trap the most powerful beings from each of the two universes. They will act as a tether to their planets as well as supply us with the energy needed to temporarily mesh the two universes into one. During that time you will be able to seek out the Dragonballs.

PANEL THREE: Unity turns back around to look at Lex.

LEX LUTHOR: Why don't you just transport me to that dimension?

LORD UNITY: The only way the Dragon can fulfill your wish is if you are part of the same dimension. Trust me.

PANEL FOUR: Lex walks up to look out the window.

LEX LUTHOR: I don't trust anyone.

LORD UNITY: Good policy, but this is the only way. You do this and we will each have our wish. I will get my physical body back and you... you can have anything you desire.

PANEL FIVE: Lex and Unity exchange looks.

LEX LUTHOR: I desire quite a lot.

LORD UNITY: Then we should begin.

PAGE 14

PANEL ONE: DCU – Green Lantern walks down a hall next to Steve Trevor. Superman, Cyborg, Martian Manhunter, and Wonder Woman follow close behind.

LEGEND: The Circus: Maximum Security Detention Facility

GREEN LANTERN: Thanks for letting us lock him up here for now Steve. With OA destroyed we don't currently have dependable sciencecells. This is probably the only facility, here on Earth, that can hold someone like him.

STEVE TREVOR: Not a problem Green Lantern. Just glad I could help.

PANEL TWO: Steve looks over and sees Wonder Woman and Superman exchanging smiles.

PANEL THREE: Steve looks back at Green Lantern.

STEVE TREVOR: Any idea where the monster came from?

GREEN LANTERN: We're not sure, but we think...

WONDER WOMAN (o.s): Superman!

PANEL FOUR: Everyone looks and sees Superman disappearing.

SFX: Zewwwwm!

WONDER WOMAN: What's happening to him?

PANEL FIVE: Superman is gone. The team exchange looks of worry.

PAGE 15

PANEL ONE: DBZU – Inside the Training Capsule, Vegeta throws a high kick into the air while Goku stretches. The digital display reads '50,000 G'.

VEGETA: Hrah!

GOKU: Before you came in, I was just about to max it out at the full 100,000x Earth gravity. But we can keep it here so you can't handle it Vegeta.

PANEL TWO: Vegeta turns to Goku with a scowl on his face.

VEGETA: I can handle anything you can Kakarot... and more!

PANEL THREE: Vegeta walks to the controls and pushes some buttons.

PANEL FOUR: Vegeta turns halfway around shocked to see Goku disappearing. The digital display reads '100,000 G'.

SFX: Zewwwwm!

GOKU: That's more...

VEGETA: Kakarot!!!

PAGE 16

PANEL ONE: DBZU – Supreme Kai looks scared as he runs up to a meditating Old Kai.

LEGEND: World of the Kais

SUPREME KAI: Goku's Ki just disappeared. What does it mean Old Kai? Has Goku died?

PANEL TWO: Old Kai opens his eyes and looks at the panicked Supreme Kai.

OLD KAI: I'm not sure what it means. But he can't just be dead, even in death we would still feel his energy up here.

PANEL THREE: Supreme Kai looks down at the Old Kai.

SUPREME KAI: Shall I go down there and see what I can find out?

PANEL FOUR: Old Kai looks down at a crystal ball. It has a picture of Krillin, Yamcha and Vegeta in it.

OLD KAI: Not yet. Let's wait and see what happens first. Let's give the others a chance to find out what has happened before we meddle.

PAGE 17

PANEL ONE: 3rd Universe – Superman appears on a desolate planet. The surface is tiled as far as the eye can see.

LEGEND: Unknown Universe

SUPERMAN: Wha..?

PANEL TWO: He looks back and forth, but all he sees are the tiles and a mountainscape far off in the distance.

CAPTION (SUPERMAN): What just happened? Where am I?

PANEL THREE: He flies up to get a better view. The tile goes on for miles.

PANEL FOUR: Looking down, he finally sees the ends of the tile. It forms a massive fighting ring.

CAPTION (SUPERMAN): What's that supposed to be?

PANEL 18

PANEL ONE: Superman tries to fly higher, but he hits a red force field.

SUPERMAN: Ughh!

PANEL TWO: He touches the barrier.

CAPTION (SUPERMAN): Some kind of force field.

PANEL THREE: He punches it with everything he has.

SFX: Ba-doom!

PANEL FOUR: And punches it.

SFX: Ba-doom!

CAPTION (SUPERMAN): Nothing. I can't break through it.

PANEL FIVE: Close-up of Superman's ear.

CAPTION (SUPERMAN): Wait, what's that?

PAGE 19

PANEL ONE: Goku appears down on the surface. He looks around.

GOKU: ...like it Vegeta... Huh?

PANEL TWO: Goku sees Superman coming in for a landing and immediately waves at him.

GOKU: Hi, I'm Goku.

SUPERMAN: Well you're a friendly one. I'm Superman.

PANEL THREE: Goku's eyes widen and he gets a huge cheesy smile.

GOKU: Wow, I've never felt Ki energy like yours before! You must be really strong.

SUPERMAN: You can sense that?

PANEL FOUR: They shake hands.

GOKU: Oh, yeah, for sure. I'm impressed!

SUPERMAN: Thank you. That's a powerful grip you have, you're pretty strong yourself.

PANEL FIVE: Goku smiles and scratches his head as Superman looks around again.

SUPERMAN: Do you know where we are?

GOKU: Nope, I have no idea.

PAGE 20

PANEL ONE: Goku and Superman look up and around as huge holographic monitors appear. Lord Unity is on the screen.

SFX: Bzzzt

LORD UNITY (MONITOR): Welcome Kal-El and Kakarot... or should I say Superman and Goku? I am Lord Unity. Due to your enormous power levels, I have chosen the both of you to participate in a battle to determine who is the strongest in the Multiverse.

PANEL TWO: Superman looks over at Goku.

SUPERMAN: Do you know who this guy is?

GOKU: Never seen him before.

SUPERMAN: Me neither, but he seems to know us.

PANEL THREE: Superman steps forward to address Lord Unity.

SUPERMAN: I'm sorry. I don't know who you think you are, but we're not just going to fight each other for your entertainment.

PANEL FOUR: Goku has a smile on his face again as Superman looks back at him with a dumbfounded "WTF?" look.

GOKU: I don't know, it sounds kinda fun.

PANEL FIVE: Close-up of Unity on the screens.

LORD UNITY (MONITOR): I don't think I've made myself clear. This fight will determine the very fate of your planets as well.

PAGE 21

PANEL ONE: On the screen, Unity shows them images of each of their respective teams. (Krillin, Bulma, Yamcha, Vegeta, Piccolo and Green Lantern, Wonder Woman, Cyborg, Batman, Martian Manhunter.)

LORD UNITY (MONITOR): The winner will get to see their friends again. But the loser's planet will be destroyed.

PANEL TWO: Superman and Goku look up at the giant screen with Unity on it.

LORD UNITY (MONITOR): As an added incentive, if I feel you are giving me the show I believe you can and there is a clear and decisive victor, then I will allow both of your worlds to survive. However, if I feel either of you are pulling your punches in anyway, or simply biding your time, I will not hesitate to destroy both planets.

DCZ: DC UNIVERSE VS. DRAGONBALL Z UNIVERSE

ISSUE 2: A JOINING OF TWO WORLDS

Written by
CAMERON TEVIS

Art by

ARTIST UNKNOWN AT THIS TIME

PAGE 1

PANEL ONE: 3rd Universe – Superman and Goku look up at the giant screen with Lord Unity on it.

LEGEND: Unknown Universe

LORD UNITY (MONITOR): You can either, resist and let both of your worlds die, or you can save one by simply fighting one another... But if you both give me your absolute best, you have the opportunity to save both worlds... The choice is yours.

PANEL TWO: Superman turns to Goku.

SUPERMAN: We have to get out of here somehow.

GOKU: Right.

PANEL THREE: Goku puts his hand on Superman's shoulder and with his other hand he puts his index finger to his forehead.

GOKU: Hold on, were going for a ride.

SUPERMAN: I've already tried flying out of here. There's a force field surrounding the planet.

GOKU: I'm going to teleport us out of here with my Instant Transmission.

PAGE 2

PANEL ONE: Goku has his hand on Superman's shoulder.

PANEL TWO: Same image as panel one, but Superman looks at Goku.

SUPERMAN: Is something supposed to happen?

PANEL THREE: Goku takes his hand off of Superman and laughs from embarrassment.

GOKU: It's not working here. I guess we're stuck. Ha, ha!

PANEL FOUR: Lord Unity is still on the monitor above them. Superman steps forward with clenched fists.

LORD UNITY (MONITOR): As you can see, there is no way off this planet. You know your choices. I suggest you make one immediately. The sooner you realize that it's in your best interests to fight, the safer your worlds will be.

SUPERMAN: How do we know you will keep your word?

PANEL FIVE: Superman looks back, with a baffled look at a very happy and excited Goku. The monitor with Lord Unity's image floats above them.

LORD UNITY (MONITOR): You don't, but you really have no choice.

SUPERMAN: Looks like we have to humor him..

GOKU: Alright!!!

SUPERMAN: ...at least until we can figure something else out, or give my friends time to find us.

PAGE 3

PANEL ONE: DCU – Establishing shot of the Watchtower in geosynchronous orbit around Earth.

LEGEND: DCU Watchtower

PANEL TWO: Green Lantern and Wonder Woman lead Martian Manhunter, and Cyborg down the halls of the new Watchtower in orbit. Green Lantern looks distressed.

GREEN LANTERN: Ah man, really? Do we have to go to him?

WONDER WOMAN: If anyone can find Superman, it's him.

PANEL THREE: Green Lantern looks up at the sky and raises his hands to emphasize his dislike.

GREEN LANTERN: There's gotta be another way. He's such a downer.

PANEL FOUR: As the four walk, Wonder Woman looks back at Cyborg and Martian Manhunter.

WONDER WOMAN: How? You said your ring couldn't detect Superman. Manhunter can't locate him telepathically and Cyborg's checked every frequency and media outlet available. We have nothing. He's our last chance.

PANEL FIVE: Wonder Woman stops at a closed door. Green Lantern looks exasperated.

GREEN LANTERN: I get it. I get it. Ugh... Figures, I'd finally have a chance to come back to Earth after all this time and I have to see...

PAGE 4

SPLASH PAGE: Batman stands in the assembly room of the Watchtower.

CAPTION (GREEN LANTERN): ...Batman!

PAGE 5

PANEL ONE: DBZU – Vegeta rushes over to where Krillin and Yamcha are sparring. Bulma is lying out on the beach in her bikini. They can tell Vegeta is distressed and look concerned.

LEGEND: Roshi Island

KRILLIN: What is it Vegeta?

VEGETA: Kakarot is gone! He disappeared.

PANEL TWO: Krillin and Yamcha don't even care. They go back to training.

KRILLIN: Okay, thanks Vegeta.

PANEL THREE: Yamcha hides his mouth from Vegeta and whispers to Krillin. Krillin holds back his laughter at Yamcha's comment.

YAMCHA: I'd probably disappear too if I got stuck training with Vegeta.

PANEL FOUR: Vegeta gets angry and yells at them.

VEGETA: This is not a joke! It wasn't his Instant Transmission, it was something else.

PANEL FIVE: Bulma, Yamcha and Krillin walk up to Vegeta.

KRILLIN: Okay calm down. What do you mean 'he disappeared'?

VEGETA: We were training, and then I saw him just disappear.

PAGE 6

PANEL ONE: Krillin looks at Yamcha and Vegeta.

KRILLIN: Now that you mention it. I don't feel Goku's energy at all. Something must be wrong.

VEGETA: That's what I've been trying to tell you.

PANEL TWO: Krillin looks at Yamcha. Bulma starts getting dressed in the background. She has her shirt over her head so she can't see.

KRILLIN: We should go to the Watchtower, maybe Piccolo knows something.

YAMCHA: Good idea Krillin.

BULMA: Wait for me, guys.

PANEL THREE: With her shirt on now, she looks up and sees Vegeta, Yamcha and Krillin flying off.

BULMA: I said wait!

PANEL FOUR: She opens a Capsule case and pulls out a Capsule.

BULMA: Oh no, you're not leaving me behind this time.

PANEL FIVE: The capsule pops and as the smoke clears, there sits a new air bike with a separate bike suit.

SFX: Pamf!

BULMA: Ha, ha! Instant air-bike.

PAGE 7

PANEL ONE: 3rd Universe – Lex Luthor sits at the control desk of the space station near the large window overlooking the planet. The desk area has numerous monitors. Each monitor he looks at has images of Goku and Superman on them. The non-corporeal Lord Unity stands next to him.

LEGEND: Lord Unity's Space Station. Unknown Universe.

LEX LUTHOR: You can't be serious. That guy is the strongest in their universe? He won't last five minutes against Superman.

LORD UNITY: I think you'll be surprised. He might even be stronger.

PANEL TWO: Lex looks back at Unity.

LEX LUTHOR: I doubt that. I'll give this to you though... you certainly know how to motivate Superman to fight.

PANEL THREE: Lord Unity walks away from the control desk. Lex follows behind.

LORD UNITY: Come, now that we have them out of the way it's time for Phase 2.

PAGE 8

PANEL ONE: DCU – Batman sits silently at the round table. Green Lantern, Cyborg, Martian Manhunter and Wonder Woman all sit at the table as well, watching him, waiting for answers.

LEGEND: DCU Watchtower

BATMAN: And you're sure it wasn't a Zeta Beam? Or some other technology we've seen before?

PANEL TWO: Cyborg sits at the table looking at Batman.

CYBORG: It had a similar result, but the energy signature left behind was closer to Boom Tube tech. But it definitely wasn't a Boom Tube either. My sensors have never picked up anything like it before.

PANEL THREE: Close-up of Batman.

BATMAN: And it just happened to take the most powerful being on the planet? It...

SFX: Rumble

PANEL FOUR: Batman is interrupted as the entire Watchtower starts shaking violently.

GREEN LANTERN: What the hell's happening?

SFX: Rummble

PAGE 9

PANEL ONE: Batman, Martian Manhunter, Wonder Woman, Cyborg and Green Lantern rush to the control room to see what's going on. Monitors line the Bridge next to a large window that overlooks Earth.

SFX: Rumbbble!

WONDER WOMAN: It's getting stronger whatever it is!

PANEL TWO: Batman sits at a monitor to pull up any information as to what's going on.

BATMAN: Whatever it is, it's happening all over the planet.

PANEL THREE: Green Lantern and Cyborg take a step back in awe as they see a huge energy wave coming straight for the Watchtower.

GREEN LANTERN: It must be coming from that... whatever that is.

PANEL FOUR: Green Lantern protects the whole team in a green barrier, ring-construct in case it destroys the Watchtower.

GREEN LANTEN: Get down!!

PAGE 10

PANEL ONE: The wave engulfs the entire Watchtower.

PANEL TWO: On the Bridge of the Watchtower, they realize it didn't cause any damage. Green Lantern releases them from the protective barrier.

CYBORG: We're okay! It passed by harmlessly.

WONDER WOMAN: But what is it and where's it going?

PANEL THREE: Batman looks at the monitors again.

BATMAN: It's going to hit Earth!

PANEL FOUR: Earth is engulfed in the wave.

PANEL FIVE: Batman rushes to a teleporter with everyone following close behind.

BATMAN: We have to get down there, now!

PAGE 11

PANEL ONE: DBZU - Krillin, Yamcha and Vegeta start to land on the Watchtower. Piccolo and Dende look up and see them coming.

LEGEND: DBZ Watchtower

DENDE: Krillin!

KRILLIN: Hey Dende!

PANEL TWO: After they land, Piccolo walks up to the group.

PICCOLO: You must be here because of Goku.

KRILLIN: You felt his energy disappear too? What does it mean?

PANEL THREE: Dende joins the group.

DENDE: We don't know. I spoke with Master Kai as well, even he doesn't know.

PANEL FOUR: Bulma finally arrives, suited up and on her air-bike. Piccolo is face-palming.

BULMA: I told you guys to wait!

PICCOLO: Oh, great. What is she doing here?

PANEL FIVE: After landing, Bulma marches over to the group pointing her finger at Piccolo.

BULMA: I don't want to hear it Piccolo! If something happened to Goku then I'm going to help.

PAGE 12

PANEL ONE: The Watchtower starts shaking so violently that Bulma falls to the ground at Piccolo's feet.

BULMA: What's happening?

SFX: Ruumbble!

PANEL TWO: Piccolo, Vegeta and Krillin look up and see that the sky is changing colors.

KRILLIN: Did somebody call the Eternal Dragon?

PANEL THREE: Dende closes his eyes.

DENDE: No. It's definitely not Shenron. I don't know what it is.

PANEL FOUR: Dende's eyes flicker open in terror.

DENDE: Something's happening! The world, it's... changing!

PAGE 13

PANEL ONE: DCZ (combined universe) – The Justice League, including Batman, Cyborg, Green Lantern and Wonder Woman beam down to the planet's surface.

BATMAN: Spread out! We need to...

PANEL TWO: Martian Manhunter grabs his head in agony and yells from the immense pain.

MARTIAN MANHUNTER: Ahhhhh!

PANEL THREE: The Manhunter falls to the ground in pain. Batman rushes to help him.

BATMAN: What's wrong? What's happening to you?

MARTIAN MANHUNTER: So... many minds...

PANEL FOUR: Martian Manhunter looks up at Batman as the pain begins to subside.

MARTIAN MANHUNTER: So many minds, it's as if millions of people just appeared. It was like an explosion in my head. I just need a moment.

PANEL FIVE: Green Lantern holds up his ring as it glows bright.

GREEN LANTERN: He's right. My ring says the population just increased dramatically, it practically doubled in an instant.

CYBORG: Guys...

PAGE 14-15

2 PAGE SPREAD: The Justice League turn and see the Metropolis skyline, but it looks nothing like it once did. Martian Manhunter gets back on his feet to look as well. The skyline is now an amalgamation of what it once was, with the rounded dome-top buildings found in the Dragonball Z universe.

CYBORG: ...you need to see this!

GREEN LANTERN: What happened to Metropolis?

PANEL TWO: Batman looks at Cyborg and Green Lantern.

BATMAN: We need to figure out how extensive whatever's happening is. Cyborg, do a sweep of all media and anything else you can find. Lantern, contact the Corps to see if this is happening anywhere else.

PAGE 16

PANEL ONE: Cyborg immediately gets a response. He projects a small hologram showing a cat in a suit wearing glasses (King Furry).

CYBORG: I'm definitely getting weird reports from all over the world. There's widespread panic, but one nation is getting addressed by its leader to remain calm, but... he looks like a cat.

WONDER WOMAN: What?

PANEL TWO: Green Lantern gets a holographic message from Salaak and Kilowog on his ring.

SALAAK: Yes, we are getting reports from all over the universe. It's almost as if the universe doubled in population.

GREEN LANTERN: Thanks Salaak. Keep me posted if you find out anything else. I'll look on my end. Jordan out.

PANEL THREE: Cyborg looks at a small monitor on his forearm.

CYBORG: The additions to the population have the same energy signature as when Superman vanished.

BATMAN: That means it's connected.

PANEL FOUR: Close-up of the monitor on Cyborg's forearm. It shows an image of the globe with seven points blinking on different areas of the planet (South America, Russia, two in Kansas, Scotland, Australia, and a small island in the middle of the ocean).

CYBORG: There's something else. There seems to be seven new, very distinct signals all across the planet.

PANEL FIVE: Batman looks at the other team members (Green Lantern, Martian Manhunter, Wonder Woman and Cyborg).

BATMAN: It's the best lead we've got, where's the closest signal coming from?

CYBORG: Here, in Metropolis.

PAGE 17

PANEL ONE: 3rd Universe – Goku stretches as Superman looks at him confused.

SUPERMAN: What are you doing?

GOKU: I'm stretching. Need to be ready if I'm going to defeat you.

SUPERMAN: You're taking this well.

PANEL TWO: Goku stands straight up and looks at Superman with a smile.

GOKU: This could be fun.

SUPERMAN: You can't be serious?

PANEL THREE: Goku drops into a fighting stance.

GOKU: Oh, yeah. You ready?

SUPERMAN: I guess. You start. I don't want to hurt you.

PANEL FOUR: Without hesitation Goku charges Superman.

GOKU: Ahhhhh!

PANEL FIVE: Goku lands a powerful right-punch across Superman's face. Superman's head barely turns to the right from the impact.

SFX: Kra-Koooom!

PAGE 18

PANEL ONE: Goku shakes his hand in pain and Superman lifts an eyebrow, unfazed but surprised.

GOKU: Ow! Ow! Ow!

SUPERMAN: You didn't even hesitate.

PANEL TWO: Goku holds his right hand with his left to rub out the pain.

GOKU: If this is all we have to do to save our worlds, then I say let's give 'em a show. I can sense how powerful you are, I knew you could handle it. I just didn't realize how hard you are.

PANEL THREE: Superman sees the logic, but is still shocked at the willingness of this seemingly harmless person.

SUPERMAN: I guess, but how can we do this without hurting you? That was a powerful punch and all, but...

GOKU: Don't worry about me, I can handle it.

PANEL FOUR: Close-up of Goku with a mischievous smile.

GOKU: But it's obvious I'll have to take this up a notch.

PAGE 19

PANEL ONE: Goku squats down a little and clenches both fists. His body starts glowing.

GOKU: Raaa!

PANEL TWO: Energy engulfs Goku and creates a crater underneath his feet.

SFX: Krrrk!

PANEL THREE: Close-up of Goku's thick black hair.

PANEL FOUR: Close-up of Goku's hair. It's gold and standing straight up.

PANEL FIVE: The energy pushes Superman back a little as he holds up his hands to block the intense, blinding light radiating from Goku.

SUPERMAN: What?!

GOKU: Raaaaa!

PAGE 20

PANEL ONE: Superman is amazed to see Goku's new appearance. Goku's black hair is now golden and pointing straight up, his black eyes have turned bluish-green and his body glows with a golden aura. Small electrical currents course throughout his body and hair.

GOKU: Now, let's try that again. I suggest you be ready this time.

PANEL TWO: Goku charges at Superman and Superman drops to a defensive position.

GOKU: Ahhhh!

DCZ: DC UNIVERSE VS. DRAGONBALL Z UNIVERSE

ISSUE 3: CLASH OF THE TITANS

Written by
CAMERON TEVIS

Art by
ARTIST UNKNOWN AT THIS TIME

PAGE 1

PANEL ONE: Superman goes flying back from Goku's powerful punch.

LEGEND: Unknown Universe

SFX: Tham!!

PANEL TWO: Superman hits the ground hard, leaving a long impact crater and shattering dozens of tiles on the way.

SFX: Ba-koom!

PANEL THREE: Still on the ground, Superman grabs his chin.

CAPTION (SUPERMAN): Okay... That one hurt. He's definitely stronger than I thought.

PANEL FOUR: Superman looks up and sees Goku charging in for another attack.

GOKU: Ahh!

PANEL FIVE: Superman moves quickly and Goku punches the ground, shattering the earth and making an even bigger crater.

SFX: BOOOM!

PAGE 2

PANEL ONE: Superman flies above the ground to see the destruction Goku's punch left behind.

CAPTION (SUPERMAN): I can't believe how powerful he is. He seemed so innocent and carefree I never would've guessed he'd be like this.

PANEL TWO: Superman looks back when he realizes Goku is right behind him.

GOKU: Hi!

CAPTION (SUPERMAN): What? How did he get up here so fast?

PANEL THREE: Goku swings to hit Superman, but Superman ducks and instinctually hits Goku in the stomach with an elbow.

SFX: Thuud!

PANEL FOUR: Superman is panicked when he sees Goku flying back into the ground, leaving a crater on impact.

CAPTION (SUPERMAN): Oh, no! It was a reflex! I didn't mean to hit him that hard.

SFX: Kreshhhh!!

PANEL FIVE: Goku looks up from the crater with a big smile on his face.

GOKU: That was a great hit! I knew you were strong!

PANEL SIX: Superman is shocked to see Goku isn't even fazed.

SUPERMAN: Who is this guy? I don't know if I've ever met anyone as strong as him before.

PAGE 3

PANEL ONE: Old Kai sits and looks at his crystal ball while Supreme Kai stands over him, anxious.

LEGEND: World of the Kais

SUPREME KAI: What's happened out there? Everything is so different.

OLD KAI: Hmmmm. Our universe appears to have somehow joined with another universe. Strange, but I've seen something like this once before... a long time ago.

PANEL TWO: Supreme Kai looks worried. Old Kai is holding up his hand to stop the Supreme Kai.

SUPREME KAI: I'd better get down there and see if they need any help.

OLD KAI: No. We must wait and see the cause. If it's what I believe it is, then we'll need Goku. We need to find out what's happened to him first.

PANEL THREE: Supreme Kai looks around. Old Kai plays with his mustache as he ponders the question.

SUPREME KAI: If the universe joined with another, why didn't anything change up here? Wouldn't our world change as well?

OLD KAI: I'm not sure.

PANEL FOUR: Deep space – a planet has clearly been destroyed. Debris floats aimlessly in space.

CAPTION (OLD KAI): Maybe there is no parallel planet in their universe...

PANEL FIVE: In the floating debris, a piece of the Citadel of the Guardians of the Galaxy floats by with a clear image of the Green Lantern Corps logo on it.

CAPTION (OLD KAI): ...or perhaps it was destroyed.

PAGE 4

PANEL ONE: Lex Luthor looks around as he walks through the newly transformed city of Metropolis at night. He is accompanied by the non-corporeal Lord Unity.

LEX LUTHOR: This better be temporary. I liked my Metropolis how it was.

LORD UNITY: I assure you it is. Now, you said your suit has already picked up the Dragonballs energy signature?

PANEL TWO: He looks at his forearm display.

LEX LUTHOR: Yes, I've already located all seven. Like I said, I like to be prepared for everything. It should actually be...

PANEL THREE: Lex and Unity look up and see they've reached the Metropolis Historical Museum. It's closed for the evening, but a large banner reads 'Check Out Our New Gem & Mineral Exhibit!'

LEX LUTHOR: ...in here.

PANEL FOUR: (POV- Inside the museum) Lex Luthor blasts the doors open, sending glass and debris into the entrance walkway.

SFX: Pkshh! Kresh!

PANEL FIVE: Lex and Unity walk in and look around.

LEX LUTHOR: It has to be here somewhere.

PANEL ONE: Cyborg looks at his scanner as he leads Batman, Green Lantern, Wonder Woman and Martian Manhunter to the entrance of the museum. They see that the entrance has been destroyed.

CYBORG: Whatever it is leaving the energy signature, it's in there.

GREEN LANTERN: Looks like it broke its way in.

PANEL TWO: Batman is close behind Cyborg as they take the lead and enter the dark museum. Cyborg is pointing in one direction.

BATMAN: Which way?

CYBORG: This way.

PANEL THREE: Lex Luthor holds the Dragonball up and examines it closely. A display case nearby is shattered and filled with other precious stones.

LEX LUTHOR: Such a small thing. How can this be as powerful as you say?

BATMAN (o.s.): Luthor!

PANEL FOUR: Lex Luthor and Lord Unity turn and see the Justice League approaching, led by Batman.

LEX LUTHOR: Time to leave!

PANEL FIVE: Lex Luthor and Unity beam out of the museum just as the Justice League reaches them.

SFX: Zewwwwm!

MARTIAN MANHUNTER: They're disappearing just like Superman!

PANEL SIX: Batman looks at the display case with Cyborg.

CYBORG: The signal disappeared with them.

BATMAN: At least we know we're on the right track... You said there were six more signals?

PAGE 6

PANEL ONE: A plane flies over South America.

LEGEND: Guatemala, Central America

PANEL TWO: Bulma pilots the plane with the Z-Fighters, Piccolo, Vegeta, Yamcha and Krillin, piled in it. Piccolo and Vegeta look irritated at what little space they have to move in.

KRILLIN: It's a good thing you brought your Dragon Radar, Bulma. We might need to call Shenron to fix everything.

BULMA: I've been around you guys long enough to know to always keep it handy. The signal is coming from down there.

PANEL THREE: Beneath the plane is the Temple of Tikal.

PANEL FOUR: The plane lands vertically, a safe distance away from the Temple.

PANEL FIVE: The Z Fighters exit the plane. Bulma leads them as they look around. She looks at her Dragon Radar as she walks.

BULMA: It looks like it might actually be in the Temple itself.

PAGE 7

PANEL ONE: Unity's Space Station - Lex Luthor looks closely at the monitors which have images of the Justice League on them. The largest monitor shows the Batwing flying next to Green Lantern and Martian Manhunter.

LEX LUTHOR: Hmmm. How did they catch on so quickly?

PANEL TWO: Lord Unity looks at Lex.

LORD UNITY: Perhaps they discovered the Dragonball signals.

LEX LUTHOR: If that's the case then we had better hurry.

PANEL THREE: Lex looks at the controls on the dashboard.

LEX LUTHOR: We may need help in procuring the rest of the balls before the League does. I'm going to need you to show me how the rest of this machine works.

PAGE 8

PANEL ONE: The Z Fighters look up and see the Batwing with Martian Manhunter and Green Lantern coming in for a landing.

KRILLIN: Who's that?

PANEL TWO: With the canopy open, Batman, Wonder Woman and Cyborg exit the Batwing.

PANEL THREE: Krillin sees Cyborg's cybernetics.

KRILLIN: That one looks like one of Dr. Gero's Androids. They could be Red Ribbon Army. If so, then that means they're after the Dragonball.

PANEL FOUR: Cyborg's amplified hearing enables him to hear Krillin. Vegeta steps forward aggressively.

CYBORG: I assure you, we aren't with any army.

VEGETA: Who cares who you are? The Dragonball is ours.

PANEL FIVE: Cyborg raises his hands to calm Vegeta down and let him know he doesn't mean them any harm.

CYBORG: Calm down. We don't even know what a Dragonball is. We'll get out of your way once we get what we came for.

PANEL SIX: Vegeta raises a clenched fist near Cyborg's face.

VEGETA: You'll get out of my way now or I'll blast you all.

PAGE 9

PANEL ONE: Wonder Woman steps in front of Cyborg. She towers over Vegeta. Vegeta refocuses his anger on her instead of Cyborg.

WONDER WOMAN: There's no need for threats little man. Please just calm down.

VEGETA: Little man? How dare you speak to the Prince of all Saiyans like that!

PANEL TWO: Close-up of a stern and serious Wonder Woman.

WONDER WOMAN: I said... calm down. Do not make me restrain you.

PANEL THREE: Vegeta laughs. Behind him Krillin is face-palming, he knows Vegeta is being an ass.

VEGETA: Hah! Restrain me? Don't make me laugh woman! What could you possibly...

PANEL FOUR: Wonder Woman punches Vegeta with a solid left that sends him flying. In the background, Krillin and Yamcha are shocked, they can't believe their eyes.

SFX: KRAK!!

WONDER WOMAN: Raaa!

VEGETA: Hkkk!!

PAGE 10

PANEL ONE: Wonder Woman stands over Vegeta as he starts getting back on his feet. Ironically, she has the very pride that pisses her off about him.

WONDER WOMAN: Woman? I am an Amazonian Princess, daughter of Queen Hippolyta, and no man talks to me like that.

VEGETA: I don't know why I can't sense your energy level*, but it doesn't matter. Woman or not, that was a mistake you'll soon regret.

CAPTION: *The Z Fighters can sense power levels in all beings except for Gods.

PANEL TWO: Vegeta goes Super Saiyan. Wonder Woman covers hers eyes from the blinding light.

VEGETA: Raaa!

PANEL THREE: Vegeta punches Wonder Woman, sending her back into Cyborg and knocking them both down.

VEGETA: Ahhh!

SFX: Krakoom!!

PAGE 11

PANEL ONE: Krillin grabs Bulma and pushes her towards the Temple and away from danger.

KRILLIN: We gotta get you out of here Bulma!

PANEL TWO: Cyborg and Wonder Woman get back on their feet. Cyborg sees Krillin and Bulma making a run for the temple.

CYBORG: They're heading for the signal!

WONDER WOMAN: I got this. Go!

PANEL THREE: Krillin looks back and sees Cyborg running after them.

KRILLIN: You go get the Dragonball, I'll hold him off.

PANEL FOUR: Krillin runs back towards Cyborg. Cyborg raises his arm as it morphs into the White Noise Cannon.

CYBORG: Stop, I don't want to hurt you.

PANEL FIVE: With Krillin's speed, he jumps up and kicks the cannon a different direction.

SFX: Thak!

KRILLIN: Funny, I couldn't tell with you pointing a gun at me.

PAGE 12

PANEL ONE: Yamcha tries to help Krillin by making a run for Cyborg.

YAMCHA: I'm coming Krillin!

PANEL TWO: Green Lantern flies over and picks Yamcha up with a ring construct around his waist to restrain him. But, fortunately for Yamcha, his arms are still free.

GREEN LANTERN: Where do you think you're going?

PANEL THREE: Yamcha immediately puts his hands together and starts saying 'Kamehameha'. Green Lantern has a confused look on his face.

YAMCHA: Kaaa-Meh-Haa-Meh...

GREEN LANTERN: What are you saying?

PANEL FOUR: An energy wave comes shooting out of Yamcha's hands. It forces Green Lantern to release him and put up a ring construct shield to deflect the blast.

YAMCHA: ...Haaaa!

SFX: Pksshhh!!

GREEN LANTERN: Whoaa!

PANEL FIVE: Yamcha lands safely on the ground.

PAGE 13

PANEL ONE: Having taken off on his own, Batman is no longer present. While Wonder Woman and Vegeta fight and Green Lantern and Yamcha fight, Martian Manhunter glances over and sees Piccolo in the distance. Piccolo, wrapped in his white cape and turban, just watches as the others fight. Manhunter only sees his green face from afar.

CAPTION (MARTIAN MANHUNTER): It can't be! Is he..?

PANEL TWO: Martian Manhunter approaches Piccolo and talks to him telepathically. Piccolo has a surprised look on his face.

MARTIAN MANHUNTER (TELEPATHICALLY): Are you Martian?

PANEL THREE: Realizing who did it, Piccolo becomes enraged from the mental invasion. He swings to punch Manhunter, but Manhunter phases out. Piccolo's punch goes right through him like air.

PICCOLO: Stay out of my head!

PANEL FOUR: With the advantage after the swing, Manhunter becomes solid again, grabs Piccolo and puts him in a Full Nelson.

MARTIAN MANHUNTER: Stop this!

PANEL FIVE: Piccolo breaks free and slams his head backwards to smash into Manhunter's nose.

SFX: Krak!

PICCOLO: Get off of me!

PAGE 14

PANEL ONE: Vegeta attacks Wonder Woman but she blocks his punches with her bracelets.

SFX: Thoom! Thoom! Thoom!

PANEL TWO: Vegeta lands a solid punch to her face.

SFX: Tak!

PANEL THREE: She wipes blood from her lip and looks at it.

PANEL FOUR: She becomes enraged and cracks him in the face with a solid punch of her own.

WONDER WOMAN: Raaa!

SFX: Krak!

PANEL FIVE: She uses her lasso to catch him by the wrist.

PAGE 15

PANEL ONE: With her lasso tied to his wrist, she slams his body into the ground with earth-shaking ferocity.

SFX: Tha-doooooom!

PANEL TWO: Wonder Woman stands over him.

WONDER WOMAN: Have you had enough?

PANEL THREE: Vegeta smiles and pulls the lasso off his wrist.

VEGETA: I'm just getting started woman.

PANEL FOUR: He charges towards her.

VEGETA: Raa!

PAGE 16

PANEL ONE: Inside the Temple, Bulma finds the Dragonball with her radar.

BULMA: There it is!

PANEL TWO: She picks it up, but is startled when someone yells at her from behind.

BATMAN (o.s.): Put it down... Now!

PANEL THREE: She turns and sees the Dark Knight glaring down on her. She looks terrified.

BATMAN: What does Lex Luthor want with that?

PANEL FOUR: She's scared but knows they need the ball.

BULMA: Wh-who? W-we... need this.

PANEL FIVE: Batman looks down at her with analyzing eyes.

PAGE 17

PANEL ONE: Cyborg throws Krillin back with a blast from his White Noise Cannon.

SFX: Skreeee!

KRILLIN: Uhgg.

PANEL TWO: Krillin lands on his feet and immediately counter-attacks. He raises his hand up in the air and a disc of light forms.

KRILLIN: Destructo Disk!

PANEL THREE: Cyborg dives out of the way and fires a stronger energy blast at Krillin. But Krillin dodges the powerful blast.

SFX: Ka-thoom!

PANEL FOUR: Green Lantern has captured Yamcha in another, construct this time containing his arms. Piccolo and Manhunter are ferociously fighting each other and Krillin is setting up a Kamehameha wave of his own aimed at Cyborg.

KRILLIN: Kaa-me-ha...

PAGE 18

PANEL ONE: Wonder Woman and Vegeta are going blow for blow.

SFX: Thoom! Crack!

PANEL TWO: Vegeta takes a step back.

VEGETA: I have never seen a woman as powerful as you before. You would've made a great Saiyan warrior. It's almost a shame I have to kill you.

WONDER WOMAN: Keep talking little man.

PANEL THREE: They charge at each other again.

PANEL FOUR: Batman and Bulma run out of the Temple shouting at the others. Krillin and Cyborg look back at them. Krillin stops before he finishes his Kamehameha wave.

BATMAN: Stand down!

BULMA: Guys stop!!

PAGE 19

PANEL ONE: Batman and Bulma watch as Vegeta and Wonder Woman continue to trade impressive blows. Hit after hit. Everyone else has stopped fighting, but stay on-guard.

SFX: Thoom! Thoom!

PANEL TWO: Batman looks closely at Vegeta's fighting style with interest.

PANEL TWO: Batman and Bulma yell up at them.

BULMA: Stop it this instant Vegeta!

BATMAN: Wonder Woman! I said stand down!

PANEL THREE: Vegeta and Wonder Woman stay in their defensive positions, but look back at Batman and Bulma.

VEGETA: Rrr!

PANEL FOUR: Batman approaches them as Vegeta and Wonder Woman relax their stances. They still glare at one another.

BATMAN: We have information you both may want to hear.

PAGE 20

PANEL ONE: The Z Fighters and the Justice League are gathered around as Batman and Bulma talk things out. Green Lantern is holding back laughter.

LEGEND: Later

BULMA: So, you guys are trying to collect the Dragonballs but you don't even know what they are? Or what they can do?

BATMAN: We didn't realize we were chasing... 'Dragonballs' until we got here.

GREEN LANTERN: pfft... dragon balls? Hah!

PANEL TWO: Batman shoots Green Lantern a look that shuts him up quick. Cyborg addresses Bulma.

CYBORG: We thought whatever was leaving that signal had something to do with our friend vanishing... and caused whatever happened to the planet.

PANEL THREE: Bulma looks at Batman.

BULMA: That's strange. Our friend vanished as well. But the Dragonballs aren't responsible for any of it. They could be the solution though. If all seven balls are collected, the Eternal Dragon, Shenron, will fulfill any two wishes you desire.

BATMAN: That explains what Lex wants them for.

PANEL FOUR: Cyborg looks at Krillin.

CYBORG: Lex Luthor is an evil, greedy man. Not exactly the kind of person you'd want to get their wish fulfilled.

KRILLIN: Then maybe we should split up, so we can collect them before he can. There are 10 of us and only one of him.

PAGE 21

PANEL ONE: 3rd Universe - The entire ring is destroyed. Goku and Superman look battle damaged. They are panting and out of breath.

GOKU: Isn't this exciting?

SUPERMAN: Exciting? I can't stand violence and I hate the thought of hurting anyone.

PANEL TWO: Superman looks at Goku.

GOKU: I could tell you were holding back. I don't want to hurt anyone either, but isn't it exciting to see who the best is? To know you can really let loose and test your skill for fun against someone that isn't just trying to kill you? Fighting isn't always about hate. It can be about skill and competition too.

PANEL THREE: Goku looks at Superman.

SUPERMAN: I never thought of it like that. But I can't go all out. If I do, people get hurt.

GOKU: I can tell from your Ki you're a good person Superman, but I promise you, there's no reason to hold back with me.

PANEL FOUR: Superman thinks about it. Goku has a huge cheesy smile.

SUPERMAN: Actually, I have wondered just how far I could push myself... And you think you can handle it if I go all out?

GOKU: Are you kidding? I'm excited to see what you can do! Besides, this is a chance to save both of our worlds.

PANEL FIVE: The same image of Goku and Superman, but now as seen through a monitor and their voices are coming through the speakers.

SUPERMAN (MONITOR): Okay, but only if you promise you'll let me know if I go too far.

GOKU (MONITOR): Deal! Ready?

SUPERMAN (MONITOR): Ready.

PANEL SIX: On the monitor Goku and Superman charge at each other.

GOKU (MONITOR): Ahh!

PAGE 22

PANEL ONE: Lex Luthor looks back from the monitors.

LEX LUTHOR: As you can see, Superman has his hands full. But the rest of the Justice League are trying to collect the orbs as well.

PANEL TWO: Standing by Lex Luthor is Black Adam, Deathstroke, Solomon Grundy, and Sinestro.

LEX LUTHOR: That's where you come in.

TO BE CONTINUED

DCZ: DC UNIVERSE VS. DRAGONBALL Z UNIVERSE

ISSUE 4: THE SEARCH BEGINS

Written by
CAMERON TEVIS

Art by
ARTIST UNKNOWN AT THIS TIME

PAGE 1

PANEL ONE: Batman, Cyborg and Bulma are huddled together working on something. Krillin stays close to Bulma, unsure of Batman and Cyborg.

Vegeta and Wonder Woman stare each other down, while Piccolo and Martian Manhunter have a serious conversation. Green Lantern stares at Bulma's ass and Yamcha gawks at Wonder Woman.

LEGEND: Guatemala, Central America

BULMA: It's a good thing I had these extra components.

PANEL TWO: Martian Manhunter is very curious about Piccolo, but Piccolo exhibits very little interest in Manhunter.

MARTIAN MANHUNTER: You said you have regenerative abilities as well?

PICCOLO: Yes.

MARTIAN MANHUNTER: It amazes me we can have such similar abilities, and yet you're not Martian.

PANEL THREE: Close-up of Bulma as she looks down on their project with a big smile.

BULMA: That should do it! Man, I'm good!

PAGE 2

PANEL ONE: Batman, Cyborg and Bulma get everyone's attention. Yamcha and Green Lantern are standing by each other.

BATMAN: Okay everybody, we managed to put together 3 more of Bulma's Dragon Radars. We're going to split up into pairs.

PANEL TWO: Green Lantern and Yamcha both interrupt Batman at the same time.

GREEN LANTERN & YAMCHA: Dibs on the hot chick!!!

PANEL THREE: Green Lantern and Yamcha look at each other in surprise.

GREEN LANTERN: Huh?

PANEL FOUR: An irritated Batman gives them both a stern look.

BATMAN: I'll pick the teams. Since I don't know you people, I want someone from each of our universes paired up. Lantern, you and your new best friend there, take one of the Radars.

PANEL FIVE: Piccolo and Martian Manhunter are standing by one another. Batman is pointing at them both with one hand.

BATMAN: Manhunter, you two take one.

PAGE 3

PANEL ONE: Batman looks back at Krillin and Cyborg.

BATMAN: Cyborg you can detect the Dragonballs, so you take Krillin.

PANEL TWO: Batman sees Vegeta step forward, aggressively passing Piccolo.

VEGETA: And who are you to decide?

BATMAN: You're partner, that's who.

PANEL THREE: An aggravated Vegeta looks at Batman.

VEGETA: What? You can't be serious?

PANEL FOUR: Batman looks at Wonder Woman who is standing near Vegeta. She's still glaring at him, just waiting for him to do something stupid.

BATMAN: There's no one else. I'm certainly not pairing you with Wonder Woman. I don't need the two of you killing each other while Lex is out there collecting the other Dragonballs.

PANEL FIVE: Krillin and Bulma both speak up.

KRILLIN: Good idea.

BULMA: Mm-hmm.

PAGE 4

PANEL ONE: Vegeta starts walking away from the group.

VEGETA: I'll go alone. I won't waste my time with the weakest among you.

BATMAN: Wait!

PANEL TWO: Vegeta looks back, amazed at Batman's audacity.

VEGETA: What did you say to me?

PANEL THREE: Batman gets in Vegeta's face.

BATMAN: Somehow you can sense people's power levels, right? Except, I heard you say for some reason you couldn't sense Wonder Woman's. Did it ever occur to you that perhaps it's different in our universe? And that perhaps I'm much more powerful than I appear? I am with these people for a reason.

PANEL FOUR: Vegeta narrows his eyes as he considers the possibility.

BATMAN: Now, I have the last Radar, so you can either join me or you can stay here on your own.

PANEL FIVE: Vegeta crosses his arms and Batman looks at Bulma.

VEGETA: Fine.

BATMAN: Bulma, use your Dragon Radar and take Wonder Woman with you, she'll protect you... Now let's go everyone.

PAGE 5

PANEL ONE: 3rd Universe - Goku throws a reverse elbow, but Superman blocks it with both hands.

SFX: Thoom!!

PANEL TWO: Superman flies backward to get some distance from Goku.

SUPERMAN: You know, I usually just depend on my strength, but you're not only strong, you're an amazing fighter too.

PANEL THREE: Goku flies into the air in front of Superman.

GOKU: Thanks!

SUPERMAN: It's a good thing Batman showed me some techniques, otherwise I don't know how well I'd be doing against someone like you.

PANEL FOUR: Goku smiles.

GOKU: I still feel like you're holding back though. Don't, I still got a few tricks left myself.

PANEL FIVE: Superman smiles.

SUPERMAN: I'm beginning to see why you find this so exhilarating.

PAGE 6

PANEL ONE: The massive monitors appear again and interrupt their battle. Lord Unity's image appears on them.

LORD UNITY: Excellent. But, I'm quite aware of both of your power levels and I can see you are both still holding back. If you intend for both of your worlds to survive, then I suggest you end the warm-up round.

PANEL TWO: Superman looks angry as he looks at the monitor. Goku is close behind him watching the monitor as well.

SUPERMAN: As fun as this is, we can't just keep being pawns in his game.

GOKU: You said you have friends out there that will be looking for you right?

PANEL THREE: Superman looks back at Goku.

SUPERMAN: Yes.

GOKU: So do I. If you trust them as much as I trust mine, then the best thing we can do is buy them more time to find us.

PANEL FOUR: Goku looks at Superman.

SUPERMAN: Hmmm. Agreed.

GOKU: Then let's really entertain them.

PANEL FIVE: Goku starts charging up again.

GOKU: Ahhh!

PAGE 7

PANEL ONE: Goku's hair grows in length.

GOKU: Ahhh

PANEL TWO: Superman is covering his eyes again from the light.

PANEL THREE: The light subsides and now Goku is a Super Saiyan 3. His golden hair passes the small of his back and his eye brows have disappeared.

SUPERMAN: How many changes do you have?

PANEL FOUR: Close-up of Goku as he smirks.

PAGE 8

PANEL ONE: Goku charges Superman.

GOKU: Aah!

PANEL TWO: Their hands interlock as Goku pushes Superman back towards the ground.

SUPERMAN: Rrrr!

PANEL THREE: Superman manages to stay on his feet when they hit the ground together. But, the energy creates a massive crater beneath them.

SFX: Tha-Dooooom!

PAGE 9

PANEL ONE: (angle: from up above, looking down on them) Cyborg and Krillin fly side-by-side over the plush, mountainous highlands of Scotland. Cyborg looks over at Krillin.

LEGEND: The Highlands of Scotland – Dragonball 3

CYBORG: I wanted to apologize.

KRILLIN: For what?

PANEL TWO: Cyborg looks at Krillin.

CYBORG: You were right back there. I shouldn't have pointed my White Noise Cannon at you before we tried talking.

PANEL THREE: Krillin looks at Cyborg.

KRILLIN: It's okay. With everything that's happened I was on the defensive too. I'm just glad you're on our side, that cannon of yours packs a punch. And let me tell you,

hanging with these guys I've seen some pretty powerful stuff.

PANEL FOUR: (angle: from below, looking up at them.) Cyborg and Krillin fly side-by-side.

CYBORG: Are all of your friends as powerful as you are?

KRILLIN: With how fast everything happened, we don't even have most of our friends with us, but most of them are more powerful actually... Especially Goku and Vegeta... not that Vegeta's really a friend or anything. To be honest, I think I'm in over my head most of the time.

PAGE 10

PANEL ONE: Cyborg looks at Krillin.

CYBORG: Tell me about it. I'm pretty new to the Justice League so I'm just a rookie, but I can tell you, some of them are really powerful. Especially Superman... our friend that disappeared.

KRILLIN: Our friend that disappeared, Goku, is the most powerful in our group too. That's gotta mean something, right?

CYBORG: With Lex involved you can bet it does.

PANEL TWO: Cyborg looks at his forearm radar.

SFX: Beep!

CYBORG: It's down there somewhere.

PANEL THREE: They land in a particularly mountainous area.

PANEL FOUR: Krillin looks around at the region.

KRILLIN: Great. It could be anywhere down here.

PAGE 11

PANEL ONE: As they climb a hill with Cyborg in the lead, Krillin looks at Cyborg's cybernetics.

KRILLIN: So, what's with the cybernetics anyway?

PANEL TWO: Cyborg stops and looks down almost embarrassed of how he looks. Krillin feels guilty.

CYBORG: It's... a long story.

KRILLIN: I'm sorry. I shouldn't have pried.

PANEL THREE: Cyborg looks back at Krillin.

CYBORG: No, it's fine. It's just, for the longest time they made me feel less like a human and more like a monster. Not just physically, but like I lost the thing inside of me that made me who I was. If that makes sense.

PANEL FOUR: Krillin puts his hand on Cyborg's shoulder. Cyborg has a shy, bashful smile on his face.

KRILLIN: Well, I think they're pretty cool and you seem like a great guy to me Cyborg. You don't always have to be human to be the most human... you know what I mean?

CYBORG: Thanks Krillin.

PAGE 12

PANEL ONE: They start walking again.

CYBORG: To be honest, I think my cybernetics actually helped me find my place in the world with the League, helping people.

PANEL TWO: Cyborg looks at Krillin with surprise.

KRILLIN: My wife said something similar. She's actually an Android ya know? And I wouldn't trade her for the world.

CYBORG: Your wife's an android?

PANEL THREE: Cyborg stops dead in his tracks. Krillin looks back at him with a smile.

KRILLIN: Yep... and we have a kid together now too.

CYBORG: How did you two...

PANEL FOUR: Krillin raises an eyebrow.

KRILLIN: That's also a long story.

PANEL FIVE: A boulder smashes into Cyborg and Krillin. It shatters on impact and knocks them both down.

SFX: Krackashsh!

KRILLIN: Ukk!

CYBORG: Ahh!

PAGE 13

PANEL ONE: Cyborg and Krillin pick themselves up off the ground.

CYBORG: You okay?

KRILLIN: Yeah. What happened?

PANEL TWO: Cyborg points behind Krillin. Krillin looks back to see what Cyborg's pointing at.

CYBORG: He happened.

PANEL THREE: They see Solomon Grundy, pulling another massive boulder out of the ground to throw at them.

SOLOMON GRUNDY: Raaa!!!

PAGE 14

PANEL ONE: Piccolo and Martian Manhunter land on an island. The skies are dark and cloudy like a storm is coming. Manhunter is intrigued by Piccolo.

LEGEND: Somewhere in the Indian Ocean – Dragonball 4

MARTIAN MANHUNTER: You said there are others, like you, on this planet... Namek?

PANEL TWO: Piccolo looks at Martian Manhunter.

PICCOLO: Yes, but only a handful.

MARTIAN MANHUNTER: Why don't you live among them?

PANEL THREE: Piccolo is prideful and looks away.

PICCOLO: They're a peaceful people, I'm a fighter. I don't really belong.

PANEL FOUR: Manhunter looks up towards the sky and closes his eyes. He envisions what he believes to be a perfect life. Piccolo looks at him.

MARTIAN MANHUNTER: Peaceful, on a world to call their own? Sounds like paradise. What I wouldn't give to be among my people like that.

PICCOLO: Then why aren't you?

PANEL FIVE: Manhunter looks back at Piccolo.

MARTIAN MANHUNTER: They all died, a long time ago.

PANEL SIX: Piccolo looks down at the ground as he thinks of his own past.

PICCOLO: I know what it's like to be alone. For the longest time I thought I was the only one of my kind as well. I was very surprised when I discovered the others.

PAGE 15

PANEL ONE: Piccolo looks back at Manhunter.

PICCOLO: Perhaps one day, you too will be surprised.

MARTIAN MANHUNTER: Perhaps. Still, until that day, I wouldn't mind seeing Namek.

PANEL TWO: Close-up of the Dragon Radar shows they are very close.

SFX: BEEP! BEEP! BEEP!

PICCOLO (o.s.): Look around, it should be here somewhere.

PANEL THREE: Piccolo finds it in the sand.

PICCOLO: Got it!

PANEL FOUR: Suddenly lightning bolts pierce, both, Martian Manhunter and Piccolo right through their chests.

PICCOLO: Raarr!!!

MARTIAN MANHUNTER: Mrraaa!!

PAGE 16

PANEL ONE: Both of their bodies fall to the ground, fried to a crisp.

PANEL TWO: The Dragonball rolls out of Piccolo's fried hand.

PANEL THREE: Another hand reaches to pick it up.

BLACK ADAM: So, this is a Dragonball?

PANEL FOUR: Black Adam stands over both of their fried bodies. He holds up the Dragonball to look it over. Lighting surrounds him.

BLACK ADAM: I see now why Luthor wants it. It truly is a jewel worthy of a god.

PAGE 17

PANEL ONE: The Batwing flies over the icy mountains of Russia. Batman pilots, while a grumpy Vegeta sits in the passenger seat with his arms crossed.

LEGEND: Russia – Dragonball 5

VEGETA: This is ridiculous, why don't we just fly there?

BATMAN: We didn't have the resources to build another Dragon Radar. We could only program the Batwing's computer to locate the Dragonballs.

PANEL TWO: Batman looks over at Vegeta.

BATMAN: I've never seen someone go head to head with Wonder Woman like that and be fine.

PANEL THREE: Vegeta looks out the passenger side window. Batman looks forward as he flies the plane.

VEGETA: She's a weakling, just like the rest of you.

BATMAN: We both know that's not true, but there's power and then there's skill. I know a skilled fighter when I see one and you're an exceptionally skilled fighter.

PANEL FOUR: Suspicious of the compliment, Vegeta looks at Batman.

BATMAN: I also know you would be even better if you could control your anger.

PANEL FIVE: Vegeta looks forward again.

VEGETA: Oh, shut up!

PAGE 18

PANEL ONE: Close-up of the dash of the Batwing. It shows they have arrived.

SFX: Beep!

BATMAN: We're here.

PANEL TWO: The Batwing makes a vertical landing.

PANEL THREE: They silently walk around the icy area.

PANEL FOUR: Batman sees the Dragonball frozen in a wall of ice. Vegeta is behind him.

BATMAN: Is that it?

VEGETA: Yes.

PANEL FIVE: Vegeta pushes his way passed Batman.

VEGETA: Move. I'll get it.

PAGE 19

PANEL ONE: Suddenly, something small and red flies down and buzzes around Vegeta's head.

SFX: Swoosh! Swoosh.

VEGETA: What is this?

PANEL TWO: Vegeta waves his hand to shoo it away, but it speaks to him.

VEGETA: Get away from me!

RED LANTERN RING: Vegeta of the Planet Vegeta, You have Great Anger in Your Heart.

PANEL THREE: Batman's eyes widen. He knows what it is.

BATMAN: Don't let it touch you!

PANEL FOUR: Vegeta quickly blasts it into ashes.

SFX: Bukuushh!

VEGETA: I said get away from me!!

SINESTRO (o.s.): You really should not have done that...

PAGE 20

SPLASH PAGE: Batman and Vegeta turn around and see Sinestro as he descends from the sky like an angel of darkness.

SINESTRO: ...had you accepted the ring, you might have had a fighting chance.

PAGE 1

PANEL ONE: Bulma flies Wonder Woman over farmlands of Kansas in a plane she had in her Capsule pack. Wonder Woman holds the Dragon Radar. She looks over at Bulma.

LEGEND: Kansas – Dragonball 5

WONDER WOMAN: You said you invented this Dragon Radar device?

BULMA: Yes I did. Feels like a lifetime ago.

PANEL TWO: Wonder Woman reaches for the Capsule pack on the dashboard.

WONDER WOMAN: And the technology that houses this plane in these tiny capsules?

PANEL THREE: Bulma looks over at Wonder Woman.

BULMA: Actually my dad invented that, but I do run the company.

PANEL FOUR: Wonder Woman looks at Bulma again. Bulma has a baffled look on her face.

WONDER WOMAN: It is an honor to stand by such an accomplished woman. You would be a welcome addition to the sisterhood of Paradise Island.

BULMA: Um, I'm not sure what that means, but thanks... I think.

SFX: Beep! Beep! Beep!

BULMA: Sounds like we're here.

PANEL FIVE: Bulma lands the plane vertically near wheat fields.

PAGE 2

PANEL ONE: They exit and Bulma holds the Dragon Radar and leads Wonder Woman. Bulma looks to the left.

BULMA: It should be over in this direction.

PANEL TWO: As they walk, Bulma looks over at Wonder Woman. Wonder Woman looks like her blood is boiling.

BULMA: I know you don't like him much, but Vegeta's not really as bad as you think.

WONDER WOMAN: Ugh, that little man! How do you all put up with him?

PANEL THREE: Bulma looks up at the sky with a giddy, smitten expression.

BULMA: I admit he has a rough exterior and can be a little hot headed. But he has to be that way. He has to be prideful and confident at all times... after all he is a Prince.

PANEL FOUR: Wonder Woman's eyes widen with worry.

WONDER WOMAN: Oh, no. Don't tell me that the two of you..?

PANEL FIVE: Bulma tilts her head, squints one eye and shrugs to reluctantly confirm. Wonder Woman face-palms.

WONDER WOMAN: No! How can a woman of such great intellect lower herself to such a man?

PANEL SIX: Bulma gives Wonder Woman a serious look.

BULMA: I'll have you know, he is very loyal and extremely ambitious. He just leaves a bad first impression because he's a little... abrasive.

PAGE 3

PANEL ONE: Sinestro looks down on Batman and Vegeta from the air. Batman is in a fighting stance, but Vegeta stands there casually with his arms crossed. He has a smirk on his face.

VEGETA: Well, well, well what do we have here? Another weakling that thinks he's a warrior?

PANEL TWO: Sinestro holds out his hand.

SINESTRO: The orb is mine. You have once chance to hand it over and leave while you still can.

PANEL THREE: Batman looks at Vegeta, who is still looking up at Sinestro.

BATMAN: We need that Dragonball. Do you think you can handle him alone while I get it?

PAGE 4

PANEL ONE: Vegeta tilts his head back as he laughs out loud.

VEGETA: Ha, ha, ha! Please!

PANEL TWO: Vegeta looks at Batman.

VEGETA: I am a real warrior, I prefer to fight alone. You would just get in my way.

PANEL THREE: Batman smirks knowing Vegeta's pride would fall for that manipulation.

PANEL FOUR: Vegeta steps forward to face Sinestro. Batman uses a small laser to start melting the ice and reach the Dragonball.

VEGETA: I'm sorry to tell you, we will be taking the Dragonball for ourselves. But, unlike you... I won't be giving you a chance to leave.

PANEL FIVE: Sinestro, unfazed and un-intimidated looks down at Vegeta.

SINESTRO: Well then, you have been warned.

PAGE 5

PANEL ONE: A yellow ring construct that looks like an alien anvil crashes down, to crush Vegeta.

SFX: Koooom!!

PANEL TWO: Sinestro looks in front of him and sees that Vegeta moved so quickly that he evaded the construct and is already in the air ready to attack.

VEGETA: Ahhh!

PANEL THREE: Vegeta looks surprised as he is captured in a yellow bubble ring construct.

VEGETA: What?

PANEL FOUR: Sinestro slams the bubble with Vegeta in it into the ground with so much force it shatters the ice and the ground beneath it.

SFX: Kressshhh!

PANEL FIVE: Vegeta looks unconscious in a massive crater.

PAGE 6

PANEL ONE: Bulma walks through a wheat field, and looks at the ground as she walks.

BULMA: Of course it has to be hidden in *here* somewhere. It can never just be easy.

PANEL TWO: Close-up of the Dragonball on the ground.

BULMA: Oh! There it is!

PANEL THREE: Bulma holds the Dragonball up in the sky.

BULMA: Wonder Woman! I found it!

PANEL FOUR: Bulma has a terrified look on her face when she realizes a sword is at her neck.

BULMA: Huh?

PANEL FIVE: She looks over and sees Deathstroke.

DEATHSTROKE: Now be a good girl and hand that over.

PANEL SIX: Bulma shrieks at the top of her lungs.

BULMA: Help!!! Ahhhhhhhh!!!!

PAGE 7

PANEL ONE: Deathstroke tilts his head as he looks at her.

DEATHSTROKE: Shut up!

BULMA: Aahhhhhhh!

PANEL TWO: He draws his sword back ready to kill her.

BULMA: Help!!!

DEATHSTROKE: I said... shut up!

PANEL THREE: He slashes down at her.

DEATHSTROKE: Raaa!

PANEL FOUR: Wonder Woman stops his sword with one of her bracelets.

SFX: Claaang!

PANEL FIVE: Wonder Woman punches him across the face.

SFX: Crack!

PAGE 8

PANEL ONE: Deathstroke takes a couple steps back from the hit. Bulma opens her eyes when she realizes she's still alive.

BULMA: Hm?

WONDER WOMAN: Deathstroke? What are you doing here?

PANEL TWO: Deathstroke keeps a safe distance while he composes himself.

DEATHSTROKE: I'm here for the orb.

WONDER WOMAN: But you're a mercenary, what would you...

PANEL THREE: Wonder Woman has a look of realization on her face.

WONDER WOMAN: Luthor hired you!

PANEL FOUR: Deathstroke points his sword at her. Wonder Woman is in a defensive pose.

DEATHSTROKE: Sorry, I don't divulge the identities of my clients. Now hand it over.

WONDER WOMAN: You'll get it over my dead body.

PANEL FIVE: Deathstroke charges towards her with his sword ready to strike.

DEATHSTROKE: If you insist!!

PAGE 9

PANEL ONE: Krillin and Cyborg both dive for cover behind different rocks as another boulder comes crashing down, where they were.

SFX: Kr-ashh!

PANEL TWO: Cyborg peaks out from behind his rock and fires a shot from his White Noise Cannon.

SFX: Skreee!

PANEL THREE: Solomon Grundy takes the blast, but it just angers him further.

SOLOMON GRUNDY: Grraaaa!

PANEL FOUR: Solomon Grundy tosses another boulder at Cyborg.

SOLOMON GRUNDY: Raa!

PANEL FIVE: Cyborg takes cover as the boulder smashes on the rock giving him cover.

SFX: Kra-cka!

PAGE 10

PANEL ONE: Cyborg stays down and leans against the rock.

CYBORG: Watch out Krillin, this guy is powerful!

PANEL TWO: Krillin peaks out from behind his rock.

KRILLIN: I can see that.

PANEL THREE: Krillin sniffs the air.

SFX: Sniff, sniff.

KRILLIN: And he smells terrible too. I haven't smelled anyone that bad since I fought Bacterian.

PANEL FOUR: Cyborg gets out from behind the rock to fire again.

SFX: Skreee!

CYBORG: Makes sense, I think he's a zombie. How'd you beat Bacterian?

PANEL FIVE: Krillin has a funny look on his face, embarrassed to answer.

KRILLIN: Actually... I farted on him.

PAGE 11

PANEL ONE: (same exact angle as page 10 panel four). Cyborg has a dumbfounded look on his face. He drops his guard and looks over at Krillin without even taking cover.

CYBORG: What? You've gotta be kidding...

PANEL TWO: Cyborg is hit by another boulder.

CYBORG: Grk!

PANEL THREE: Krillin's eyes widen.

KRILLIN: Are you okay?

PANEL FOUR: Cyborg composes himself behind the rock again.

CYBORG: Yeah, just caught me off guard. I don't think that tactic will work against this guy Krillin.

PANEL FIVE: Cyborg sees Krillin run out from cover and towards Solomon Grundy.

KRILLIN: I'm going to try something else. You grab the Dragonball.

CYBORG: Be careful!

PAGE 12

PANEL ONE: Black Adam flies through a rain storm over a small batch of islands. The waves in the ocean are chaotic. In the air and off in the distance there is a silhouette.

BLACK ADAM: What's this?

PANEL TWO: Black Adam stops when lightning flashes and reveals that the silhouette ahead is Piccolo, waiting for Black Adam. His clothes are still burnt.

PICCOLO: You didn't really think it was going to be that easy did you?

PANEL THREE: Black Adam looks back and sees that Martian Manhunter is behind him now as well.

PANEL FOUR: Black Adam is surrounded, with Manhunter on one side and Piccolo on the other.

BLACK ADAM: Come then... if you're so determined to die.

PAGE 13

PANEL ONE: Piccolo punches Black Adam across the face, right as lightning flashes nearby.

SFX Thra-koom!

SFX: Thak!

PANEL TWO: Black Adam quickly punches Piccolo back across the face sending him into one of the small islands below.

SFX: Thoom!

PANEL THREE: Black Adam quickly spins around and reverse kicks Martian Manhunter in the stomach, sending him back.

MARTIAN MANHUNTER: Ugh!!

PANEL FOUR: Lightning starts shooting out around Black Adam, even out of his eyes. He's about to strike them both with lightning attacks again.

SFX: Cra-ck-ck!

PANEL FIVE: Piccolo braces himself.

PICCOLO: He's going to fire again!

PAGE 14

PANEL ONE: Suddenly Black Adam grasps at his head in agony.

BLACK ADAM: Arghh!

PANEL TWO: While still on the ground below, Piccolo looks up at Martian Manhunter. Manhunter has both hands to his own temples. He has Black Adam in a psychic hold.

MARTIAN MANHUNTER: Hurry, I can't hold him much longer, his mind is too strong.

PANEL THREE: Without hesitation, Piccolo, puts his right index and middle finger to his forehead and powers up.

PICCOLO: Special... Beam...

PANEL FOUR: Piccolo unleashes a massive beam from his two fingers that knocks Black Adam out of the sky.

SFX: Bzzewwww!

PICCOLO: ..Cannon!!!

BLACK ADAM: Ahhh!!

PAGE 15

PANEL ONE: Black Adam falls down to the same island as Piccolo. When he hits the ground he leaves a long impact trail.

SFX: Ba-dooooom!

PANEL TWO: The Manhunter quickly flies down to the surface.

PANEL THREE: Piccolo and Martian Manhunter meet where Black Adam hit and find him unconscious. The Dragonball lies next to him.

MARTIAN MANHUNTER: He won't stay out for long.

PANEL FOUR: Piccolo picks the Dragonball up.

PICCOLO: Let's get this to the others.

PAGE 16

PANEL ONE: Wonder Woman catches Deathstroke's sword with her bracelets by crossing her wrists together when he attempts a killing, downward stroke.

SFX: klllaaang!

PANEL TWO: While holding the sword, she turns her body and kicks him in the stomach, forcing him to let go of the sword. Bulma is in the background and she looks scared.

DEATHSTROKE: Ooof!

PANEL THREE: Bulma pulls out her Capsule pack.

PANEL FOUR: Wonder Woman jumps on top of Deathstroke and starts punching his face, hit after hit after hit.

SFX: Thoom, thoom, thoom!

PANEL FIVE: Deathstroke manages to get a solid hit in that knocks Wonder Woman off of him.

SFX: Krak!

PAGE 17

PANEL ONE: With Wonder Woman on her back, Deathstroke grabs his sword.

PANEL TWO: While holding the sword with both hands, Deathstroke goes to impale Wonder Woman while she's still down.

PANEL THREE: Suddenly, Deathstroke is electrocuted. Electricity courses throughout his body, causing him to tense up everywhere.

SFX: Zzzzttt!

DEATHSTROKE: Arrhhgggg!

PANEL FOUR: Wonder Woman quickly seizes the moment and punches Deathstroke out with a solid punch to the chin.

SFX: KRAK!

PANEL FIVE: Wonder Woman looks up and sees Bulma holding a big ass gun. Bulma smiles proudly as the barrel of the gun smokes.

BULMA: I started keeping this bad boy in one of my capsules...

PANEL SIX: Bulma looks down at Deathstroke's smoking, unconscious body while Wonder Woman glares at Bulma with a scowl.

BULMA: You know, for not liking Vegeta, you sure do remind me of him.

WONDER WOMAN: Don't ever say that again. I'm nothing like him.

PAGE 18

PANEL ONE: Lex Luthor and Lord Unity appear on the planet's surface.

LEGEND: Australian Outback – Dragonball 7

PANEL TWO: Lex finds the Dragonball in an Ostrich nest.

LEX LUTHOR: That was easy.

PANEL THREE: Lord Unity has a maniacal smile on his face as he looks at his hands.

LORD UNITY: It's working!!! I'm becoming flesh!

PANEL FOUR: Lex looks suspicious.

LEX LUTHOR: What are you talking about? I thought we needed all seven Dragonballs for that to happen.

PANEL FIVE: Lord Unity looks at Lex Luthor with a look of absolute evil.

LORD UNITY: Ha! Ha! Ha!

PAGE 19

PANEL ONE: Green Lantern and Yamcha fly side-by-side over the Australian Outback. Green Lantern looks over at Yamcha.

GREEN LANTERN: So, tell me about that girl, Bulma? She's hot.

YAMCHA: Forget about her.

PANEL TWO: Yamcha looks back at Green Lantern.

YAMCHA: She's hot and super smart, but believe me, she's high maintenance. I know, I used to date her. Besides, she's with Vegeta now.

PANEL THREE: Green Lantern looks forward again.

GREEN LANTERN: Figures... girls always go for the bad boy.

YAMCHA: Yeah they do. What about that girl with the tiara and rope? You two ever..?

PANEL FOUR: Green Lantern laughs.

GREEN LANTERN: No way! She's the exception to the rule. She dates boy scouts like Superman. Definitely not bad boys.

SFX: Beep!

YAMCHA: It should be down there.

PANEL FIVE: They land.

PAGE 20

PANEL ONE: Yamcha looks at the Dragon Radar.

YAMCHA: The signal just disappeared.

PANEL TWO: Green Lantern points to a silhouette of someone crawling and moaning.

GREEN LANTERN: Over there!

LEX LUTHOR (SILOHUETTE): Uhh.

PANEL THREE: They get close and Green Lantern is shocked and disturbed to see who it is and what happened to him.

GREEN LANTERN: Luthor!

LEX LUTHOR (o.s.): Quickly... where's Batman?

PANEL FOUR: Lex Luthor looks up. His face looks like he's 100 years old. He's crawling because he's so frail and weak.

GREEN LANTERN: He... he's not here.

LEX LUTHOR: Then... we're doomed. Unity... he's going to kill everyone.

PAGE 1

PANEL ONE: Yamcha and Green Lantern look down at the aged, frail Lex Luthor as he tries to stand up.

LEGEND: Australian Outback

GREEN LANTERN: What happened to you Lex?

LEX LUTHOR: There's no time, I need Batman. He's the only one of you intelligent enough to help.

PANEL TWO: Green Lantern and Yamcha look at each other.

GREEN LANTERN: Well gee, thanks for the compliment Lex.

PANEL THREE: Green Lantern reaches out his ring hand to help Lex Luthor up.

GREEN LANTERN: But, I told you he's not here.

PANEL FOUR: Lex grabs Green Lantern's hand with both hands and his eyes widen as he looks at the ring.

LEX LUTHOR: Your ring! You can make anything with it right? Can you make something based on my specifications?

PANEL FIVE: Green Lantern helps him up, but then pulls his hand away.

GREEN LANTERN: Yes, but why would I help you?

PANEL SIX: The aged, frail Lex looks at Yamcha next to Green Lantern.

LEX LUTHOR: Because I know where Superman is... as well as your friend.

PAGE 2

PANEL ONE: Solomon Grundy throws a backhand, but Krillin jumps so high he avoids it.

SOLOMON GRUNDY: Raa!!

KRILLIN: No you don't!

PANEL TWO: Krillin throws his Destructo Disk while still in the air.

KRILLIN: Destructo Disk!

PANEL THREE: The Destructo Disk cuts Solomon Grundy's arm off.

SOLOMON GRUNDY: Rarg!!

PANEL FOUR: Krillin smiles.

KRILLIN: Yes!

PANEL FIVE: Grundy picks his arm off the ground.

PANEL SIX: Krillin watches as the arm reattaches itself.

KRILLIN: Ewww, gross!

PAGE 3

PANEL ONE: Cyborg comes back holding up the Dragonball.

CYBORG: I've got it.

PANEL TWO: Krillin sees Cyborg, while ducking from another swing by Solomon Grundy.

KRILLIN: Great! Get your cannon ready, we'll do it together! On my mark.

PANEL THREE: Krillin jumps over to Cyborg and puts his hands together for a Kamahameha wave.

KRILLIN: Ka-me-ha-me...

PANEL FOUR: Cyborg fires his cannon and Krillin fires his Kamehameha Wave simultaneously, the combined power is a massive energy blast that knocks Solomon Grundy down.

KRILLIN: Now! ...Ha!

SFX: Pksshhh!!

SFX: Skreee!!

PANEL FIVE: They stand over Grundy's unconscious body. Cyborg concentrates on incoming reports through his comm-unit.

CYBORG: That won't stop him, but we have to regroup with the others. I'm getting weird reports from all over the world... People are dying everywhere from sudden aging.

PANEL SIX: Krillin looks up at Cyborg with fear in his eyes.

KRILLIN: There's something else. I can feel an immense dark energy growing.

PAGE 4

PANEL ONE: Batman retrieves the Dragonball from the ice. Sinestro walks towards Batman with his hand out.

SINESTRO: Now Batman, hand it over or face the same fate as your friend.

VEGETA (o.s.): Is that it?

PANEL TWO: Sinestro turns around and sees Vegeta walking towards him.

VEGETA: Did you really think an attack like that would stop me? You'll have to do better than that.

SINESTRO: Fine.

PANEL THREE: Sinestro creates a massive bat type construct and cracks Vegeta in the face with it.

SFX: Crack!!

PANEL FOUR: Vegeta smirks as he wipes blood away from his lip.

VEGETA: My turn.

PANEL FIVE: Sinestro raises an eyebrow. He realizes he can't underestimate this opponent.

PAGE 5

PANEL ONE: Vegeta powers up to Super Saiyan mode. His black hair goes golden and his eyes turn bluish-green.

VEGETA: Raarr!

PANEL TWO: Vegeta charges Sinestro.

VEGETA: Now you die!!! Raaa!

PANEL THREE: Sinestro manages to build a ring construct shield in time to absorb the powerful blow. Vegeta's punch shatters the construct.

SFX: Kra-koom!

SFX: Kresshh!

PANEL FOUR: Sinestro takes to the air and Vegeta quickly follows.

PAGE 6

PANEL ONE: From the high ground, Sinestro fires energy bursts at Vegeta, but Vegeta knocks them to the side as he approaches. Explosions lace the sky near Vegeta.

SFX: Boom! Boom! Boom!

PANEL TWO: Vegeta fires his own energy bursts.

VEGETA: Galick Gun!

PANEL THREE: Sinestro puts up another shield that absorbs the Galick Gun attack.

SFX: Zzzts!

PANEL FOUR: Vegeta moves in right behind his own energy attack and punches the shield. It sends Sinestro flying back, towards the ground.

VEGETA: Raaaa!

SFX: Thooom!

PAGE 7

PANEL ONE: Green Lantern, Yamcha and Lex Luthor appear on the Space Station. Lex Luthor has his arm over Green Lantern's shoulder for support.

YAMCHA: Looks like it worked.

LEX LUTHOR: Of course it worked, it was *my* plan. Now help me over to the control panel.

PANEL TWO: Green Lantern looks at Yamcha and holds back laughter as he helps the frail Lex to the control panel.

YAMCHA: Good thing Vegeta isn't here, I doubt this place would be big enough for both of your egos.

PANEL THREE: While placing Lex in the chair, Green Lantern and Yamcha notice the monitors. Each monitor shows a different Dragonball. Krillin and Cyborg have one, Wonder Woman and Bulma

have one, Martian Manhunter and Piccolo have one. Batman has one, with Vegeta and Sinestro battling.

GREEN LANTERN: What is all this? ...Is that Sinestro?!

PANEL FOUR: Green Lantern looks closer at the one with Vegeta and Sinestro. Yamcha looks over at Green Lantern non-chalantly.

GREEN LANTERN: We better get down there! Vegeta's going to need our help.

YAMCHA: Are you kidding? Vegeta would probably try to kill us for interfering. Trust me, he can hold his own.

PANEL FIVE: Green Lantern looks at the monitor and Yamcha chuckles.

GREEN LANTERN: I gotta say, I'm having mixed feelings about this one.

PANEL SIX: Yamcha and Green Lantern see another monitor with Superman and Goku fighting. Goku is in the air.

YAMCHA: Hey! That's Goku but who's that he's fighting?

GREEN LANTERN: That's Superman!

GOKU (MONITOR): Ka-me-ha-me...

PAGE 8

PANEL ONE: From above, Goku unleashes a massive Kamehameha Wave down on Superman on the ground below. Impact craters are everywhere on the surface from their fight.

SFX: Pksshhh!!

GOKU: ...Ha!!!

PANEL TWO: Superman crosses his arms and takes the blast head on.

SFX: Ka-Boom!

PANEL THREE: Goku charges down after Superman as Superman charges towards Goku in a game of chicken.

SUPERMAN & GOKU: Ahhh!

PANEL FOUR: As they both land a punch at the same time, the force creates a tidal wave of destruction, leaving them in the center of a massive, grand crater.

SFX: BA-DOOOOM!!!!

PAGE 9

PANEL ONE: (match cut with Goku and Superman) – Sinestro and Vegeta are on the ground with their hands interlocked. They are both trying to push the other back. Scowls are on their faces. Batman is in the background trying to see, but the light coming from both Vegeta and Sinestro is blinding.

SINESTRO: Aahh!

VEGETA: Ra!

PANEL TWO: Vegeta kicks Sinestro in the ribs causing them to release their grip.

SFX: Krak!

PANEL THREE: Sinestro creates a construct that comes straight up from the ground and nails Vegeta right in the chin with devastating force, sending his head backwards.

SFX: Thrak!

PANEL FOUR: They charge each other again.

PANEL FIVE: Vegeta and Sinestro are both suddenly hit by an energy blast.

SFX: Kra-Chawwww!

PAGE 10

PANEL ONE: While still on the ground from the blast, Vegeta and Sinestro look up along with Batman and see Lord Unity descend from the sky. Lord Unity no longer looks frail and old, now he's younger, bigger, and healthier and very evil. Worst of all, he is in his physical form.

LORD UNITY: Give me the Dragonball.

PANEL TWO: Batman starts aging just from being near Lord Unity. He looks at his hands as they start shaking.

BATMAN: What?

PANEL THREE: Vegeta and Sinestro stand up and look up at Lord Unity. (They don't age since they are not human.)

SINESTRO: It seems we will have to finish this another time.

VEGETA: Count on it.

PANEL FOUR: Sinestro and Vegeta charge after Lord Unity together.

PAGE 11

PANEL ONE: Lord Unity waves his hand and it sends an energy wave at Sinestro and Vegeta sending them back into the ground.

SFX: Kra-Chawwww!

PANEL TWO: Lord Unity walks over to Batman and holds out his hand.

LORD UNITY: The Dragonball.

PANEL THREE: Batman looks over Unity's shoulder.

BATMAN: I think you already have your hands full.

PANEL FOUR: Lord Unity turns his head back to see what Batman is referring to. His eyes widen with surprise.

LORD UNITY: Wha--?

PAGE 12-13

2 PAGE SPREAD: Lord Unity sees Cyborg and Krillin leading reinforcements. They brought EVERY DC HERO AND DRAGONBALL Z WARRIOR from both Universes. (except Superman, Goku, Piccolo, Martian Manhunter, Yamcha and Green Lantern.)

CYBORG: I'd back away from Batman if I were you!

PAGE 14

PANEL ONE: Lord Unity turns to face them all. He grins.

LORD UNITY: You have simply saved me the trouble of hunting you all down one by one. Shall we begin?

PANEL TWO: From out of nowhere, Wonder Woman charges in and nails Unity in the face, knocking his head to the side.

WONDER WOMAN: Raaa!

SFX: Thoom!

PANEL THREE: Bulma rolls her eyes.

BULMA: Oh nooo, you're nothing like Vegeta. Mm-hmm. Sure.

PANEL FOUR: Lord Unity turns his head back to face Wonder Woman. He smiles.

PANEL FIVE: He makes a simple hand gesture that creates an energy blast that knocks Wonder Woman back.

SFX: Psheeww!

PAGE 15

PANEL ONE: Wonder Woman flies 30-40 yards back and into the swarm of heroes, knocking some of them down with her.

WONDER WOMAN: Ugh!

PANEL TWO: The heroes all charge Lord Unity, except Cyborg.

EVERYONE: AAhhhh!!

PANEL THREE: While everyone attacks Unity, Cyborg rushes to check on a frail looking Batman.

CYBORG: Batman! Are you okay?

PANEL FOUR: Batman looks up at Cyborg but starts disappearing.

BATMAN: I'm fine... I just...

PANEL FIVE: Cyborg looks back and forth.

CYBORG: No! Not again!

PAGE 16

PANEL ONE: Batman appears on Unity's Space Station and sees Green Lantern, Yamcha and an even older, frail Lex Luthor sitting at the control panel.

BATMAN: Lex what did you do?

LEX LUTHOR: There's no time for details Batman. I scanned his technology with my suit and Green Lantern was able to recreate the remote teleportation device...

PANEL TWO: A close-up of a defeated, frail and dying Lex Luthor.

LEX LUTHOR: I tried changing the universes back, but it's permanent, Unity lied about everything. He means to suck the life force from every human being from both universes.

PANEL THREE: Lex looks at Batman. Batman holds out his hand.

LEX LUTHOR: Each life he takes will make him grow stronger, unless you can stop him. You must get all the Dragonballs and wish for everything to be restored.

BATMAN: Fine, then give me the last ball. You have it.

PANEL FOUR: Lex grabs onto his chest as he has a heart attack.

LEX LUTHOR: Unity took it, he has it... you must... aaahh!

PANEL FIVE: The old, frail, Batman looks in silence as Lex Luthor dies.

PAGE 17

PANEL ONE: Wonder Woman is knocked to the ground again. She's hurt, but still alive unlike many other heroes lying on the ground that have now fallen to the extraordinary power of Lord Unity. Sinestro and Vegeta are in the air firing energy blasts at him. But they all just seem to be absorbed by Lord Unity.

WONDER WOMAN: Ugh...

SINESTRO: Nothing is getting through.

PANEL TWO: As Lord Unity walks forward, many of the human heroes fall down and die from old age at his feet. The stronger he gets the faster he sucks the life out of the humans. Unity fires energy blasts up in the air at Sinestro and Vegeta. They dodge the blasts. While Krillin, who is on his knees near Unity and looking very old, reaches out to try and stop him.

KRILLIN: I... won't let... you...

PANEL THREE: Krillin falls dead at Unity's feet.

PANEL FOUR: Cyborg fires a shot from his White Noise Cannon, but it does nothing to Unity. Cyborg's human side looks very, very old. He would already be dead if he wasn't partially cybernetic.

SFX: Skreee!

CYBORG: Krillin!

PANEL FIVE: Unity makes a hand gesture and Cyborg's cybernetic body shatters into pieces, which deactivates his life support systems, thus killing him.

CYBORG: Arghhh!

PAGE 18

PANEL ONE: Sinestro and Vegeta still try to make a dent from up above. But while up in the air Vegeta looks down at the ground and sees Bulma lying there. She looks old.

VEGETA: Bulma!

PANEL TWO: Vegeta's eyes are wide with fear as he flies down to her.

PANEL THREE: Vegeta falls to his knees to hold her. Frail and old, she looks up at him. She puts her hand on his cheek. Vegeta's eyes start to water.

VEGETA: Bulma no!

BULMA: I... love...

PANEL FOUR: His mouth opens in disbelief when her hand drops as she dies in his arms.

VEGETA: Bulma? No... no...

PANEL FIVE: He looks up in the air and yells at the top of his lungs.

VEGETA: Nooooo!

PAGE 19

PANEL ONE: On the ground the Red Lantern ring reforms itself.

SFX: krrickle

PANEL TWO: From the sky Sinestro sees the ring fly towards Vegeta again. Vegeta is still holding Bulma.

SINESTRO: The ring!

PANEL THREE: Vegeta notices the ring as it flies around his head.

VEGETA: Hmm?

PANEL FOUR: Sinestro yells down at Vegeta.

SINESTRO: Take the ring! It will give you unbelievable power!!

VEGETA: Power?

PANEL FIVE: The ring slides on Vegeta's right middle finger.

RED LANTERN RING: Vegeta of the Planet Vegeta...

PAGE 20

SPLASH PAGE: Vegeta goes full on Red Lantern. Dark red, corrosive and flammable blood spews out of his mouth like a rabid dog.

RED LANTERN RING: ...You have Great Anger in Your Heart.

VEGETA: Raaarr!!!!

PAGE 1

PANEL ONE: In a rage, with dark red, corrosive blood spewing from his mouth, Red Lantern Vegeta flies at Lord Unity like a comet.

VEGETA: Raaa!!!

PANEL TWO: Vegeta punches Unity across the face with a right hand, knocking his head to the side.

SFX: Kraaak!

PANEL THREE: With his left, Vegeta, punches Unity in the stomach.

SFX: Thoom!

PANEL FOUR: Vegeta takes to the air. Holding his right ring-hand wrist with his left hand, Vegeta fires a massive energy blast at Unity.

SFX: Thrshhh!

VEGETA: Aahhhh!

PAGE 2

PANEL ONE: From the air, Vegeta looks down at the massive explosion as it engulfs Lord Unity.

SFX: Kra-koom!

PANEL TWO: Vegeta lands, as if his rage has been satiated. Wonder Woman and Sinestro are in the background.

PANEL THREE: Lord Unity steps out of the fire.

PANEL FOUR: Wonder Woman and Sinestro are amazed that Unity is unscathed. Vegeta scowls.

LORD UNITY: There is no one that can stand against me..

PANEL FIVE: Unity makes a hand gesture that hurls Vegeta into the ground, between Sinestro and Wonder Woman.

LORD UNITY: ...Not even you!

SFX: Zzewm! Kreshh!

VEGETA: Ahhh!

PAGE 3

PANEL ONE: 3rd Universe – Explosions riddle the surface of the barren planet. So much dust is flying everywhere that only small silhouettes can vaguely be seen.

LEGEND: Elsewhere

SFX: Boom! Boom! Boom!

GOKU: Ka-me-ha-me...

PANEL TWO: Goku sends his Kamehameha Wave down. It clears the dust in a funnel of air as it descends.

GOKU: ...Ha!!!

PANEL THREE: Superman flies up at Goku like a comet while evading the Wave blast.

PANEL FOUR: Superman nails Goku in the stomach with both fists.

SFX: Thoom!

GOKU: Graa!

PAGE 4

PANEL ONE: Goku slams his elbow into Superman's back, causing Superman to stop advancing.

SFX: Krack!

SUPERMAN: Ugh!

PANEL TWO: Superman fires his heat vision at Goku, but Goku evades it in the air.

GOKU: Whoa!

PANEL THREE: Superman blows his freeze breath at Goku.

SUPERMAN: Whooo!

PANEL FOUR: Encased in ice, Goku plummets to the ground.

PANEL FIVE: Right before impact, Goku charges up and breaks free from the ice.

SFX: kreesh!

GOKU: Raa!

PAGE 5

PANEL ONE: Batman sits at the control desk and stares at the monitors showing Superman and Goku fighting and the heroes all being killed by Unity. Yamcha looks over his shoulder.

BATMAN: I've never seen Clark in a fight like this. He's not holding back. Goku's power is unbelievable.

YAMCHA: I was thinking the same thing about Superman.

PANEL TWO: Green Lantern walks back in and heads towards Yamcha and Batman. Yamcha looks over at Green Lantern, but Batman stares at the fight on the monitors.

GREEN LANTERN: I don't know what it's made of but even my ring can't penetrate the barrier surrounding that planet. We'll have to figure out another way to get Superman out of there.

PANEL THREE: Batman turns towards Yamcha and Green Lantern.

BATMAN: We need to hurry. I'm still getting weaker. Unity's power must reach us even here.

PANEL FOUR: Yamcha looks at Green Lantern, while Green Lantern holds up a fist and looks at his ring.

YAMCHA: I've felt it too.

GREEN LANTERN: I thought my ring would protect me, but I'm feeling fatigued myself.

PAGE 6

PANEL ONE: Batman looks back at the controls of the space station.

BATMAN: I may be able to get Superman and Goku out of there if I can figure out these controls. But it'll take some time.

PANEL TWO: Green Lantern and Yamcha look at Batman.

YAMCHA: Well I can't just stand around here while our friends are getting killed back on Earth.

GREEN LANTERN: I agree. We're heading back to help. Try and hurry Batman. We're going to need their help.

PANEL THREE: Batman hands Green Lantern the Dragonball.

BATMAN: Here take this. If you can get the other one, we'll have all seven. If the wishes work like they say, you might be able to fix things on your end.

GREEN LANTERN: Right.

PANEL FOUR: Yamcha goes up to Batman and hands him something. Batman tilts his head in confusion.

YAMCHA: Give them these when you see them. From the looks of it, they're gonna need them.. Just trust me. It's very important.

PANEL FIVE: Batman watches as Green Lantern and Yamcha start to disappear.

BATMAN: Good luck.

GREEN LANTERN: You too.

PAGE 7

PANEL ONE: Sinestro has chain constructs coming out of the ground and holding the wrists of Lord Unity to keep his hands down at his sides. Wonder Woman is giving him a power punch to the face knocking his head to the right.

SFX: Tha-doom!

PANEL TWO: Still raging, Red Lantern Vegeta fires a massive energy blast from his red ring.

VEGETA: Raaa!

PANEL THREE: The blast lands, knocking Lord Unity's head back again.

SFX: krak!

PANEL FOUR: Two green blurs fly past Wonder Woman and strike Unity in the stomach, causing him to keel over.

LORD UNITY: uggh!

PANEL FIVE: The green blurs land, it's Piccolo and the Martian Manhunter. Piccolo is smiling.

PICCOLO: Looks like you could use a hand.

PAGE 8

PANEL ONE: Yamcha and Green Lantern appear on the surface of the planet. In the background Wonder Woman, Sinestro, Martian Manhunter, Piccolo and Red Lantern Vegeta are engaged in battle with Lord Unity.

PANEL TWO: Yamcha looks at his hand and sees that he's aging fast.

YAMCHA: It's happening much faster now that we're closer to him.

GREEN LANTERN: Then let's take him down fast.

PANEL THREE: Green Lantern and Yamcha join the others on the front line. They each fire a blast.

PANEL FOUR: Unity looks up and smiles.

LORD UNITY: Heh.

PANEL FIVE: Lord Unity claps his hands together in front of him and it sends an energy wave that knocks all the heroes back.

LORD UNITY: Enough!

PAGE 9

PANEL ONE: (Back view) - Batman has pulled his cowl off and is fidgeting with the controls on the space station.

SFX: be-deep, deep, beep

CAPTION (BATMAN): That's it.

BATMAN: Superman can you hear me?

PANEL TWO: On the planet below, Goku and Superman are still fighting. They are really battle damaged. Goku charges in for another attack, but Superman holds up his hand to stop Goku.

SUPERMAN: Goku wait! Look!

PANEL THREE: They both look up and see the monitors and a really old Batman, he aged so much that he had to remove the cowl just to see. Superman has a look of worry on his face.

SUPERMAN: You're voice. Bruce is that you?

BATMAN: It's me Clark.

SUPERMAN: What happened to you?

PANEL FOUR: Superman looks angry.

BATMAN: Lex made a deal with an entity known as Lord Unity.

SUPERMAN: Lex! I should've known! Where is he?

PANEL FIVE: Superman looks down, unsure how he feels about what Batman says.

BATMAN: He's dead, he was double crossed.

PAGE 10

PANEL ONE: On the space station, Batman talks to the monitors.

BATMAN: But this Lord Unity... has killed almost everyone else. We can't stop him Clark.

PANEL TWO: On the planet Goku and Superman look up at the monitors.

SUPERMAN: Can you get us out of here?

BATMAN: The shield should go down in... 3, 2, 1...

PANEL THREE: The red barrier around the planet dissolves.

CAPTION (BATMAN): ...Now!

PANEL FOUR: Batman talks into the mic.

BATMAN: I'll beam you up here.

GOKU (MONITOR): I got it.

PANEL FIVE: Batman turns around and sees Goku with one hand on Superman's shoulder and the other hand pointing his index finger at his own forehead.

GOKU: Well, now I know for sure it was the force field that was preventing my Instant Transmission.

PAGE 11

PANEL ONE: Superman and Goku are at Batman's side. Batman holds out his hand to give something to Goku. Goku looks down in his hand with a gentle smile. (we still don't see what it is.)

SUPERMAN: Are you okay?

BATMAN: Never mind me, you must hurry. Here, these are from Yamcha.

GOKU: Good ol' Yamcha. Thank you.

PANEL TWO: Batman looks over from his chair at Superman who has dropped to one knee to look at him.

BATMAN: You're on your own this time, I won't be making it.

SUPERMAN: No! Don't say that. You can make it. You just have to hold on Bruce.

PANEL THREE: Batman smiles lightly as he looks at his best friend.

BATMAN: You always were naive Clark.

PANEL FOUR: Batman hits a button on the control panel. Goku and Superman start to disappear.

SFX: Click.

SUPERMAN: No! Wa...

PANEL FIVE: With Goku and Superman gone, Batman loses the last bit of strength he has. His hand falls to the side of the chair, dropping the remote on the ground.

SFX: thak

BATMAN: pant, pant...

PANEL SIX: Batman's head falls forward as he dies in the chair.

PAGE 12

PANEL ONE: Goku and Superman appear on Earth. Dead bodies lay sprawled out all over the ground.

SUPERMAN: ...it!!

PANEL TWO: Goku and Superman look down at the ground in horror.

PANEL THREE: Everyone they know and love lay dead on the ground. They see Piccolo, Martian Manhunter, aged versions of Green Lantern, Krillin and Bulma. Cyborg in pieces and his human side of his face looks aged. Plus hundreds more from both universes lay dead.

PAGE 13

PANEL ONE: They hear a battle behind them and turn to see Red Lantern Vegeta still fighting Lord Unity. Sinestro is on the ground grasping his stomach, trying to stay conscious. Red Lantern Vegeta is the last man standing. He fires an energy blast from the air that Unity absorbs.

GOKU: It's Vegeta!

PANEL TWO: Unity fires an energy blast at Vegeta.

LORD UNITY: Die!

PANEL THREE: Vegeta hits the ground hard, next to Sinestro who has succumbed to his wounds. Goku looks scared for his friend.

GOKU: No! Vegeta!

PANEL FOUR: Vegeta's body lies in the rubble, motionless. The red ring flies off his hand and up into the air.

RED LANTERN RING: Red Lantern Vegeta deceased. Seeking replacement.

PANEL FIVE: Superman and Goku rush over to the battlefield. Superman sees Wonder Woman lying on the ground motionless.

SUPERMAN: Wonder Woman... Diana?

PAGE 14

PANEL ONE: Superman flies over to Wonder Woman and discovers that she's dead.

PANEL TWO: Superman looks down as he hugs onto her.

SUPERMAN: No...

PANEL THREE: Goku faces off with Lord Unity while guarding Superman as he holds Wonder Woman. Goku is no longer the carefree

happy-go-lucky guy. He's pissed off at the death and destruction that Lord Unity has caused.

GOKU: How could you? These were our friends... our family!
I'm gonna make you pay for what you've done here!

PANEL FOUR: Superman looks up with an angry scowl. His eyes glow red as if his anger cannot be contained and is trying to come out through his heat vision.

SUPERMAN: No! We're going to make you pay!

PAGE 15

PANEL ONE: Supreme Kai's eyes widen and he smiles, he turns and looks at Old Kai. Old Kai is focused on his crystal ball.

LEGEND: World of the Kais

SUPREME KAI: Goku's back!! I can sense his energy... and someone is with him. Someone who's Ki is as incredible and pure as Goku's. They'll stop Lord Unity for sure.

PANEL TWO: Old Kai looks closely at an image of Superman next to Goku, poised for battle, on his crystal ball.

OLD KAI: Perhaps. But even they might not be enough.

PANEL THREE: Supreme Kai smiles.

SUPREME KAI: How can you say that? We know how strong Goku is and now he has a friend to help him. They'll be unstoppable.

PANEL FOUR: Close-up of Old Kai's crystal ball.

OLD KAI: I have seen this Lord Unity before.

PANEL FIVE: Old Kai looks at Supreme Kai. Supreme Kai has a look of fear on his face.

OLD KAI: It took all of the Kais to stop him before and even then we were barely able to. Our universe's population is much greater now than it was back then. I can't imagine how powerful he has become this time.

PAGE 16

PANEL ONE: Lord Unity laughs as Goku and Superman stand before him. Superman steps forward with a fist up in anger.

LORD UNITY: I've either killed or absorbed the life energy of everyone from both of your worlds. I am invincible. Not even the two of you can stop me now!

SUPERMAN: We'll see about that.

PANEL TWO: Goku holds out his hand to Superman before Superman can charge off.

GOKU: Superman, wait... eat this.

PANEL THREE: Close-up of the Senzu Beans in Superman's hand.

GOKU: They're called Senzu Beans. It'll restore any strength you've spent on our fight.

PANEL FOUR: They both eat one.

PANEL FIVE: Superman feels the rush of restored strength.

SUPERMAN: Whoa! I definitely feel better. Thank you.

GOKU: Thank Yamcha.

PAGE 17

PANEL ONE: An angry Superman and angry Goku charge Lord Unity together.

SUPERMAN: Ahh!

GOKU: Raa!

PANEL TWO: Superman gets a solid hit in. Unity laughs even as his head gets jerked to the side.

SFX: Ba-doom!

LORD UNITY: Ha, ha!

PANEL THREE: Then Goku gets a solid hit in. Lord Unity continues to laugh.

LORD UNITY: Ha, ha. I already told you...

PANEL FOUR: Lord Unity throws both arms out to the side, launching an energy blast that sends Goku and Superman flying back like ragdolls into the ground.

LORD UNITY: ...I am invincible! Raa!

SFX: Zzzewwssh!

PAGE 18

PANEL ONE: Lord Unity starts laughing as he looks at the two on the ground in front of him.

LORD UNITY: It's a shame I can only absorb humans and not your powers as well. But then again, I'm already nothing short of a god.

PANEL TWO: As Superman tries to get up, Unity blasts him again, smashing him into the ground.

SFX: Zzzewwssh!

SUPERMAN: Kra!!

PANEL THREE: From the ground, Goku puts his index finger to his forehead and starts to disappear.

PANEL FOUR: Goku re-appears right behind Lord Unity.

PANEL FIVE: Lord Unity anticipated the move and elbows Goku right in the stomach.

SFX: Thoom!

GOKU: Ooof!

PAGE 19

PANEL ONE: Goku falls to Unity's feet holding his stomach.

PANEL TWO: Superman fires both heat vision and cold breath at Unity at the same time, to divert his attention from Goku. The attack does little to Unity.

PANEL THREE: Lord Unity grabs Goku.

PANEL FOUR: Unity hurls Goku right at Superman.

PANEL FIVE: They go flying back hundreds of yards, creating an impact trail.

SFX: Cressshhh krk! Krk!

GOKU: Ugh!

PAGE 20

PANEL ONE: Unity waves his hand that sends a massive energy wave at them.

PANEL TWO: There's a massive explosion that engulfs Superman and Goku.

PANEL THREE: Lord Unity looks up as all his victims lay all over the ground. He holds up his hands victorious and laughs maniacally.

LORD UNITY: Ha, ha, ha. This universe is mine!

TO BE CONCLUDED

DCZ: DC UNIVERSE VS. DRAGONBALL Z UNIVERSE

ISSUE 8: ENTER KAL-KAROT

Written by
CAMERON TEVIS

Art by
ARTIST UNKNOWN AT THIS TIME

PAGE 1

PANEL ONE: Close-up on the crystal ball shows Goku and Superman both trying to get up off the ground. They are both already in bad shape.

PANEL TWO: Old Kai and Supreme Kai look closely at the crystal ball. Supreme Kai looks horrified.

SUPREME KAI: I can't believe it.

OLD KAI: It's as I feared, Lord Unity has just absorbed too many humans. And even though he's already absorbed every human in both universes, he's somehow still getting stronger.

PANEL THREE: Supreme Kai looks at Old Kai with a distressed look. Old Kai plays with his mustache as he considers the possibilities.

SUPREME KAI: Is there any chance Goku and Superman can still defeat him?

OLD KAI: With all the power he's acquired, neither Goku nor Superman will be able to beat him alone, especially if either of them holds back in any way.

PANEL FOUR: Old Kai looks at Supreme Kai. Supreme Kai gets a wide eyed smile.

OLD KAI: Hmm... but maybe together.

SUPREME KAI: Yes, then I will go immediately!

PAGE 2

PANEL ONE: Superman and Goku are trying to get back on their feet from Lord Unity's last attack.

SUPERMAN: You okay?

GOKU: Yeah. That was a powerful attack.

PANEL TWO: They stand up and Superman looks at Goku. Goku is looking at his hands, trying to determine if his Spirit Bomb attack would work.

SUPERMAN: This isn't working. He just seems to be getting stronger. Any ideas how we can take him down?

GOKU: I don't know. I can't even make a Spirit Bomb strong enough since he killed everyone.

SUPREME KAI (o.s.): Wait!

PANEL THREE: Goku and Superman look back to see who is yelling.

SUPERMAN: Who's that?

GOKU: Hm?

PANEL FOUR: They see Supreme Kai flying towards them.

SUPREME KAI: Wait, I have an idea!

PANEL FIVE: Goku gets wide-eyed and smiles.

GOKU: Supreme Kai, you came to help?

PAGE 3

PANEL ONE: Supreme Kai catches up and lands next to Goku and Superman.

SUPREME KAI: I'm afraid I wouldn't be much use against such an opponent, Goku.

PANEL TWO: Superman, Goku and Supreme Kai look over at Lord Unity as he starts laughing.

LORD UNITY: A single Kai? You've failed then, Kai! 12 billion human lives have given me more than enough power to defeat a dozen Kais. You cannot defeat me!

PANEL THREE: Supreme Kai steps forward.

SUPREME KAI: You're right Unity, I could never defeat you.

PANEL FOUR: Superman and Goku stand behind Supreme Kai. But Superman looks at Supreme Kai.

SUPERMAN: We're not going to just give up.

GOKU: Never.

PANEL FIVE: Supreme Kai turns back to Superman and Goku. He holds up two dangling Potara Earrings. Goku's eyes widen again.

SUPREME KAI: Of course not, I came to bring you these.

GOKU: Potara Earrings!

SUPERMAN: Whatever those are, he certainly doesn't look worried.

PAGE 4

PANEL ONE: Lord Unity looks at the trio with an arrogant smile.

LORD UNITY: Try whatever you can Kai. You will never take my body away from me again.

PANEL TWO: Superman looks at Supreme Kai.

SUPERMAN: What does he mean by that?

SUPREME KAI: Lord Unity cannot be killed, he's an immortal, but if you can take his power away, he loses his corporeal form and becomes nothing more than a harmless, intangible spirit being.

PANEL THREE: Goku looks at Superman.

SUPERMAN: I wasn't planning on killing anyone, but it's good to know I don't have to hold back.

GOKU: Neither one of us does, but that still might not be enough.

PANEL FOUR: Goku reaches for a Potara Earring from Supreme Kai.

GOKU: But with these we can beat him.. together. It's permanent, but it's our only chance.

PANEL FIVE: As Goku places one on his left ear. Superman reaches for the other one.

GOKU: Take one and pinch it over your right ear lobe.

PAGE 5

PANEL ONE: Superman pinches it over his right ear lobe.

SUPERMAN: Now what?

PANEL TWO: Goku smiles as Supreme Kai quickly flies off to get to a safe distance.

SUPERMAN: Wait, where are you going? What do we do now?

GOKU: Get ready for it.

PANEL THREE: Superman and Goku's bodies are slammed together.

SUPERMAN: What's happening?

GOKU: It's okay Superman.

PANEL FOUR: Supreme Kai flies as fast as he can from them. Behind the Supreme Kai, light starts to emit from Goku and Superman as they start to ascend into the air.

PAGE 6

PANEL ONE: There is a massive explosion of energy in the air, creating a giant globe of light, easily 100 yards in diameter. Supreme Kai looks back to see it.

SFX: KRA-KOOOOM!!!

PANEL TWO: The ice melts away from the surrounding area.

PANEL THREE: Even Lord Unity has to shield his eyes from the intense light.

LORD UNITY: Wha--?

PANEL FOUR: The energy burst starts to subside and in its center floats a single silhouette of a new being.

PANEL FIVE: The new being clenches his fist.

PAGE 7

SPLASH PAGE: The energy has dissipated and there floats Kal-Karot, a single being comprised of both Superman and Goku. Electrical currents course throughout his body.

Kal-Karot's outfit is Goku's Gi, in Superman's blue and the undershirt is red, with Superman's "S" on it. His hair is golden and cleaner cut than Goku's hair, but longer than Superman's. He has Superman's curl, but the curl is much longer and pointing straight up from the energy. Superman's cape attaches to Goku's wristbands, creating a wing-like appearance.

Kal-Karot smiles as he looks at his clenched fists.

KAL-KAROT: This power! It's unbelievable.

PAGE 8

PANEL ONE: Kal-Karot looks down at Lord Unity with a mischievous smile.

KAL-KAROT: Alright!

PANEL TWO: Lord Unity narrows his eyes with concern.

LORD UNITY: Hmm.

PANEL THREE: Lord Unity immediately attacks with two energy blasts, one from each hand.

LORD UNITY: Raaa!

PANEL FOUR: Lord Unity's energy blasts just bounce off the energy surrounding Kal-Karot.

SFX: Gzzt! Gzzt!

PAGE 9

PANEL ONE: Kal-Karot counter-attacks with lightning speed. He fires multiple energy blasts from each hand down onto Unity.

KAL-KAROT: Aaaah!!

PANEL TWO: Unity absorbs the energy blasts with a smirk.

LORD UNITY: Heh.

PANEL THREE: Lord Unity ascends into the air.

PANEL FOUR: He punches his fists together which creates a massive energy burst that knocks Kal-Karot to the ground below.

SFX: Gzzowww!!!

KAL-KAROT: Arghhh!

PANEL FIVE: Kal-Karot hits the ground, shattering the surface.

SFX: Krasssh!

PAGE 10

PANEL ONE: As Kal-Karot stands back up, he looks up and sees Lord Unity flying towards him in attack position.

LORD UNITY: You die!!

PANEL TWO: Kal-Karot takes to the air and rushes towards him as well.

SFX: Swoosh!

PANEL THREE: They charge at each other and as they both land punches, it creates a massive crater in the planet.

SFX: Ba-Doom!

PANEL FOUR: Kal-Karot is hurled back into the ground from the impact.

SFX: Thoooom!

PANEL FIVE: Unity lands on the ground and sees Kal-Karot lying motionless in a crater.

PAGE 11

PANEL ONE: Lord Unity walks towards a terrified Supreme Kai and smiles.

LORD UNITY: Now to be rid of the Kais once and for all.

KAL-KAROT (o.s.): Hey!

PANEL TWO: Unity turns around and sees Kal-Karot standing up and smiling.

KAL-KAROT: Where are you going, I'm not finished with you yet. That last attack did tickle a little bit though.

LORD UNITY: Grr.

PANEL THREE: Close-up of Kal-Karot.

KAL-KAROT: I see now how you've been getting stronger. You've been absorbing the energy blasts. So... you think you can absorb everything?

PANEL FOUR: Lord Unity has a nasty scowl on his face.

PANEL FIVE: Kal-Karot gets in the Kamehameha position.

KAL-KAROT: Let's see if you can absorb this... Ka-me-ha-me...

PAGE 12-13

2 PAGE SPREAD: Kal-Karot launches his attack. The Kamehameha Wave comes out of his hand like normal, but now a new Kamehameha wave comes out of each eye, replacing the heat vision, totaling in three massive, blinding waves, that all strike Unity at once. Lord Unity is in agony from the pain as his body begins to overload.

KAL-KAROT: ...Haaaaa!

PAGE 14

PANEL ONE: Lord Unity yells in agony as the wave just keeps coming until he can no longer absorb anymore.

LORD UNITY: Argggg--!!!

PANEL TWO: He explodes and his frail, old looking spirit is seen at the center of the explosion.

SFX: Thzzkk-Dooooom!!

PANEL THREE: As the spirit disappears, the last Dragonball falls to the Earth.

LORD UNITY: Nooo!

PANEL FOUR: Kal-Karot sees the Dragonball hit the ground.

KAL-KAROT: The Dragonball!!

PAGE 15

PANEL ONE: The seven Dragonballs are now lying on the ground at Kal-Karot's feet. Kal-Karot smiles at Supreme Kai.

LEGEND: Later

SUPREME KAI: Now, with your two wishes, you can wish all your friends back to life and restore the Universe.

PANEL TWO: Kal-Karot raises both hands in the air.

KAL-KAROT: I summon the Eternal Dragon, Shenron, to make my wish come true.

PANEL THREE: The Dragonballs glow and misty light emerges.

PANEL FOUR: The giant dragon, Shenron, looks down on Kal-Karot and the Supreme Kai from the air above.

SHENRON THE DRAGON: Choose your words carefully and I will grant you any three wishes within my power.

PAGE 16

PANEL ONE: Kal-Karot looks at Supreme Kai.

KAL-KAROT: Three?

SUPREME KAI: It must be because the universe is actually two universes. We somehow get an additional wish. That's great, that means you can wish yourselves back into Goku and Superman.

PANEL TWO: Kal-Karot smiles, as he looks back up at the dragon.

KAL-KAROT: That's great! We wish for you to bring everyone that Lord Unity killed back to life.

PANEL THREE: The dragon's eyes glow.

SHENRON THE DRAGON: As you wish.

PANEL FOUR: Supreme Kai looks scared when he realizes all the heroes waking up are still old.

SUPREME KAI: Oh no, we only restored their lives, not their youth!

PANEL FIVE: Kal-Karot looks back up at Shenron. Shenron's eyes glow.

KAL-KAROT: I'll just use the other wish. Shenron, can you restore everyone's youth to what it was days ago?

SHENRON THE DRAGON: Yes, it shall be done.

PAGE 17

PANEL ONE: As the heroes begin waking up, youthful and healthy again, Batman teleports down.

KAL-KAROT: Batman! You're back!

PANEL TWO: Batman sees the Superman insignia. Kal-Karot smiles at him.

BATMAN: Superman?

KAL-KAROT: And Goku, but it's Kal-Karot now. How did you get here? Where's Lex?

BATMAN: When I woke up, Lex was already gone. I set the space station to plummet into the planet and then used the remote device to beam me back.

PANEL THREE: All the heroes of both universes smile as they surround Kal-Karot and Supreme Kai. Krillin gestures for Cyborg to meet his wife, Android 18, Martian Manhunter greets Piccolo, Wonder Woman hugs Bulma and Yamcha and Green Lantern greet Kal-Karot. The dragon waits patiently above them all.

PANEL FOUR: Wonder Woman approaches Vegeta and holds out her hand.

WONDER WOMAN: We fought well together.

PANEL FIVE: To Krillin and Bulma's amazement, Vegeta shakes her hand.

VEGETA: We did. You are a true warrior...

PANEL SIX: While shaking her hand he looks over at the others. Krillin is rolling his eyes.

VEGETA: Certainly more of a warrior than these weaklings.

KRILLIN: And Vegeta's back.

PAGE 18

PANEL ONE: They all look up at the dragon.

SHENRON THE DRAGON: What is your last wish?

KAL-KAROT: Right! The final wish!

PANEL TWO: Kal-Karot leans over to hear what a sad Supreme Kai is trying to quietly tell him.

SUPREME KAI: Kal-Karot, after you restore the universes, I don't know what will happen to you since you are from both now.

PANEL THREE: Kal-Karot puts his hand on Supreme Kai's shoulder to re-assure him.

KAL-KAROT: Thanks for the concern Supreme Kai, but this has to be done.

PANEL FOUR: Kal-Karot looks back at the dragon. The dragon's eyes glow.

KAL-KAROT: We wish for you to please restore our two Universes to how they were before Lord Unity combined them.

SHENRON THE DRAGON: That is a difficult wish... But it shall be done.

PANEL FIVE: The heroes from the DC Universe and the Dragonball Z Universe wave goodbye to each other as they fade away.

PAGE 19

PANEL ONE: DCU – The DC Heroes re-appear in Metropolis. Wonder Woman is looking back and forth with a worried look on her face.

GREEN LANTERN: It's back to normal!

WONDER WOMAN: But where's Superman?

PANEL TWO: Superman finally appears.

BATMAN: There he is!

PANEL THREE: Wonder Woman hugs Superman.

SUPERMAN: Hi.

PANEL FOUR: Cyborg looks at Green Lantern.

CYBORG: I'm gonna miss Krillin.

GREEN LANTERN: Yeah, I'm going to miss Yamcha, he would've made a *great* wing man.

PANEL FIVE: Superman and Wonder Woman walk over to Cyborg and Green Lantern.

SUPERMAN: Goku really showed me what kind of fun I can have with my powers.

PAGE 20

PANEL ONE: DBZU – The Dragonball Z heroes all appear, including Goku.

YAMCHA: It's good to be home!

PANEL TWO: Krillin looks at Yamcha and Bulma.

KRILLIN: Man those guys were cool, especially Cyborg.

BULMA: I don't know, I think Wonder Woman was pretty amazing.

PANEL THREE: Bulma looks at Vegeta with a mischievous smile. Yamcha and Krillin hold back laughter while Vegeta gets angry.

BULMA: So Vegeta, how does it feel to get your butt kicked by a woman?

VEGETA: She did not beat me!

PANEL FOUR: Goku steps over to Bulma and Vegeta. Vegeta turns his back and crosses his arms.

GOKU: Or how about that red ring? I didn't think anything could make you look even meaner.

VEGETA: Bah! Potara earrings, red rings... I'm a warrior, I don't need accessorizing.

PANEL FIVE: As the others laugh, Goku looks up at the sky.

CAPTION (GOKU): When the universes separated, Kal-Karot must've been split too. But I'll see you again Superman, so we can find out who the best really is.

THE END
